February is Heart Month

by Alberta Health Services

Do you know the signs and symptoms of a heart attack and what to do if someone experiences these? Knowing may make the difference between life and death. Recognizing and responding immediately to the warning signs of a potential heart attack may significantly improve survival and recovery. February is Heart Month: take the time to be heart safe and learn how you can reduce your risk.

Common Signs of a Heart Attack

(Any, or all, of these signs and symptoms may occur)

- Chest discomfort described as simply a mild pressure up to a 'crushing' pain; may also be 'squeezing' or a 'heavy' sensation.
- Discomfort may move to the shoulders, arm, neck, or jaw.
- May include shortness of breath, sweating, or nausea/vomiting.
- Signs may vary person to person and can differ between men, women, and the elderly.

Heart Attack Risk Factors

- Obesity*
- Sedentary lifestyle*
- Smoking*
- High cholesterol*
- Age/Gender
- Family history

Speak with your doctor about how to treat your modifiable (*) risk factors and learn to be heart safe.

What To Do When Seconds Count

- Call 911, immediately. Early treatment can greatly reduce heart damage and be the difference between life and death.
- Treatment starts the moment EMS arrives. Paramedics can provide oxygen, start an intravenous, and perform an electrocardiogram (ECG).
- Paramedics can also administer important medication(s) in the early minutes of a heart attack to lessen heart damage.
- During transport, EMS will share information with the hospital so that definitive treatment can begin immediately upon arrival.
- Take a CPR/AED course. Training is widely available from many reputable organizations. It's easy and could make a significant difference in the outcome of someone experiencing a heart attack.

Rare Plants in Alberta – Green Milkweed and Sticky Purple Geranium

Thursday, February 22, 2024, 7:00 to 8:30 pm.

Presented by Tory Blanchard, Masters of Ecology Student – University of Calgary.

Conservation needs a greater focus on how rare species interact within their neighbourhoods. Rare plants have been found to exist in areas that are positively associated. These are areas with plant communities that facilitate or help one another. One example of facilitation occurs through shared pollinators. Common plants may attract numerous pollinating species, such as bees and butterflies, to a community and the rare plants who rely on these pollinators for their reproduction will benefit indirectly from the common plants. Tory's work will examine the distribution, assembly, and pollinator-mediated plant interactions of two rare species in southern Alberta: Green Comet Milkweed and Sticky Purple Geranium. The study will involve collaboration with members of the Kainai First Nation and will use data from community science platforms such as iNaturalist to address these occurrences. Free for Friends of Fish Creek members and \$10 for non-members. Registration required. www.friendsoffishcreek.org/event/rareplants.

Dedicate a Bench in Fish Creek - Leave a Lasting Legacy

As you pass through the different areas of Fish Creek Provincial Park you have most likely seen and perhaps sat upon one of our beautiful dedication benches. Dedication benches provide a comfortable place for park visitors to rest and appreciate nature and feature a bronze plaque with a unique and personal message. There are approximately 105 benches in the park, and each year several benches are made available to a new donor. This year we will have some beautiful benches available in the west and central regions of the park, so if you have been thinking about dedicating a bench, this may be the perfect opportunity for you. Benches are available for a ten-year term and all donors will receive a valuable tax receipt. Dedicating a bench here in Fish Creek Provincial Park is also the perfect way to leave a legacy for future generations of your family. The dedication bench

program provides essential funding for the Friends of Fish Creek and helps ensure that we can continue and expand upon our stewardship and engagement activities in the park. We would like to thank Alberta Forestry and Parks and the Venturers Society of Calgary for supporting the Friends of Fish Creek in the delivery of this very special program. For more information or to dedicate a bench, please give us a call at 403-238-3841 ext. 1 or visit www.friendsoffishcreek.org/dedication-bench.

Membership Shows You Care

Now is the best time of year to renew your Friends of Fish Creek membership or to become a member. By renewing your Friends of Fish Creek membership, you will help ensure that Fish Creek Provincial Park remains a cherished and accessible resource for all, now and for generations to come. Your generous contribution will play a vital role in enabling us to continue with our stewardship and engagement initiatives aimed at preserving the natural splendour of Fish Creek Provincial Park. Friends of Fish Creek members receive benefits like admission to our Fish Creek Speaker Series programs, a discount on the popular Birding Courses, a discount at select local businesses, and the ability to vote at our Annual General Meeting. Show your support for this park by becoming a member or renewing your membership today. Memberships will be valid until December 31, 2024. To renew your commitment to Fish Creek please visit www.friendsoffishcreek.org/membership.

Volunteer Opportunities

Do you have free time and would like to volunteer in Fish Creek Provincial Park? The 2024 volunteer season is just around the corner, and we are looking for people to assist with various programs starting this spring. To begin volunteering please visit our website and create an account on our online volunteer system, MyImpactPage. We look forward to working with you to bring the Friends' 2024 volunteer programs to life! For more information, please visit www.friendsoffishcreek.org/volunteering-basics.

Bonavista Cares

We cannot believe it is already 2024! Along with our friends at Parkland Cares, we are excited about our initiatives for the winter and spring. In February, we will once again support Basically Babies to collect new and gently used items to outfit babies in need for the first year of their life and beyond. In April, we welcome back one of our community favourites, Birthday Bags for the Calgary Food Bank. Volunteer opportunities for both initiatives will be available with more information on sign-ups to come!

Anyone wishing to find out more about volunteering can email us at bonavistacares@gmail.com or look us up on Facebook (Bonavista Cares) and Instagram (@bonavistacares).

Supporting Businesses Through Construction – Green Line Business Support Program

by the City of Calgary

The Green Line Business Support Program is taking proactive steps to support local businesses impacted by construction. It's not uncommon for significant infrastructure projects to have impacts on businesses in the surrounding area, and it's reassuring to know that the Green Line team is committed to helping business owners navigate these challenges.

