PRESIDENT'S MESSAGE

Dear Legacy Community Members,

As we embrace the arrival of spring, now is a perfect time to look forward to the exciting events planned for the upcoming months!

Easter Egg-Stravaganza

One of our most anticipated events is the annual Easter Egg-Stravaganza, which brings together the community for a day of family-friendly fun! As always, the event will take place on the Saturday of the Easter weekend (Saturday, April 19, 2025), and we are eager to make it an enjoyable experience for everyone.

Egg-Stravaganza Volunteers Needed!

Planning for the Easter Egg-Stravaganza is already underway, and we are calling on our wonderful community members to lend a helping hand. We need volunteers to assist with various aspects of planning that make the event a success every year.

In addition to planning volunteers, we also need volunteers on the day of the event who can help set up, manage activities, and ensure everything runs smoothly.

To sign up as a volunteer, please visit our website or email us at info@calgarylegacy.ca.

Other Recruitment Positions

We are also currently recruiting for the following positions:

Grant Writer: We are seeking a grant writer to help us secure funding for our various community projects and initiatives.

Advisor for Sponsorships and Business Partnerships: This role involves building and maintaining relationships with local businesses and sponsors to support our events and programs.

Event Leads: We need enthusiastic individuals to take the lead on organizing and executing our community events. If you have a passion for event planning and community engagement, we would love to have you on board.

If you or someone you know is interested in any of these positions, please reach out to us at info@calgarylegacy.ca.

Thank you for your ongoing support and involvement. Together, we can make Legacy an even better place to live.

Thriving Together: The Power of Community Connections

by Chimaraoke Obinna Akuchie

Life can feel overwhelming at times, especially when we face uncertainty or change. But here's the beautiful thing: we're not meant to go it alone. Communities thrive when we come together, lean on each other, and create networks that lift everyone up. As someone who's worked closely with community associations like our Calgary Legacy Community Association (CLCA), I've seen the magic they bring to our neighbourhoods.

In Ward 14, we're lucky to have active community associations in most areas, though Wolf Willow and Walden are still growing theirs. These groups are so much more than event planners or facility managers. They're the heartbeat of our communities. Think about it: where else can you find a place to connect, get support, and access programs tailored to your needs? From outreach services and low-income support, these associations are lifelines for so many. They don't just offer practical help, they also create spaces where people can grow, belong, and thrive, and provide events that bring us together. I've seen it time and time again. A simple decision to attend a community event or volunteer can change someone's life. It might lead to a support system during tough times, or even a lifelong friendship. These moments remind us that we're stronger together.

So, here's my challenge to you: get involved. If you're in an area with an active community association, show up. Let's work together to build something amazing. Let's create neighbourhoods where no one feels left behind, where everyone has the tools and connections they need to succeed.

Because when we come together, we don't just build communities - we build homes.

Pets of Legacy

We know that the people who live in Legacy are amazing, but we can't forget about our furry friends! Each month, we show off our Legacy pets. If you have a beloved animal whether it's a fluffy kitty, a prickly porcupine, or scaly lizard, we want to meet them!

Meet Maggie and Daisy

Names: Maggie and Daisy

Breed: Cairn Terriers

Sisters Maggie (left) and Daisy (right) were born in Priddis area, from a fantastic lady who has bred Cairn Terriers forever!

Energetic and food motivated, Cairn Terriers are a great breed. They get along well with everyone (especially children). If you see us, don't be afraid to say hello since we are very approachable - in fact we kind of crave attention!

We don't need a clock since mealtime reminders are always very accurate with these two. Don't bother looking for us after 9:00 pm since that's our bedtime.

This is the same breed as Toto in the *Wizard of Oz*, although he was a dark Cairn.

Maggie and Daisy love Legacy!

Breakfast Quesadilla

by Jennifer Puri

Eggs are tasty, filling, and good for your health as a whole; eggs contain a little bit of every nutrient you need. Cheap and easy to prepare, they are an inexpensive source of high-quality lean protein.

Blue, green, brown, or white eggs may have different colours but there is no difference in taste or nutrition between them. An average hen lays 300 to 325 eggs per year. The colour of the yolk depends on the hen's diet and age, and typically as hens age, their eggs become larger.

