Protect Your Household Water Lines and Meter from Freezing

by The City of Calgary

Every winter, some Calgarians will experience frozen water pipes, service lines, and water meters, resulting in a water outage. The City's Frozen Pipes Prevention Program works proactively with homes considered at higher risk due to factors such as location, depth and configuration of water pipes, and a history of freezing.

Recently we have noticed an increase in frozen pipes in homes that are typically at a lower risk, where taking some of the steps below could have prevented household pipes from freezing. Ways to avoid freezing include:

- Keep your thermostat at a minimum of 15°C, even if you're away from home.
- Eliminate any cold drafts in unheated areas where water supply lines are located. This can include basements, crawl spaces, attics, garages, and under bathroom and kitchen cabinets.
- Repair broken windows, check doors, and insulate areas that allow cold exterior air to enter.
- Insulate your hot and cold-water pipes located in cold areas.
- Open interior doors and cabinets in cold areas to allow heat from the house to warm unprotected pipes.
- Turn off, disconnect, and drain the water line to outside faucets, garden hoses, pools, or decorative water features.
- If your hot water tank is in a maintenance room outside of your home, make sure the area is adequately heated.
- Regularly run water in your pipes through everyday use.

Visit calgary.ca/frozenpipes to learn more, including actions you can take if you suspect you have frozen pipes.

Monthly Property Tax Payments Save You Time and Money

by The City of Calgary

Tax Instalment Payment Plan (TIPP) is the most popular way to pay property tax in Calgary. Here's why:

- You pay the same amount as your tax bill, but in smaller, easier to manage monthly payments.
- Automatic monthly payments come out on the first day of each month, helping you avoid late payment penalties.
- No extra fees and no need to re-enroll each year. TIPP continues until you cancel.

It's easier than ever to join TIPP. Our online process streamlines registration and confirms your enrolment, allowing you to join fast and easily from the comfort of your home. All you need is your property's roll number and your banking details.

You can enroll anytime during the year, and we'll adjust your payments to ensure your tax bill is fully paid by year's end. If you join for January 1, your tax payments will be spread over 12 months, if you join for February 1, your payments will be spread over 11 months, and so on.

Your 2026 property tax bill will be mailed out in May. To avoid late payment penalties, you must join TIPP or pay the total amount of your 2026 property tax bill before the payment deadline of June 30, 2026.

Join TIPP today at calgary.ca/TIPP to get started and enjoy easier budgeting for the years ahead!
