Exploring a Walking School Bus Program in Mahogany

As our community continues to grow, many families have noticed the increasing traffic congestion around our local schools during drop-off and pick-up times. Finding ways to improve safety, reduce traffic, and encourage active lifestyles for our children is something we can work on together.

One idea worth exploring is a Walking School Bus program. A Walking School Bus is a group of children who walk to and from school together under the supervision of parent or caregiver volunteers. Similar to a traditional school bus, the group follows a planned route with designated “stops” where children can join along the way. These programs have been successful in many communities by promoting physical activity, building neighbourhood connections, and helping reduce vehicle traffic around schools.

Before moving forward, we would like to gauge community interest and form a small committee of parents and caregivers to explore options, identify challenges, and develop ideas that could support safer and more efficient school transportation in Mahogany.

If you are interested in joining a committee or learning more about a potential Walking School Bus program, please email our Director of Civic Engagement, Khushboo, at Khushboo.Shah-Shrivastava@mahoganycommunity.ca. Your input and involvement can help shape solutions that benefit families throughout our community.

- Landmark

Whether you're looking to save on dining, fitness, services, or family fun, there's something for everyone. Supporting our local partners and trusted larger partners while enjoying member-only benefits is a win-win for our community!

Not a member yet? Join today and start saving!

MESSAGE FROM THE BOARD

Hello Mahogany,

The sun is shining in Calgary's favourite community! The plus side of all that rain was Mahogany now looks green and colourful. We, your MCA, are excited to have some fun initiatives to highlight throughout the summer. Our Community Cleanup was on July 12 and was a huge success, our guided walks through the wetlands with Ken are happening throughout the summer so watch out for those, our super fun private screening of Toy Story 5 was on July 18, and our Summer Sapling Shindig event is coming up on August 22! It's going to be an epic party! So many fun opportunities to come together as a community! We would love for you all to reach out and volunteer on one of our committees and we would love to see you all at these fun events! Summer in Mahogany is beautiful! Let's continue to enjoy all the lovely amenities and neighbourhood spirit our vibrant community has to offer.

The Board of Directors

Mahogany Community Association

Summer Sapling Shindig

Saturday, August 22, from 12:30 to 3:00 pm

We're planting another forest, but this time we're making it a party!

Mahogany, come out to our Summer Sapling Shindig and grab some lunch from local food trucks and then have some fun with face painting, henna art, rock painting, balloon artist, street performers, live music, the sensory bus, and more! Then at 2:00 pm, help us plant 200 trees for a new forest in our wetlands. Location is the far east side of Mahogany Boulevard near and across from Masters Crescent.

What is the MCA?

Community Associations are volunteer-led, non-profit organizations that represent specific communities in the city of Calgary. At the Mahogany Community Association (MCA), we believe a strong community is built on inclusion, shared experiences, and the simple feeling that you belong here. Whether you are new to the neighbourhood or have been here for years, we are here to help you meet your neighbours, get involved, and feel at home. Our mission is to create a connected, inclusive, and vibrant Mahogany by bringing people together through meaningful events and programs, celebrating the diverse cultures that make our community unique, speaking up for residential interests, and improving quality of life through thoughtful partnerships and well-used public spaces. We imagine a Mahogany where every voice is heard, every contribution matters, and every resident feels proud to call this place home. We are committed to caring for our environment, supporting resident well-being, and working together so that Mahogany stays one of Calgary's more welcoming and lively communities. Our board consists of a president, vice-president, secretary, treasurer, and six directors who oversee volunteering, collaboration, member benefits, environmental stewardship, communication, and civic engagement. Our focus this year is on growth, engagement, and differentiation, with growing committees in various areas building on the momentum we have created. Through quality engagement, visibility, trust building and responsiveness. We are focused on making Mahogany one of the greatest communities in Calgary. (With member benefits to be proud of).

