Flavelle Park Adopt-A-Rink: Gearing Up for the Season!

We hope you've all had a fantastic summer and fall and are getting ready for the winter season ahead!

It's almost time to get our community outdoor rinks at Flavelle Park up and running (weather permitting, of course!). While last season certainly brought its share of struggles — between unseasonably warm weather and an instance of vandalism — our community showed incredible resilience. Despite those hurdles, the rinks were well used and thoroughly enjoyed by neighbours of all ages. A huge thank you to everyone who pitched in to keep things running and make the season a success!

We're excited to welcome back both familiar faces and new neighbours this year! A huge thank you to Jason for stepping up once again as our Rink Master — we truly couldn't pull this off without his leadership and the incredible effort of all our volunteers. Whether you want to lend a hand on the ice or simply stay in the loop, we invite you to join the Flavelle Rink Crew Facebook page.

We'll be posting updates on the group whenever we need volunteers for setup, assembly, maintenance, and flooding. It's also a great spot where members share photos, event updates, and casual park gatherings.

Fingers crossed for cooler, more cooperative weather this season so we can keep the ice in great shape and host even more fun community gatherings!

Thanks again for your ongoing support — see you on the ice!

The Community Kitchen Program of Calgary offers the Good Food Box program, providing fresh fruits and vegetables at an affordable price. While Fairview currently does not have a designated Program Coordinator, our neighbours in Acadia have stepped up to ensure we still have access!

How it Works: Each box contains a seasonal variety of fresh produce with local pickup conveniently located right next door in Acadia.

Box options include

- Small Box ($35): Approximately 20 to 25 lbs of produce
- Medium Box ($40): Approximately 25 to 30 lbs of produce
- Large Box ($45): Approximately 35 to 40 lbs of produce

Order Date	Delivery Date (Wednesday)
November 27	December 9

For up-to-date information, visit www.ckpcalgary.ca/goodfoodbox.

Ordering Information: Contact Helen Tubrett at goodfoodbox@acadiaca.com | 403-355-1252 or visit https://www.acadiaca.com/goodfoodbox before the monthly order date to secure your box. She will provide payment instructions and details for the Acadia pickup. Please note that payment is required upfront, and boxes must be collected during the designated pickup window.

Want To Host a Depot in Fairview? We need a local coordinator! Visit ckpcalgary.ca/goodfoodbox to see how you can help bring this service back to our neighbourhood.

Ho Ho Ho! Fairview's Sixth Annual Bowling with Santa is Back!

Get ready to strike up some holiday cheer! Back for its 6th fabulous year, our holiday neighbourhood tradition returns to Toppler Bowl — a classic Fairview fixture owned right here in our own community.

Whether you're going for a turkey or using the bumpers, no bowling experience is required — just bring your holiday spirit! While the lanes can accommodate 80 active bowlers, there's plenty of room for up to 120 guests, so parents and cheerleaders are more than welcome to join the fun from the sidelines. Best of all? Everyone is welcome! Feel free to invite friends and family from neighbouring communities to join in on the celebration.

Event Details

- Date: Sunday, December 13, 2026
- Time: 3:00 to 5:00 pm
- Location: Toppler Bowl (7640 Fairmount Dr SE)
- What to Expect: Bowling, prizes, treats, and a special visit from the Big Guy himself!

Stay Connected and Get Involved

Registration details will be released soon on our website and social channels. Follow along so you don't miss out on tickets!

Flavelle Park Outdoor Rink
Early December (weather permitting)

Flavelle Park

Volunteers are needed for the upcoming Outdoor Rink season. Weather permitting and with Volunteer Power, the rink is built and flooded in the first part of December so we can have it ready for the Christmas break. No experience required to help, just hands to move things around and put the boards together. Contact rink@fairviewcommunity.ca or join our Flavelle Rink Crew Facebook page.

