FRIENDS of Fish Creek

The Listen Garden at Bow Valley Ranch

This summer, the Listen Garden is taking shape.

Located in the heart of Fish Creek Provincial Park, the Listen Garden is a collaboration between the past and the future; the land and the people; Indigenous and newcomer communities. The garden will be one in which native plants, Indigenous knowledge, and (re)conciliation all flourish. Visit the Listen Garden page on the Bow Valley Ranch Historical Society's website.

Our team of staff and dedicated volunteers have been hard at work prepping the site, from harvesting and processing native plant seeds to spraying the site to remove invasive species and distributing an impressive seven truckloads of sand. This summer, we're seeding and planting native species representative of the plant communities chosen for this space. We're looking forward to seeing this special spot alive with life by the end of summer 2026! Check out these photos from the Listen Garden this spring.

Love native plants and Fish Creek Provincial Park? Our programs will help you connect with nature in the park, from volunteering with grasslands restoration and engaging with the public to our new kids' summer day camp and beyond. Visit our website at www.friendsoffishcreek.org or follow us on Instagram or Facebook at @fishcreekpp to learn more about summer day camp and all our exciting programs.

2026 Annual General Meeting

Monday, October 26, 2026, at 6:00 pm

Please note the date has changed.

The meeting will take place on Monday, October 26, 2026, at Bonavista Church, 1509 Lake Ontario Drive SE at 6:00 pm.

We are grateful for the opportunity to rent this spacious, well-equipped facility, which offers established audio/visual capability, reduced setup and takedown requirements for seating, and a lower rental cost compared with the theatre venue.

Each year at the AGM, all directors retire, and the membership elects the full Board of Directors for the coming term. A Call for Directors, including nomination forms, will be released in mid-August, with completed nomination packages due in early September. As with last year's AGM, nominations will not be accepted from the floor.

A reminder that quorum for the AGM requires 10% of LBHA members in good standing, which represents approximately 325 household votes. Member participation is essential to ensure the Association can conduct its annual business.

New App Features

Members using the App can pre-check-in their guests. Once the member has checked in and is onsite at the Lake, they no longer need to return to the gate to sign-in their guests. Guests can enter the park to join them whenever they arrive.

LEADERS IN COMMUNITY FOCUSED MARKETING

4-H in Calgary: Hands-On Learning for Today's Youth

When many families hear 4-H they still picture animals and agriculture, but 4-H has grown into a hands-on youth development program focused on life skills, leadership, and real-world learning for ages 9 to 15 in both urban and rural communities.

Traditional 4-H clubs run for a full year and include member led meetings, youth leadership opportunities, project work, record keeping, and Achievement Days. Intro Clubs are different. They are short term experiences designed for families who want to explore 4-H before committing to a full club year.

4-H Intro Clubs are now expanding beyond Calgary into North Central Alberta and are being delivered in partnership with community associations, schools, and homeschool groups. To date, Intro Clubs have delivered eleven short term clubs across Alberta, including nine in Calgary and two in Edmonton, engaging 128 youth aged 9 to 15. Three additional clubs are already scheduled in Calgary, Vermilion, and Bonnyville this summer.

Over six weeks, youth explore a variety of hands-on workshops while building confidence, communication, problem solving, and teamwork skills. Recent activities have included pottery, reptiles, baking and sourdough, food science, chocolate making, horsemanship, microgreens, robotics, painting, and behind the scenes tours.

For many families, Intro Clubs provide an easy way to discover whether 4-H is a good fit while meeting other youth and learning new skills.

To help families learn more, 4-H Intro Clubs is hosting a free Park Party at Dalhousie Community Association in NW Calgary on Sunday, September 13, from 2:30 to 4:00 pm. The event is open to new families, returning members, curious youth, local 4-H clubs, and community supporters.

The afternoon will include outdoor games, light snacks, gelato, hands-on activities, and opportunities to connect with local leaders and learn about upcoming programs.

For more information or to RSVP for the Park Party, contact introclubs@4hab.com.

O Newfoundland

by Garth Paul Ukrainetz

In Newfoundland we took a walk
Among the streets of Port Aux Basques
We started at the boating dock
To reach the lighthouse was our task

A sunken graveyard on the way
A whitewashed church upon a hill
A warm and sunny August day
With precious little time to kill

On Island top beside the sea
A lighthouse standing tall to greet
We climbed the rocks just you and me
While waves were crashing at our feet

But time was short, we could not stay
So back to ferry we did run
We'll come explore another day
O Newfoundland, we're far from done

It is hard to believe we are halfway through summer. July was a very busy month with the many community events and Stampede events that I was able to attend. I want to thank everyone who attended my constituency Stampede BBQ. It was so nice to see so many new and familiar faces; it was a great day filled with community fun!

Despite the afternoon downpour, Canada Day was fantastic, and I was lucky enough to celebrate it with the residents of Parkland and Lake Bonavista at each of their events. I also really enjoyed the Deer Run Pre-Stampede Breakfast! It was a fantastic event where I was lucky enough to talk with many constituents while I served pancakes.

I want to share some important information with everyone. The Canadian Bankers Association has launched a new Financial Abuse Prevention Hub to help protect older Canadians, including Albertans, from financial harm and strengthen their financial security. This centralized resource offers practical tools and guidance to help seniors recognize the signs of financial abuse, understand what it looks like, and know where to seek help. It also includes a Fraud Prevention Toolkit and access to Your Money Seniors, a free seminar program delivered by volunteer bankers in communities across Canada, which local seniors' groups can request online or by phone. The need for these resources is significant: nearly one in three Canadians knows someone who has experienced financial abuse, yet only about a quarter of incidents are reported.

The Hub includes practical tools such as guidance on identifying financial abuse and where to get help, a Fraud Prevention Toolkit, and access to the Your Money Seniors seminar program delivered by volunteer bankers across the country.

Seniors' groups can request a free seminar at cba.ca or by calling 1-800-263-0231. If you have questions about this program, please feel free to call my office.

I hope everyone is able to enjoy the last month of summer vacation with family and friends before the business of the new school year starts in September.
