Support Victoria Fortuna and Her Family After a Tragic Highway Accident

In the early evening of February 8, 2026, the Fortuna family's life was forever altered by a devastating and senseless accident.

Victoria (21) and her father, Paul (53), were the innocent victims of a tragic vehicle accident that occurred in Edmonton. Sadly, her father succumbed to his injuries at the scene, and Victoria has been left with life-threatening and life-altering injuries. She is currently fighting for her life and receiving critical medical care at the University Hospital in Edmonton.

FRIENDS *of* Fish Creek

The Listen Garden at Bow Valley Ranch

This summer, the Listen Garden is taking shape.

Located in the heart of Fish Creek Provincial Park, the Listen Garden is a collaboration between the past and the future; the land and the people; Indigenous and newcomer communities. The garden will be one in which native plants, Indigenous knowledge, and (re)conciliation all flourish. Visit the Listen Garden page on the Bow Valley Ranch Historical Society's website.

Our team of staff and dedicated volunteers have been hard at work prepping the site, from harvesting and processing native plant seeds to spraying the site to remove invasive species and distributing an impressive seven truckloads of sand. This summer, we're seeding and planting native species representative of the plant communities chosen for this space. We're looking forward to seeing this special spot alive with life by the end of summer 2026! Check out these photos from the Listen Garden this spring.

Love native plants and Fish Creek Provincial Park? Our programs will help you connect with nature in the park, from volunteering with grasslands restoration and engaging with the public to our new kids' summer day camp and beyond. Visit our website at www.friendsoffishcreek.org or follow us on Instagram or Facebook at @fishcreekpp to learn more about summer day camp and all our exciting programs.