Light Up Fairview: The Holiday Light Count is Back!
December 2026

It's time to make Fairview sparkle! Dust off your festive lights, string up those decorations, and help your block claim bragging rights in this year's Christmas Light Count. Think your street has what it takes to dethrone last year's champions, Fullerton Road? We're also looking for volunteer "elves" to take a festive evening stroll in mid-to-late December and tally up the decorated homes on their street. It's a fun, low-commitment way to spread holiday cheer and ensure your block gets counted. Sign up today at fairviewcommunity.ca/countmein!

A Flower to Remember

Red poppy seeds can remain dormant in the soil for years. During the First World War, artillery and trench warfare disturbed the earth along the Western Front, allowing poppies to bloom across the landscape. The sight inspired Canadian Lieutenant-Colonel John McCrae's 1915 poem "In Flanders Fields", helping the red poppy become an enduring symbol of remembrance.

Get Involved: Volunteer Opportunities

Fairview is powered by people like you! Our Board, events, and local projects only happen because of our awesome volunteers. Whether you have an hour to spare or a specialized skill to share, your help keeps our community thriving.

"Nobody can do everything, but everyone can do something!"

Open Positions and Initiatives

Board of Directors: We are actively recruiting for President and General Members. Step up to build leadership skills, connect with neighbours, and help steer the future of our community. Commitment is just one meeting a month!

Planning and Development: Do you have expertise or an interest in urban planning, zoning, or land use? Help guide the thoughtful residential and industrial evolution of Fairview.

55+ Seniors' Collective: We're looking for volunteers to help plan and launch social gatherings, workshops, and casual meetups tailored to our local 55+ residents. Whether you want to lead the planning or just lend a hand on event day, we'd love to have you. Let's keep Fairview's community spirit thriving across every generation!

Outdoor Rink (Flavelle Park): We are gearing up for another fantastic season on the ice! We aim to build and flood the rink in early December so it's ready for the holiday break (weather permitting). All ages are welcome to pitch in! If you can help with any of the following, please email rink@fairviewcommunity.ca or join the Flavelle Rink Crew Facebook page:

Rink Build and Setup (Early December): The more hands, the faster it goes! No experience required, just willingness to carry boards and assemble the frame.

Flooding: Assist with the water truck (typically early evenings or daytime) and monitor the boards and tarp to ensure a solid seal.

Ice Maintenance: Fill holes with hot-water slush, clear snow, and keep the ice smooth and safe throughout the winter.

Takedown (Spring): Disassemble the boards and help load and transport equipment to storage at Fairview Park.

Community Events and Gatherings: Help organize or run fun winter events on the ice!

Light Up Fairview Elves (December): Help make our annual Christmas Light Count a success! We need volunteer "elves" in mid-to-late December to take a festive evening stroll and count decorated homes on their street. It's a fun, low-commitment way to bring holiday cheer to the neighbourhood and ensure your block gets counted. Sign up at fairviewcommunity.ca/countmein.

Ready to Make a Difference?

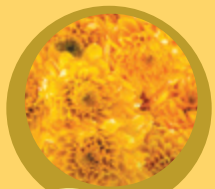

Send an email to volunteer@fairviewcommunity.ca to sign up, express interest, or ask any questions. We can't wait to work with you!

A Bloom You Can Brew

Did you know? Chrysanthemums are November's birth flower—but some varieties are more than decorative! Certain chrysanthemum flowers and leaves are edible, and chrysanthemum tea, made by steeping the dried flowers, is a traditional beverage enjoyed across parts of East Asia.

Yielding to Emergency Vehicles

by Alberta Health Services

For everyone's safety, it is important motorists understand how to correctly yield right-of-way to emergency vehicles when their lights and sirens are activated. You can help all first responders navigate roads quickly and safely by following these basic rules.

