BONAVISTA CARES

This summer we were busy with sowing seeds and watering our Bonavista Cares vegetable plot in the community garden. The water restrictions certainly made things extra challenging! In June, we hosted our annual Bonavista Cares Garage Sale which was a huge success and helped us raise funds to supplement ongoing initiatives. We want to say thank you to all the people who donated items for the sale. We also want to say thank you to everyone who contributed to the success of the sale, including the children who ran the lemonade and banana bread stand, the teenagers who worked as cashiers, all the volunteers who helped to setup and price items, the Kidney Foundation for picking up all unsold items, our lovely neighbourhood family for donating their garage and driveway, and a special thanks to Jamie Newton for his generous donation.

We look forward to hosting a planning meeting in September to discuss 2024 and 2025 initiatives! We hope to see some new faces.

Anyone wishing to find out more about volunteering can email us at bonavistacares@gmail.com or look us up on Facebook @Bonavista Cares and Instagram @bonavistacares.

Happy Hobbit Day!

September is a legendary month in Hobbit history! On September 21, 1937, J.R.R. Tolkien's *The Hobbit* hit the shelves, kicking off the journey through Middle-earth. Then, on September 22 — known as Hobbit Day — both Bilbo and Frodo Baggins, two of the most cherished hobbits ever, celebrate their birthdays!

YOUR CITY OF CALGARY

What is Cart Contamination?

by the City of Calgary, Waste and Recycling Services

We talk a lot about putting the right items into your blue, black, and green carts to avoid contamination. But what exactly is contamination?

Contamination is when the wrong items are put in the wrong bins. Sorting your waste into the right carts ensures materials end up at the right facility to be turned into new products or to be disposed of properly.

Most people do a good job with their carts. But the consequences of contamination create real challenges that impact the waste facilities, the health and safety of workers, and increase program costs for Calgarians.

Working together, we can keep our facilities and staff safe while ensuring our waste programs run properly.

Learn more at calgary.ca/contamination.

For now, I have a few topics that might interest you. In the online version of this column, you will find a call for volunteers, home and small business webinars, and information about secondary suites. Dear Constituents,

As students, teachers, and parents prepare for the return to school, I want to wish everyone an excellent school year!

Later this month, I will be returning to Ottawa and once again standing up for the interests of Calgary Midnapore in Parliament. Alongside my leader Pierre Poilievre, I am ready to fight for our community and way of life in the House of Commons. I encourage all constituents to follow my work on social media: @StephanieKusie (X and Instagram), @StephanieKusiePolitician (Facebook), and @StephanieKusieMP (YouTube).

Final Call for Nominations!

My office will be accepting nominations for the King Charles III Coronation Medal until September 30, 2024. The medal will be awarded to 30,000 deserving Canadians including twenty from our community of Calgary Midnapore. To be eligible for the honour, a person must have made a significant contribution to the country, a province, territory, region, or community, or made an outstanding achievement abroad that brings credit to Canada, and been alive on May 6, 2023, the date of His Majesty's Coronation.

Our community has countless leaders who often get overlooked for the important and hard work they do to make our city and country better – now's the chance to ensure they are recognized! All nominations will be provided to an independent non-partisan selection committee to determine the appropriate Coronation Medal recipients.

For more information and to nominate an individual please go to www.stephaniekusiemp.ca/coronation.

I wish you a great month ahead!

Sincerely,

Stephanie Kusie

It's hard to believe that we are at the end of summer already. As many of us gear up for the start of a new school year, I wanted to share some exciting news about our school system.

Alberta's population is booming and causing unprecedented growth in our education system, adding a historic number of new students across the province for the 2024-25 school year. Alberta's government recognizes and sympathizes with the challenges school authorities face with increasing enrolment, rising operational costs, and inflation. That is why it is investing an additional \$215 million to help alleviate these pressures, beginning in the 2024-25 school year. This will help alleviate these pressures, and ensure students have a comfortable place to learn with the support they need to succeed in the classroom.

Through this investment, up to 2,500 new spaces for students will be created in the 2024-25 school year, by building and installing up to 100 new modular classrooms. In addition to new modulars, the government is relocating up to 50 modular classrooms to some of Alberta's fastest growing communities in the Calgary Metropolitan Region and Edmonton, which will support up to 1,250 students. Calgary Board of Education will receive up to 31 new modular classrooms and have up to 14 relocated; Calgary Catholic School Division will receive up to 14 new modular classrooms and have up to six relocated.

School authorities can also use this additional funding to hire up to 1,000 additional teachers and classroom support staff which will help them manage class sizes, and tackle rising cost pressures without taking away from student learning.

The 2024-25 fiscal year is also promoting student success by providing a record \$9.3 billion into Alberta's education system, which is equal to \$47 million every day students are in school.

If you have any questions or input, please feel free to reach out to my office at Calgary.FishCreek@assembly.ab.ca.
