Bonavista Cares

Spring is just around the corner. Bringing more opportunities to help each other while building community with our neighbours, friends, and families.

Thank you so much to everyone who generously donated to Basically Babies initiative to kick off 2025. The organization was overwhelmed with gratitude for the beautiful donations they used to make first-year layettes for young families. Community members from Parkland and Bonavista got to enjoy a tour of the facility and learn more about the good work they do!

With spring comes our very favourite initiative that has been happening annually since 2016! Birthday Bags is our largest community building event of the year, neighbours young and old come together to make birthday parties in a bag for the youngest clients at the Calgary Food Bank. We are planning this event for late April/early May. We hope that you will join us in the fun, making friendships while making a significant positive impact in our community.

We are also looking ahead to our Garage Sale that will happen in June, please start setting aside saleable items as this is our biggest and only annual fundraiser. This helps us supplement donations to ensure all community members can participate in activities hosted by Bonavista Cares.

We are excited to continue to come together, make friends, build relationships with our neighbours while making a difference in the lives of our neighbours and Calgarians.

Anyone wishing to find out more about volunteering can email us at bonavistacares@gmail.com or look us up on Facebook (Bonavista Cares) and Instagram (@bonavistacares).

DISCREET & CONVENIENT TEETH STRAIGHTENING

“Your Oral Health Is Our Priority”

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.

Her SAIT Graduation

by Garth Paul Ukrainetz

She took the risk and made the move
Enrolled in courses, paid tuition
Embarked upon a journey bold
Nothing worthwhile makes it easy

She hit the books and studied hard
Placed hopes and dreams upon her desk
Homework structured every evening
The future more important now

From class to class, through rain and snow
Lectures, essays, midterms, finals
And once a week she volunteered
Community, connection, care

Good coffee always faithful friend
Wide awake for morning learning
Then soon, bright shining GPA
No more her forward path unknown

She pushed with all her might, she did
Propelled that boulder up the mountain
She's reached the top, SAIT graduation
A new career, a rolling stone

The Beatles: Chart-Toppers to Solo Legends

April is a memorable month for the Beatles whether together or not... On April 4, 1964, the Fab Four made history by holding the top five spots on the Billboard Hot 100. Fast forward to April 17, 1971, and each member—Lennon, McCartney, Starr, and Harrison—had their solo singles on the UK charts.

CHI BALL

APRIL 3 - JUNE 19
THURSDAYS
9:00AM - 10:00 AM

Chi Ball is designed to re-energize tone and relax the body. An excellent combination of exercises using the Chi Ball, bender balls, tubing, and free weights will help build bone mass, strength, and flexibility.

Each movement opens the body's energy pathways connecting to our internal organs, helping build a valuable stress-fighting, anti-aging mind and body.

**The Beatles:
Chart-Toppers to Solo Legends**

April is a memorable month for the Beatles whether together or not... On April 4, 1964, the Fab Four made history by holding the top five spots on the Billboard Hot 100. Fast forward to April 17, 1971, and each member—Lennon, McCartney, Starr, and Harrison—had their solo singles on the UK charts.

Thank you to everyone who attended my town hall last month with Ministers Schulz, Fir, Jones, and McIver for a discussion on Budget 2025. It was fantastic to see so many constituents actively engaged in these important conversations. If your question wasn't addressed, please don't hesitate to reach out to my office to schedule a call.

Budget

On Thursday, February 27, Alberta's government introduced Budget 2025, along with a series of common-sense legislative proposals designed to enhance clarity, efficiency, and accountability. These measures aim to better address the challenges Albertans face.

Alberta's government remains focused on keeping our province as the best place in Canada to live, work, and raise a family. This includes lowering taxes by 20% on the first \$60,000 of income, saving individuals \$750 and families \$1,500 per year.

Budget 2025 includes a \$5.2 billion deficit that reflects key challenges facing Alberta such as the U.S. tariff dispute, population growth, and public sector bargaining. Budgeted 2025-26 revenues are projected to decline by 8.1% or \$6.6 billion year-over-year, primarily driven by a \$4.4 billion drop in expected non-renewable resource revenues and a \$2.3 billion decrease in investment income.

To support Alberta's rapidly growing population, we are making historic investments in education and health care, with the largest budgets ever allocated to these critical sectors. Additionally, the budgeted contingency provision has been increased to \$4 billion to manage potential cost pressures, respond to natural disasters, and accommodate upcoming public sector bargaining agreements with nurses, teachers, and other employees, as well as address potential tariff impacts.

For all those in the community celebrating, I would like to wish you and your family a happy Easter. If you have any questions or input, please feel free to reach out to my office at Calgary.FishCreek@assembly.ab.ca.