When an Emergency Vehicle Approaches with Lights and Sirens Activated:

- If you're in the middle of an intersection, safely clear the intersection and then pull over to the right curb.
- On a one or two-lane road, motorists should move to the right side of the road, slow down, and then stop, remaining parallel with the road. Remember to signal.
- On one-way streets move to the nearest curb, either the right or left, and stop.
- On a road with three or more lanes, motorists should move to the nearest side of the road and stop. If driving in the centre lane, move to the right side of the road and stop. Remember to signal.
- Come to a complete stop and wait for the emergency vehicle to pass. Shoulder check for more emergency vehicles before re-entering traffic flow. Remember to signal.
- Emergency vehicles might use any available road space to maneuver. This could include shoulders or turning lanes, etc., in order to safely pass other traffic.

When Operating a Vehicle:

- Reduce speed to 60 km/h or the posted speed, whichever is lower, when passing any stopped roadside vehicle with flashing lights (emergency vehicles, tow trucks, maintenance trucks, etc.). This law applies to the lane immediately next to the stopped vehicles. If you're not in the lane next to the stopped vehicles, it's recommended to reduce speed and leave lots of space between yourself and emergency personnel.
- Do not break the rules of the road in order to give right of way to an emergency vehicle. This could include proceeding through a red light or making an illegal turn. Actions such as these jeopardize all motorists in the area.
- Drivers must place their full attention on the road and the safe operation of their vehicle at all times. The fine for distracted driving in Alberta is $390.00 and three demerit points.
- Do not follow within 150meters of an emergency vehicle with its siren and/or flashing lights on. For reference, 150m is nearly 1.5 times the length of a football field.

Create More Memories and Less Waste this Holiday Season

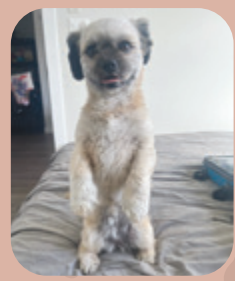

The best holiday memories aren't found under the tree. They're made with the people we spend time with.

During the holidays, Calgarians generate about 25% more waste from wrapping paper, packaging, and leftover food. As you get ready for the season, here are a few simple ways to create more memories and less waste:

- Gift experiences instead of things, like tickets, memberships or a day out together.
- Make a gift with a personal touch, such as homemade cookies, a photo book or a handmade gift.
- Shop locally to reduce shipping materials and packaging waste.
- Borrow, swap or share decorations with neighbours, friends or family.
- Reuse gift bags and bows or wrap gifts with fabric.
- Stick to a grocery list, use leftovers or send extras home with guests.

For more holiday waste reduction tips, visit calgary.ca/our-city/articles/calgary-conversations-podcast-015-howland-wark.html.

This fall, Albertans were asked to consider significant questions about the future of our province. I appreciate the thoughtful conversations and perspectives shared through coffee chats, on the doorsteps, and at our referendum open house. I am encouraged by the consideration, respect, and care constituents brought to these discussions. Participating in our democracy is one of the most meaningful ways we can contribute to the future of our communities. It reflects a shared commitment to service, respect for one another, and a desire to help build the Alberta we want for future generations.

As we mark Remembrance Day, we honour those who served and sacrificed to protect the freedoms we enjoy today. They answered a call greater than themselves, not for recognition, but because it was the right thing to do. Their example reminds us that each generation has a responsibility to serve its community, support one another, and help build a stronger future.

From community events and local celebrations to conversations on doorsteps and over coffee, I have been reminded time and again that our greatest strength is the people who call this community home. While many Albertans continue to face challenges, I remain encouraged by the resilience, compassion, and determination I see across our communities.

I am optimistic about what we can achieve together. Every day, I see neighbours supporting one another, volunteering their time, and working to make Calgary-Acadia an even better place to live. By continuing to listen, engage, and support one another, we can build on the strengths of our community and create a brighter future for the generations that follow. Thank you for your engagement, your generosity, and your commitment to Calgary-Acadia. It is a privilege to serve as your MLA and represent our community in the Alberta Legislature.

Cheers,

Diana