E-Bikes, E-Scooters, and Community Safety

In Calgary, legal e-bikes have rules around speed, equipment, and where they can be used, while high-speed electric dirt bikes are not permitted on sidewalks, pathways, parks, or bike lanes. Pathways have a 20 km/h speed limit, helmets are required for all e-bike riders, and sidewalk riding is not permitted. Riders who ignore these rules can face fines, and in some cases, enforcement can also apply when reckless riding creates unsafe conditions for others.

Shared spaces only work when everyone follows the rules and looks out for one another. If you see unsafe or illegal riding, please report it so concerns can be tracked and addressed.

Below you will find a poster created by the Evanston Creekside Community Association that shares this information, so residents can easily save and share it with others.

E-Bikes, E-Scooters & Community Safety

What to Know

Not all electric bikes are the same. In Calgary, legal e-bikes are limited to 32 km/h and must have pedals. High-speed electric dirt bikes are not permitted on sidewalks, pathways, parks, or bike lanes.

Pathways have a 20 km/h speed limit

Helmets are required for all e-bike riders

Sidewalk riding is not permitted

Reckless riding can be enforced

Riders operating high-speed electric dirt bikes can face hundreds of dollars in City fines for pathway use, and thousands of dollars in provincial fines if stopped on a road without insurance or registration.

Location	Applicable Law	Potential Penalties
Pathways / Parks	Parks & Pathways Bylaw	\$100-\$400 typical; up to \$1,500
Sidewalks	Traffic Bylaw	~\$100+
Roadways	Traffic Safety Act (ATF)	\$2,875+ for no insurance plus other charges

Looking To Get Involved?

The Mahogany Community Association (MCA) is looking for residents who want to make a difference and help ensure the voices of their neighbours are heard.

To better represent all areas of our growing community, we have divided Mahogany into zones (see map above) and are looking for one to two volunteers from each zone to join a new community committee.

As a committee member, you'll help bring forward local perspectives and discuss topics that matter to residents, including:

- Traffic and transportation concerns
- Parking issues
- Community events and activities
- Neighbourhood improvements
- Other ideas and opportunities that help make Mahogany an even better place to live

This is a great opportunity to connect with your neighbours, stay informed about community initiatives, and play an active role in shaping the future of Mahogany.

Whether you've lived here for years or are new to the neighbourhood, your input and experience are valuable. By having representation from each zone, we can ensure that concerns, ideas, and opportunities from across the community are heard and considered.

Interested in representing your area? We'd love to hear from you!

Together, we can continue building a connected, welcoming, and vibrant community for everyone who calls Mahogany home.

The Bird Blurp

The common House Finch can be seen everywhere throughout Mahogany. These tiny birds are anything but common,

however, with their striking red colouring. Their other beautiful family members are the Goldfinches which are a bit harder to find but still flying around in our community. The purple finch (seen in the picture below) is a rare species for our area but let's see if we can spot one this summer.

Fun fact: Male House Finches are red, while the females are brown. Their beautiful song is long and jumbled composed of short notes. They can drink up to 40% of their body weight on a hot summer day, so they are drawn to bird baths and running water.

Fun fact: Goldfinches completely molt their feathers twice a year. They are bright yellow in the summer, brown in the fall, grey in the winter, and bright orange in the spring.

Meet One of Your MCA Board Members!

Meet your MCA Director of Collaboration, Melissa Parcels

Melissa has been part of the Mahogany community since 2014. With experience serving on both professional and community boards, she brings a strong background in leadership and service. A published author and former nominee for the "40 Under 40" and "Alberta Women's Entrepreneur" awards, she has also volunteered as a mentor with the non-profit Futurpreneur since 2014 and was recently nominated for the 2026 Mentor Award. After 26 years in the dental profession as a practice owner, Melissa currently serves as Director of Calgary College of Dental Health, a private dental vocational college. She is excited to begin her new role as Director of Collaboration and looks forward to serving the Mahogany community and its residents.
