The FCA board would like to thank Sam Koots, outgoing director, for his years of service. Sam was the driving force behind installing our pump track in Fairview. This was a significant, multi-year project that Sam led from the initial planning stages for the park, through to the installation and maintenance of the current, well-used pump track. He also took on the role of treasurer on the executive and committed countless hours to Fairview events. Thank you for everything, Sam!

VICE-PRESIDENT'S MESSAGE

Help!

One of the biggest problems in Calgary, even acknowledged by the City of Calgary, is lack of volunteers and volunteer burnout. The Fairview Community Association has been lucky for 65 years with having such committed and active volunteers. I have been in this community my whole life and although, when I was younger, I had taken it for granted, I am proud to be a volunteer on the association board now. We all have busy lives, even those of you who are retired. The adage is true "many hands make light work". Our community association is looking for new members to join our board and for more volunteers to help with the events we do. Sometimes it is just dropping off flyers for an upcoming event, working at a casino event, monitoring a bouncy castle while kids play, or being part of a team that puts on a large community event. The best part about volunteering with the community is you get to be part of something bigger, and you can choose your own involvement. If you just want to share an opinion at our meetings (first Tuesday of the month) or be at an event to help out, you can pick! Even the smallest of contributions help immensely. Your help would ease the burnout of a member or volunteer that is helping with the very thing that you enjoy most in the community. Please reach out to us with any questions about what's involved, there is no commitment with just asking questions.

I am so proud of our past and current board members for the way they step up for our community.

In the past, community associations in Calgary that are not able to sustain themselves have had to dissolve and join another community. This is a very unfortunate and avoidable reality. There are many residents in our community, like myself, who grew up in Fairview then moved away and came back. The number is shocking and shows the value and pride the residents of Fairview Community have. Let's keep it rolling for another 65 years!

April and May are our busiest months, and we hope everyone has enjoyed the events over the last couple months. The Fairview Community Association (FCA) Board has been going door to door selling our community memberships—only \$20. While selling

memberships a common question that gets asked is "What does the \$20 go towards?" and the short answer is anything we do in the community that we cannot use Casino funds for. Larger communities with big facilities have mandatory fees that get added onto their city taxes and can be upwards of \$400 to \$500 a year. We don't do that or have a facility (not yet) so we don't have the overhead that they do. We still do have expenses to look after our community and events. Like any organization we pay insurance, bookkeeping and auditing, and produce a monthly newsletter, along with other expenses that our Casino funds just don't cover. The longer answer can be found on our website at fairviewcommunity.ca. On there you will see pictures and up to date event and program information. The website, monthly newsletter, the pictures and all information that is done by your community volunteers with the funds we have available.

A special thanks to the Eisenbart Family who coordinated the April/May events and have been doing so for several years. They are all Fairview Community Rock Stars!

See you around the neighbourhood!

Spring Cleanup Events Wrap-Up

Parade of Garage Sales

We had an exceptional turnout of both sellers and buyers for our Parade of Garage Sales on Saturday, April 26, sponsored by Ed Belanger of Real Estate Professionals Inc. We had our second highest number of sales with 45 this year (record year in 2019 was 47) and combined with a stellar weather day, the sales and traffic were heavy and brisk! Thank you so much to our sellers and Fairview residents who came out en masse to buy and a big thank you to Ed Belanger for his ongoing sponsorship of the event. Looking forward to 2026!

Spring Fling

First, the Fairview Community Association and the Spring Fling volunteers want to say a big special thank you to long-time volunteer Randy Wentz, who has been a mainstay of Spring Fling for many, many years, but retiring this year. Randy has operated a backhoe at our event helping move large loads around the site and crush/lift larger metal items into our bin, which has been enormously helpful. We will miss him around the event. Thank you, Randy!

We held another very successful Spring Fling Community Cleanup event on Sunday, May 4.

The day was a bit cooler, but just right for the physical jobs. We raised \$300 in donations and just shy of \$200 in our concession. Thank you for your support!

