Devin Elkin

-WARD 14-

Rooted in Community

Hello Ward 14!

Here we are, a month away from going to the polls. Crazy. With that, in this month's newsletter, I wanted to highlight my top 10 priorities.

- **Blanket Rezoning** I will bring forward a Notice of Motion to change the base zoning back to R-C1 or one that repeals the original Notice of Motion that led to the base zoning change to R-CG. The direction I take will depend on the other faces that shape our new council but this is my number one priority.
- 2. Public Hearing Items at Council I will be bringing forward a Notice of Motion that implements the following. If a particular public hearing item garners more than two full consecutive days of public submissions, this will automatically trigger a review of the item being presented before it is voted on by Council. This will ensure citizens who share an overwhelming passion on a certain topic will know their concerns will get the attention they deserve.
- 3. Get back to simplifying service deliveries Civic politics isn't complicated, collect the taxes and make sure services are delivered in a manner that reflects and respects the efforts made by those individuals making that money in the first place.
- 4. Continue to represent our communities the way we have for the past 10 years — This isn't one of those "if it's not broke, don't fix it" attitudes. Over the past decade, the connection I have made with the community through events, attending community association monthly meetings, and open houses, has given me insight and clarity into what each community needs. Ward 14 is not a singular community, its very fabric is made up of communities developed in 1967 to some still in development. So continuing to ask the questions, listening with both ears and assisting in getting it done, has served us well and will continue to do so.
- 5. Keeping up with aging infrastructure As mentioned, some of our communities have aging infrastructure, from stuff above the surface to stuff below the surface. Making sure there are monthly touch points with all departments in administration is critical to ensuring proper delivery. This also goes for our new communities, making sure we inspect the new assets that are going in will allow us to deliver services for decades to come which is crucial to future budgets. We don't need to be replacing infrastructure only a few years after it's installed.

- 6. Never forget who I work for Your support for our Ward 14 team over the past decade has allowed us to make our communities better. Your engagement and passion is clear and this allows us to translate concerns into action. I will never forget that we are here to serve the residents who call Ward 14 home.
- 7. Communication As I have shown in my time serving Ward 14, there are many ways to engage with residents. Through various social media posts to open houses and bringing back our original "Ward 14 Council Talks", these will continue to be methods I will use to reach out to constituents. You will continue to receive our monthly newsletter but the new communication piece will be weekly recaps. Recorded videos will be made available for you to find out what happened that week at Council. Obviously, some of these videos will be extensive, and some might be a quick hello, but you will always know you have a voice.
- 8. Community Development Association Permit **Stream** - I will be working with our planning director to implement a separate stream for community associations. This will enable them to act on time sensitive grants with confidence and be able to deliver community improvements in a timely manner.
- 9. Community Safety Over my decade here we have made deep connections with both Calgary Police Districts that serve Ward 14, districts 6 & 8. These relationships will continue to allow us to collaborate with our Community Resource Officers, our School Resource officers and Traffic Safety Group in relaying concerns we hear from the community. We will continue to collaborate on high school traffic blitz days, work on highlighting areas in need of enforcement and collaborating on educational forums such as protecting your homes, senior fraud prevention tips, and the 9 P.M. check your vehicle routine.
- 10. Spending Smarter We simply must be better at where our tax dollars go beyond essential services. We need to eliminate these surprise expenditures, and this will be accomplished by focusing on meaningful conversation through committee reports, budgetary asks and accountability.

Please take the time to visit www.devinelkin.com where I have outlined why I believe I am ready to be your next city councillor and what 10 years of public service has taught me.

Dear Neighbour,

I'm excited to share this with you: I'm running for City Council in Ward 14.

This decision comes from a deep passion to serve and a belief that leadership means listening, understanding, and acting in the best interests of the people, not chasing power or succession.

I'm a graduate of SAIT in instrumentation engineering. I've served as VP External of the Athabasca University Students' Union and serve as Technology & Digital Safety Ambassador. I've had the privilege of serving as a student advocate at both the provincial level with the Council of Alberta University Students (CAUS) and at the federal level with the Canadian Alliance of Student Associations (CASA). Through these roles, I sat on policy and budgeting committees where worked to ensure student voices were heard and their needs prioritized.

As Director of Volunteerism at the Calgary Legacy Community Association, I help organize events that build connection and community. I also volunteer with the Calgary Igbo Community Association at the Drop-In Centre, supporting unhoused individuals with essentials and encouragement.

I founded VEROROSE INC., a support agency for people with disabilities, and work at a harm reduction centre, helping people with disabilities and mental health challenges rebuild their lives.

I'm running as an independent candidate with conservative values. I'm for the people, here to serve and willing to work with anyone who puts Ward 14 first. Our city should serve residents, not political

As your neighbour, I share your concerns about blanket rezoning that ignores local realities, property tax hikes, infrastructure strain, and loss of neighbourhood character. If elected, I'll push to repeal those policies and protect what makes our ward a great place to live.

I believe in service, transparency, and trust. As a husband, father of three, and Knight of the Catholic Church, I bring compassion, accountability, and empathy to public service.

Every resident deserves safe streets, basic infrastructure, and leaders who listen. That's what I'll fiaht for.

This campaign is about all of us; our families, our businesses, and our shared future. I'm ready to work hard for Ward 14 and make our voices count.

Sincerely. Chima Akuchie

Alberta Builds a Stronger Future with Historic **Investment and Physician Growth**

Alberta is making significant progress on two key fronts: securing long-term financial stability and strengthening health care. The province's Heritage Savings Trust Fund has reached a record high of \$30 billion, thanks to a \$2.8-billion contribution from surplus funds. This marks a major milestone in Alberta's plan to grow the fund to \$250 billion by 2050—a strategy aimed at creating a reliable, longterm source of funding for essential public services, including health care and education.

The Heritage Fund, originally created to save nonrenewable resource revenue, is now a central part of Alberta's roadmap to a prosperous and resilient future. By reinvesting income and accessing global investment opportunities through the newly modernized Heritage Fund Opportunities Corporation, Alberta is taking strategic steps to build wealth that will benefit future generations. Once the fund reaches its \$250 billion goal, the income it generates will help stabilize the budget, support infrastructure, and keep taxes low.

At the same time, Alberta's physician workforce is reaching record levels. As of June 30, 2025, there is a total of 12,327 physicians registered in the province—204 more than the previous quarter and 571 more than last year. This growth includes gains in both urban and rural areas, with a notable 8% increase in the North Zone.

These investments in financial security and health care reflect Alberta's commitment to building a strong, sustainable future—where families thrive, communities grow, and core services are there when people need them most.

DISCREET & CONVENIENT TEETH STRAIGHTENING

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.
