Explore Calgary Parks This Winter

by the City of Calgary

Winter makes it possible to enjoy Calgary parks in a different way than during any other season. Many cold-weather park activities are also free with minimal equipment needed. Only in winter can you skate on outdoor rinks, marvel at beautifully lit ice trails, play Crokicurl, and ride an ice bike in our parks. Plan an afternoon at your local community park snowshoeing or cross-country skiing. For easier skiing, visit a park or golf course that has groomed cross-country trails.

Take a walk through a park on a sunny winter day. You are sure to see birds and other wildlife. You can also pre-book an outdoor firepit at a park and have a winter picnic with friends.

For more ideas about how to stay active during cooler temperatures at city parks, visit <https://www.calgary.ca/events/winter-city/activities.html>.

Property Assessment: Go Paperless Contest – More Prizes, Less Clutter

by the City of Calgary

Make the change to receive a paperless assessment notice (eNotice) then enter for a chance to win one of four Visa gift cards valued at \$250 each.

After you sign-up for eNotice, you'll receive an email with the contest entry link. Complete the form and you're entered. The contest is open to new and existing eNotice subscribers.

No purchase necessary. Contest begins January 3, 2024, and ends March 31, 2024. There are four prizes, each consisting of a \$250 Visa gift card. Odds of winning a prize depend on the number of eligible entries received during the contest period. To win, a potential winner must correctly answer a skill-testing question and sign a declaration and release form. The contest is open to Alberta residents over the age of majority and subject to the full contest rules available online at calgary.ca/gopaperless.

That's a Lot of Snow

Scotland has an impressive linguistic flair for describing snow—with a whopping 421 distinct words and expressions! Among them, you'll find gems like “snaw,” “sneel,” and “skelf,” officially documented as part of the Scottish lexicon for capturing the nuanced beauty of snow in its various forms. It's a linguistic snowscape that paints a vivid picture of Scotland's intimate relationship with the winter wonderland.

Underground Utility Relocation is On Track as We Make Way for the Green Line

by the City of Calgary

If you've been in the downtown or Beltline area of Calgary, you may have noticed the Early Works construction being carried out by Green Line. The Beltline Downtown Utility Relocation Project (BDURP) is an ongoing construction program expected to be completed in 2024. Its purpose is to relocate underground, street-level, and overhead utilities, which is an essential step towards building the Green Line tunnel and stations in the downtown and Beltline.

The utility lines that run underneath the streets of downtown Calgary, such as water, natural gas, and electricity, are being moved to new locations, away from the future Green Line tunnel. The BDURP Early Works construction is a significant investment in infrastructure renewal and new relocated utilities will be built to accommodate the expected increase in population in the area in the future. This will contribute to the growth of Calgary's future development.

To date, the Green Line Beltline work is 80 percent complete for deep and 63 percent complete for shallow, while the downtown work is 54 percent complete. This progress is significant, completing this work now will help make the construction of the Green Line more time and cost efficient.

Learn more about BDURP construction at <https://www.calgary.ca/green-line/green-line-construction/green-line-featured-construction-project.html>.