We had a couple of hiccups during the day as our donation organization did not show up and one of the city packing trucks required some maintenance (and as a result a delayed return back into usage) due to large volumes of OSB boards! We will be better in 2026!

And on a "I can't believe it" note, we had an unexpected low flyover of two CF-18 Hornets halfway through the event!

We couldn't make this event such a success without the help of many volunteers. A huge shout out to those who stepped up to help with this event! And also, a big thank you to our Spring Fling partners: The City of Calgary, Technotrash, EVRAZ Metal, Action Tyre, and NaAC!

On the volunteer note, however, we are also thin on helpers for Spring Fling (and other events). This event is clearly in very high demand for Fairview residents, but we really need more people at the event to help

share the load, speed up the line, and clean up our community. This is a fun event, and volunteers always rave about how enjoyable it is (especially crushing garbage!). Please consider stepping up to help next year.

Musical Stamps

In June 2007, Canada Post hit all the right notes by celebrating iconic musicians—Joni Mitchell, Anne Murray, Gordon Lightfoot, and Paul Anka—with their very own stamps! The “Canadian Recording Artists” series showcased striking portraits of each musician, turning mail into mini tributes to Canada’s musical royalty. Snail mail never sounded so good!

SAFE AND SOUND

Backyard Play Safety

by Alberta Health Services, EMS

Emergency Medical Services (EMS) would like to encourage parents and caregivers to ensure their backyard play area(s) is made safe for children. Although direct supervision is the best method to reduce the chance of injury, always ensure play equipment in your yard is in good repair and is suited to the age and skill of the children using it. Check the equipment often; replace or repair any worn or broken parts.

Water Hazards

- Drowning contributes to unintentional injury-related death among young children.
- Children can drown in just a few centimetres of water if it covers their mouth and nose.
- Ensure all backyard swimming pools are fenced. The fence must be at least 1.8 metres* high and have a self-latching, self-closing, lockable gate. (*Alberta Building Code)

Lawn and Garden Tools

- Keep young children away from outdoor power equipment.
- Serious burns may result from touching hot engine surfaces.
- Ensure that all sharp tools, fuel, chemicals, and other hazardous substances are stored in a secure, locked area. A simple latch may not be sufficient.

Insect Bites and Stings

- Minimize the risk of attracting insects by not wearing strong perfumes or scented lotions.
- Avoid wearing brightly coloured clothing outdoors.
- Consider destroying or relocating hives and nests situated near your home.
- To avoid injury through inadvertently stepping on a stinging insect, always wear footwear outdoors.
- If your child has received an 'EpiPen, Junior' prescription from your physician (for anaphylactic reactions only) ensure they understand when and how to use it.
- If your child experiences a severe reaction to an insect sting, or other environmental cause, seek medical attention, or call 9-1-1.

Hello Neighbours,

I hope this message finds you well!

Now that the legislature has wrapped up for another session, I am excited to spend more time in the fantastic riding of Calgary-Acadia.

Thank you for your emails and phone calls sharing your concerns around the many Bills brought to the legislature this session. The top concerns I heard from folks in Calgary-Acadia reflected a strong desire to protect our natural resources, take care of the vulnerable, and ensure healthcare is available for all Albertans.

Your voice is important and every contact with the office is counted and noted. Many of you are writing or calling for the first time and I deeply appreciate the time and energy it takes to be an advocate. Your efforts truly make a difference.

From bike parades to pickleball tournaments, I am eager to connect while learning how I can best serve the constituents of Calgary-Acadia.

A highlight for me is spending time in classrooms and listening to students' questions. As this school year wraps up, I want to wish the graduates all the best and hope everyone has a restful and safe summer break.

Save the date for our Stampede Breakfast scheduled for July 6! This annual event is a great way to celebrate our community spirit. Please contact my office for more information and for anything else we can help you with.

Cheers, and I look forward to seeing you at upcoming community events!

Diana
