As summer begins to wind down and a new school year approaches, I want to extend my very best wishes to all students, teachers, educational support staff, and families in our community. I hope everyone has enjoyed a safe, relaxing, and memorable summer break and is returning refreshed and ready for the opportunities that a new year will bring.

One of the highlights of my summer was spending time in beautiful Fish Creek Provincial Park. Whether walking the trails, enjoying the natural scenery, or simply taking a moment to appreciate one of Alberta's greatest treasures, it was a wonderful reminder of how fortunate we are to live in such a vibrant and connected community. I regularly meet residents in the park, and those conversations always reinforce the importance of listening to and learning from the people I am privileged to represent.

The Legislature will not resume sitting until October, which means I will be spending the coming weeks here in the constituency. I always welcome the opportunity to hear from residents about the issues that matter most to them. Whether you have concerns, ideas, questions about provincial programs, or simply want to share your perspective, my office and I would be pleased to connect with you.

Hello neighbours,

Summer is in full swing, and there's plenty happening across Ward 14. I'm pleased to share that street sweeping was completed on schedule throughout our communities, helping keep our roads clean and safe. As always, if you spot a pothole or another roadway/sidewalk issue, please report it to 311 so crews can address it as quickly as possible.

I'm also proud to share that my Supercharged Sidewalks Notice of Motion was successfully passed by Council. At its core, this initiative is about safety—making it easier and safer for residents to walk to schools, parks, transit stops, and local destinations. Even better, work is already underway. It's exciting to see momentum behind a practical solution that will improve connectivity and help make Calgary's communities safer for everyone.

In the months ahead, you'll see more engagement opportunities and information related to the Calgary Plan. This is one of the most important discussions shaping Calgary's future, and I want to hear directly from residents before key decisions come to Council. Your feedback helps me better understand the priorities, concerns, and opportunities you see in our communities, and ensures I can be a strong voice for Ward 14 when these decisions are made.
