The McKenzie Lake Residents Association is a non-profit organization geared towards providing a wide array of recreational services, programs and facilities for our members and their guests. We serve 3,200 residents and over 11,000 members and their families. In addition to the lake, members have access to tennis courts, basketball courts, a beach volleyball area, a toboggan hill and other recreational activities.

McKenzie Lake is a 43-acre lake combined with an 18-acre park for a total of 61 acres. The Association provides its members with access to equipment such as rowboats, canoes, kayaks, and pedal boats. To ensure a safe and fun environment, we provide life jackets for boating purposes. The lake is stocked with rainbow trout in May, June, and September of each year. In the winter time the Association provides a variety of skating surfaces including illuminated hockey rinks, an ice skating pad with a fire pit, and a 2.5 kilometre skating path around the lake. Skating areas are machine groomed with our own zamboni.

The Beach Club facility also has a function hall available to rent exclusively for the members.

The activities of the Association are determined and governed by an elected board of Directors comprising at least three (3) and no more than fifteen (15) members, that is, residents of the McKenzie Lake Residents Association. The Board of Directors have hired a General Manager who has been assigned responsibility for managing the day-to-day operations of the Association including the operations at the lake complex.

Facility Status

Please visit our website at www.mlra.ca for all information regarding the park status. Changes can come into effect at any time so please visit the website prior to coming to the facility.

Grants from the Alberta Government

On behalf of the members of the McKenzie Lake Residents Association, the Board of Directors extends a big thank you to the Alberta Government for their generous donations through the Alberta Lottery Fund to help fund renovations completed to the interior and exterior of the buildings over the last couple years. Thank you, Alberta!

The most recent grant we received was to help fund a large project that will completely change the park. The concrete pad and surrounding area have been upgraded substantially and now include a basketball/bounce court, a deck with a trellis feature and fire pit, new seating areas, upgraded paving stone pathways, artistic letters for play, new trees and shrubs, and an ice trail that will be a skating loop in the winter. We hope you enjoy!

Annual Membership Fees

2025 MLRA fees are due on April 1, 2025. You will receive an email notification with your invoice details, including payment options. If you don't see it in your inbox, please check your junk or spam folder. Please note, this email will only be sent to the primary account holder, so be sure to check with all title holders of the property.

This year, you will notice a change in your fee amount. In June 2024, a Special Meeting of the Members was held, where members voted in favour of a fee increase. The Board of Directors presented a financial report and recommended the adjustment to support the association's ongoing operations and future initiatives.

For more information on the Special Meeting, including agenda items and minutes, please visit our website at mlra.ca under the 'Residents Info' tab.

Members with outstanding fees are not permitted to use the facility and will be denied access.

Please remember MLRA fees are mandatory.

You can view your invoice(s) by logging into your account at mlra.perfectmid.com. Use the email we have on file for you.

If you are having trouble accessing your account, do not sign up for a new account. Contact the office at office@mlra.ca for assistance.

Additional information and payment instructions can be found online at mlra.ca.

MLRA Boundaries

These areas include – Mt Allan, Mt Douglas, Mt Apex, Mt Aberdeen, and some homes on Mt McKenzie Drive. We do apologize but these areas are not entitled to MLRA membership. The Association boundary lines are determined by the registered Articles of Association, which is a document that specifies the regulations for a company's operation. The MLRA Board cannot arbitrarily alter the boundary line.
