The McKenzie Lake Residents Association is a non-profit organization geared towards providing a wide array of recreational services, programs and facilities for our members and their guests. We serve 3,200 residents and over 11,000 members and their families. In addition to the lake, members have access to tennis courts, basketball courts, a beach volleyball area, a toboggan hill and other recreational activities.

McKenzie Lake is a 43-acre lake combined with an 18-acre park for a total of 61 acres. The Association provides its members with access to equipment such as rowboats, canoes, kayaks, and pedal boats. To ensure a safe and fun environment, we provide life jackets for boating purposes. The lake is stocked with rainbow trout in May, June, and September of each year. In the winter time the Association provides a variety of skating surfaces including illuminated hockey rinks, an ice skating pad with a fire pit, and a 2.5 kilometre skating path around the lake. Skating areas are machine groomed with our own zamboni.

The Beach Club facility also has a function hall available to rent exclusively for the members.

The activities of the Association are determined and governed by an elected board of Directors comprising at least three (3) and no more than fifteen (15) members, that is, residents of the McKenzie Lake Residents Association. The Board of Directors have hired a General Manager who has been assigned responsibility for managing the day-to-day operations of the Association including the operations at the lake complex.

Board of Directors, McKenzie Lake Residents Association

MLRA NEWS FROM THE LAKE

Facility Status

Please visit our website at www.mlra.ca for all information regarding the park status. Changes can come into effect at any time so please visit the website prior to coming to the facility.

Grants from the Alberta Government

On behalf of the members of the McKenzie Lake Residents Association, the Board of Directors extends a big thank you to the Alberta Government for their generous donations through the Alberta Lottery Fund to help fund renovations completed to the interior and exterior of the buildings over the last couple years. Thank you, Alberta!

The most recent grant we received supported improvements to our beach transition area. We replaced the original lumber—installed when the park was first developed—with large, precast paving stones. These stones offer significantly enhanced durability, functionality, and visual appeal. In addition, we improved accessibility by installing a new ramp leading down to the beach and introducing an accessible roll-out beach mat that extends to the water's edge. We hope you enjoy it!

Annual Membership Fees

Members with outstanding fees are not permitted to use the facility and will be denied access.

Please remember MLRA fees are mandatory.

You can view your invoice(s) by logging into your account at mlra.perfectmind.com. Use the email we have on file for you.

If you are having trouble accessing your account, do not sign up for a new account. Contact the office at office@mlra.ca for assistance.

Additional information and payment instructions can be found online at mlra.ca.

MLRA Boundaries

We understand there are homes in McKenzie Lake that receive this news publication but are not entitled to MLRA membership. These areas include—Mt Allan, Mt Douglas, Mt Apex, Mt Aberdeen, and some homes on Mt McKenzie Drive. We do apologize but these areas are not entitled to MLRA membership. The Association boundary lines are determined by the registered Articles of Association, which is a document that specifies the

regulations for a company's operation. The MLRA Board cannot arbitrarily alter the boundary line.

Programs

We offer affordable youth and adult programs all year round. Visit our website at www.mlra.ca for a full list of programs. You can also contact office@mlra.ca with any questions or concerns. Programs fill up quickly so register today!

Beach Club Rentals

The Beach Club is open and available to our members for rent. Contact the office today for additional information at office@mlra.ca. Bookings must be made with the main office.

Volunteer Committee

We are currently recruiting members to fill positions on our volunteer committee. Volunteers will primarily be responsible to help with special events. Our goal is to offer more fun activities and special events throughout the year, and we need volunteers to make it happen! The Committee will be responsible for all fundraising and organizing of the events. If you would like to see more events and activities offered and are willing to donate your time, then please contact us today at office@mlra.ca.

Up-to-Date Information

For the most up-to-date information regarding MLRA related issues, please visit our website at www.mlra.ca.

SKIING SISTERS

At the Sochi Winter Olympics on February 8, 2014, Canadian sisters Justine and Chloé Dufour-Lapointe claimed gold and silver medals in the women's moguls freestyle skiing event. They stood together on the podium, marking the first time Canadian sisters had shared an Olympic podium at a Winter Games. What a special sister bond!

February Is Heart Month

by Alberta Health Services

Do you know the signs and symptoms of a heart attack and what to do if someone experiences these? Knowing may make the difference between life and death. Recognizing and responding immediately to the warning signs of a potential heart attack may significantly improve survival and recovery. February is Heart Month: take the time to be heart safe and learn how you can reduce your risk.

Common Signs of a Heart Attack

(Any, or all, of these signs and symptoms may occur)

- Chest discomfort described as simply a mild pressure up to a 'crushing' pain; may also be 'squeezing' or a 'heavy' sensation.
- Discomfort may move to the shoulders, arm, neck, or jaw.
- May include shortness of breath, sweating, or nausea/vomiting.
- Signs may vary person to person and can differ between men, women, and the elderly.

Heart Attack Risk Factors

- Obesity*
- Sedentary lifestyle*
- Smoking*

- High cholesterol*
- Age/Gender
- Family history

Speak with your doctor about how to treat your modifiable (*) risk factors and learn to be heart safe.

What To Do When Seconds Count

- Call 9-1-1, immediately. Early treatment can greatly reduce heart damage and be the difference between life and death.
- Treatment starts the moment EMS arrives. Paramedics can provide oxygen, start an intravenous, and perform an electrocardiogram (ECG).
- Paramedics can also administer important medication(s) in the early minutes of a heart attack to lessen heart damage.
- During transport, EMS will share information with the hospital so that definitive treatment can begin immediately upon arrival.
- Take a CPR/AED course. Training is widely available from many reputable organizations. It's easy and could make a significant difference in the outcome of someone experiencing a heart attack.
