Hello Neighbours!

We're already halfway through 2026! Springtime means a lot is going on within our beautiful and thriving city. Warmer weather means increased pedestrians, cyclists, and motorcyclists. Construction will be predominant within our communities, as well as workers beginning to fix potholes, trim trees, cut grass, and clean our streets. A reminder to be aware of your surroundings and share the road. Together we can make sure everyone returns home safely!

Stampede and summer festivities have already started within our beautiful communities. We want to send out a special thank you to our Community Associations and volunteers for taking the time to host these amazing events. Without our volunteers, events such as these would not be possible!

We are looking forward to continuing to work with our fellow residents. Stay tuned for our upcoming Ward 14 webpage and be sure to check in on my social media pages for updates at this time.