An extremely versatile ingredient, eggs are not just for eating but are used to make beauty products such as face masks, compost, and garden fertilizer. In many cultures, the egg is a symbol of new life, fertility, and rebirth.

Eggs are also a breakfast/brunch mainstay, and scrambled, poached, baked, or fried are some of the ways to consume eggs. Quick and simple to cook, eggs can also be used in burritos or quesadillas as shown in the recipe for breakfast quesadillas below.

Prep Time: 20 minutes

Cook Time: 20 minutes

Servings: 2

Ingredients:

- 2 large tortillas
- 1 ½ tsp. olive oil
- 1 chorizo sausage, cooked and casing removed
- 3 eggs lightly beaten
- ¼ tsp. salt
- 1 tbsp. butter

- 1 cup shredded Mexican cheese
- 2 cups kale washed, stemmed, and coarsely chopped
- 1 cup sliced button mushrooms
- ¼ cup chopped green onion
- ½ cup chopped red bell pepper
- ½ jalapeno, seeds removed and chopped (optional)
- Cooking spray

Directions:

- Heat olive oil in a pan or nonstick skillet on medium heat. Add onions and sauté for about two minutes. Next add red peppers and mushrooms and sauté for another two minutes and then add kale, jalapeno pepper, and chorizo sausage. Cook until veggies are tender and then remove from heat and keep warm.
- In a skillet, melt butter on medium heat and pour in the egg mixture with a ¼ tsp. of salt. Cook eggs while stirring until they start to firm up then scramble until they are cooked through and remove from heat.
- Coat a large skillet or fry pan with cooking spray and heat on medium heat. Place a tortilla in the pan and sprinkle a ¼ cup of cheese on one half of the tortilla followed by half the veggie mixture and half the scrambled egg. Top with a ¼ cup of cheese and fold tortilla in half over filling. Cook for a few minutes until tortilla is golden brown, turning once.
- Transfer quesadilla to a cutting board and repeat the process with the second tortilla.
- Slice each quesadilla into two or three slices and serve with your favourite hot salsa, guacamole, or sour cream.

Dear Constituents,

Parliament is finally set to return on March 24 after Justin Trudeau prorogued it in early January. Over the past few months, the Liberals have undertaken the internal process of allowing a select few to elect a new leader and ultimately Prime Minister.

While our federal government has sat in limbo for the past three months, I've been attending local community events, meeting with constituents, and delivering remarks to various communities across the country on behalf of Pierre Poilievre.

As I spoke to residents, I heard loud and clear that they want a government which will truly address their needs. This includes:

- Axing the punishing carbon tax for good to lower the cost of food, home heating, and gas.
- Forcing municipalities to adopt common sense policies which will build more homes and ensure an affordable housing market that our children and grandchildren can enter.
- Removing harmful regulatory burdens like Bill C-69 on energy projects which discourage investment and growth in our nation's most powerful industry.
- Taking real action to balance the budget and pay off our national debt.
- Addressing soft on crime policies which have led to a 39% increase in violent crime across Canada since 2015.

As Parliament resumes, I will continue to advocate for our city and province in the House of Commons and bring your concerns to the seat of power.

I encourage you to follow me on social media to stay up to date on my work - @StephanieKusie on X and Instagram, /StephanieKusiePolitician on Facebook, @StephanieKusieMP on YouTube.

It remains the honour of my life to serve the people of Calgary Midnapore in Parliament.

Sincerely,

Stephanie Kusie

Greetings Ward 14!

Just like property assessment notices, spring-related topics are usually a multi-month thing. We will get warmer weather, the snow will melt, we will get more snow. Then it will happen all over again. So, after I have mentioned the Assessment Customer Review Period for the third and final time this year, I will move on to the first round of City-related topics to help you out as the weather warms and the roads clear. I will also mention the Youth Hiring Fair.

Feel free to contact me any time, and don't forget to visit calgary.ca/ward14 for the full version of this column. The best way to contact me is by visiting calgary.ca/contactward14 or calling 403-268-1653.

Sincerely,

Councillor Peter Demong
