The McKenzie Lake Residents Association is a non-profit organization geared towards providing a wide array of recreational services, programs, and facilities for our members and their guests. We serve 3,200 residents and over 11,000 members and their families. In addition to the lake, members have access to tennis courts, basketball courts, a beach volleyball area, a toboggan hill, and other recreational activities.

McKenzie Lake is a 43-acre lake combined with an 18-acre park for a total of 61 acres. The Association provides its members with access to equipment such as rowboats, canoes, kayaks, and pedal boats. To ensure a safe and fun environment, we provide life jackets for boating purposes. The lake is stocked with rainbow trout in May, June, and September of each year. In the winter time the Association provides a variety of skating surfaces including illuminated hockey rinks, an ice skating pad with a fire pit, and a 2.5 kilometre skating path around the lake. Skating areas are machine groomed with our own zamboni.

The Beach Club facility also has a function hall available to rent exclusively for the members.

The activities of the Association are determined and governed by an elected board of Directors comprising at least three (3) and no more than fifteen (15) members, that is, residents of the McKenzie Lake Residents Association. The Board of Directors have hired a General Manager who has been assigned responsibility for managing the day-to-day operations of the Association including the operations at the lake complex.

Facility Status

Please visit our website at www.mlra.ca for all information regarding the park status. Changes can come into effect at any time so please visit the website prior to coming to the facility.

Grants from the Alberta Government

On behalf of the members of the McKenzie Lake Residents Association, the Board of Directors extends a big thank you to the Alberta Government for their generous donations through the Alberta Lottery Fund to help fund renovations completed to the interior and exterior of the buildings over the last couple years. Thank you, Alberta!

The most recent grant we received supported improvements to our beach transition area. We replaced the original lumber—installed when the park was first developed—with large, precast paving stones. These stones offer significantly enhanced durability, functionality, and visual appeal. In addition, we improved accessibility by installing a new ramp leading down to the beach and introducing an accessible roll-out beach mat that extends to the water's edge. We hope you enjoy it!

Annual Membership Fees

2026 membership fee invoices were sent by email during the first week of March and were due April 1, 2026. If you do not see the email in your inbox, please check your spam or junk folder. If you have not received your invoice, contact us at office@mlra.ca.

You can also visit www.mlra.ca and click the "Pay Your Fees" button. This page provides general information about fee payments, along with links to the member portal where you can view your invoice and submit payment.

Membership fees for the McKenzie Lake Residents Association are a mandatory annual charge tied to property ownership within the community. These fees are not based on individual use of the park or amenities. Instead, they fund the ongoing operation, staffing, maintenance, insurance, utilities, and long-term care of shared community assets including the lake, park, buildings, and infrastructure.

In addition to day-to-day operations, a portion of membership fees are set aside into reserves for future

repairs and replacements. This proactive approach helps avoid sudden fee increases or special assessments when major work is required.

Members with outstanding fees are not permitted to use the facility and will be denied access.

MLRA Boundaries

We understand there are homes in McKenzie Lake that receive this news publication but are not entitled to MLRA membership. These areas include—Mt Allan, Mt Douglas, Mt Apex, Mt Aberdeen, and some homes on Mt McKenzie Drive. We do apologize but these areas are not entitled to MLRA membership. The Association boundary lines are determined by the registered Articles of Association, which is a document that specifies the regulations for a company's operation. The MLRA Board cannot arbitrarily alter the boundary line.

Programs

We offer affordable youth and adult programs all year round. Visit our website at www.mlra.ca for a full list of programs. You can also contact office@mlra.ca with any questions or concerns. Programs fill up quickly so register today!

Beach Club Rentals

The Beach Club is open and available to our members for rent. Contact the office today for additional information at office@mlra.ca. Bookings must be made with the main office.

Volunteer Committee

We are currently recruiting members to fill positions on our volunteer committee. Volunteers will primarily be responsible to help with special events. Our goal is to offer more fun activities and special events throughout the year, and we need volunteers to make it happen! The Committee will be responsible for all fundraising and organizing of the events. If you would like to see more events and activities offered and are willing to donate your time, then please contact us today at office@mlra.ca.

Hello Neighbours!

We're already halfway through 2026! Springtime means a lot is going on within our beautiful and thriving city. Warmer weather means increased pedestrians, cyclists, and motorcyclists. Construction will be predominant within our communities, as well as workers beginning to fix potholes, trim trees, cut grass, and clean our streets. A reminder to be aware of your surroundings and share the road. Together we can make sure everyone returns home safely!

Stampede and summer festivities have already started within our beautiful communities. We want to send out a special thank you to our Community Associations and volunteers for taking the time to host these amazing events. Without our volunteers, events such as these would not be possible!

We are looking forward to continuing to work with our fellow residents. Stay tuned for our upcoming Ward 14 webpage and be sure to check in on my social media pages for updates at this time.