Over the course of 2023, our Business Support team connected with businesses along the alignment over 1,573 times to help them through current and future construction. This level of engagement and support is essential for ensuring that businesses can continue to operate and thrive during construction.

The Green Line team also works closely with project engineers and construction contractors to be responsive and provide solutions when needed. By taking a collaborative approach, the team can address issues quickly and effectively, minimizing the impact on businesses and the surrounding community.

The Green Line Business Support Program is committed to helping local businesses navigate construction impacts and ensuring that the project is completed successfully while minimizing disruption.

If you're a business located along the future Green Line, register with us at calgary.ca/GreenLineBusinessRegistration. This allows us to communicate with you about construction impacts and helps us plan ways to reduce those impacts.

Love on a Shoestring

by Danielle Robbertze

Valentine's Day can be expensive. We would all like to give our partner the world to show our appreciation, especially on the day dedicated to love. But that is not always possible. Valentine's Day is said to be the fifth largest consumer spending event in the world. It is estimated that \$25.9 billion (USD) was spent on Valentine's Day in 2023!

There are a few ways in which you can show your love without breaking the bank. Firstly, it would probably be wise to ask your partner what they would like for Valentine's Day. This may take away the surprise element of the day, but you could be surprised about what they want and how cost-effective it could be. Often you will see that all they want is some quality time. So set up a movie night at home or a lovely homecooked dinner. It is often the romantic gestures that count more than a diamond necklace or bouquet of roses.

Valentine's Day on a budget is a time to think creatively. Test out those DIY skills. You never know how much a handcrafted gift could mean to a loved one. Check out ideas online on how to make the perfect gift. You could make a special collage or photo album of all your favourite moments together. As cheesy as it might seem, you can never go wrong with a heartfelt love letter, one that your partner will cherish for years to come.

It is important to set a budget for yourself and your partner. This way you do not create too high of expectations for yourself or your partner. Plan ahead and plan together. The day is dedicated to spending time together so why not put in some money together to do something truly special like a weekend getaway or a romantic dinner at a swanky restaurant.

Consider celebrating the weekend after February 14, that way you and your partner can score some great deals with marked off items. This may seem unconventional, but it could be more special to set out your own Valentine's Day, away from the hustle and the bustle of the actual day.

There are so many ways in which you can save money on Valentine's Day whilst still expressing your love. Take away the pressure and expectations of stereotypical gifts and set your own path to celebrate this day. A path as unique as your relationship and love for your partner. Love is not chocolates, roses, or jewellery. True love is being with one another and cherishing that person for everything they are, flaws and all.

No matter how much you sweat, we can get the stink out!

We offer cleaning services for sports equipment and personal protective equipment, including helmets, shoulder and elbow pads, knee and shin pads, footwear, skates, or gloves – almost any equipment used by athletes or workers can be cleaned, disinfected, & refreshed.

OUR OZONE PROCESS

Using ozone, our system breaks down and penetrates stains, mucus, blood, sweat, fungus, bacteria, and mould. Ozone effectively annihilates 99% of bacteria and viruses upon contact, encompassing both odor-causing bacteria and those responsible for various illnesses, such as staph infections.

Greetings Ward 14!

I hope your 2024 is going well, and all the resolutions you made, if you made any, are going smoothly. Property Assessment is a topic that I like to drive home at this time of year, perhaps to the point of overkill. It is important, so I will mention it in this month's version of my online column, and again next month. In addition, there are some engagement opportunities that you will want to know about. I will tell you how to give input on rezoning, city building, floodplain policies, and public recreation. Finally, I will squeeze in some information on the Green Line, maps, storm ponds, the City's webinar series, secondary suites, and how to use the City of Calgary website.

Feel free to contact me any time, and don't forget to visit calgary.ca/ward14newsletter for the full version of this column. The best way to contact me is by visiting calgary.ca/contactward14 or calling 403-268-1653.

Sincerely,

Councillor Peter Demong

Friends,

There is exciting news for education in Alberta. The 2022 Programme for International Student Assessment (PISA) results show that Alberta continues to be a leader in education in Canada and around the world. The PISA is conducted every three years and assesses the performance of 15-year-old students in reading, mathematics, and science. On December 5, the 2022 PISA results were released and conclude that Alberta students rank first in Canada in reading, first in Canada in science, and second only behind Quebec in math.

Globally, we ranked second in reading, second in science, and seventh in math, within statistical deviation. We should all be extremely proud of Alberta's success in these assessments, especially the success of the 1,300 students that participated, for their hard work and dedication to learning. Thank you to the teachers, staff, and parents for their continued work to support Alberta's world-class education system.

Predictable Funding for Municipalities

Alberta's government is helping to build Alberta's communities by providing predictable funding so that local governments can plan more effectively for the future through the Local Government Fiscal Framework (LGFF).

Local governments across Alberta have long asked for funding that is predictable and tied to provincial growth. With input from local governments, we have finalized the allocation formula that sets out how much they will receive annually under the LGFF. The LGFF funding formula strikes a fair balance for both rural and urban local governments, meeting their need for predictable infrastructure funding while remaining fiscally responsible. In addition, we will provide a one-time top-up funding in Budget 2024 to ensure that no municipality sees a decrease, which will help local governments keep infrastructure projects on track.

Alberta Pension Plan

A friendly reminder that a workbook with sections covering various APP-related topics is available for public input until February 28, 2024. Details can be found on the Engagement Alberta Pension Plan website (www.albertapensionplan.ca/engagement).

If you have any questions or input, please feel free to reach out to my office at Calgary.FishCreek@assembly.ab.ca.
