Key Highlights

Construction of the Seton Homeowners Association Facility Commences

Construction is set to begin on the facility and park. Spanning approximately 14,000 square feet and nestled on a strategically placed six-acre site, the facility promises to be a hub for resident interaction, recreation, and relaxation. From versatile multiuse rooms to outdoor amenities like a splash park, skating area, and playground, the facility and park aim to cater to diverse interests and ages within the community.

About the SHOA

The Seton Homeowners Association (SHOA) is professionally operated to oversee the operations, care, and maintenance of community assets. These include entry features, amenities, and the highly anticipated Seton HOA facility.

Board of Directors

At the helm of the SHOA stands a dedicated Board of Directors, currently comprising seven members from the community and three representatives of Brookfield Residential, the developer of the Seton neighbourhood. This collaborative board structure ensures that residents have a strong voice, community interests are upheld, and policies are implemented for the collective benefit.

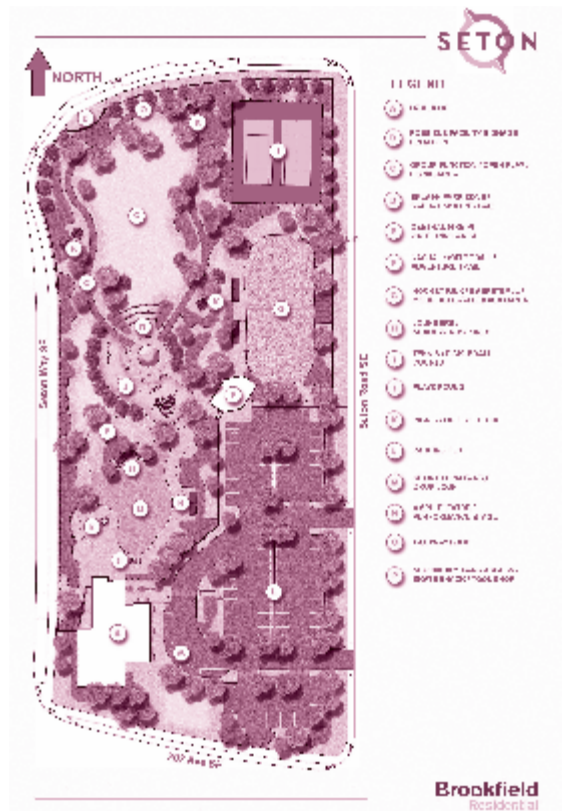

Community Facility and Recreational Programming

The SHOA is planning a range of lifestyle and recreational programs, events, and drop-in activities to be offered when the HOA opens. Residents will have the opportunity to participate in these activities and even rent spaces and packages for their private events at member exclusive rates.

Looking Ahead

As Seton and Seton Ridge communities continue to flourish, SHOA remains committed to its mission of enhancing quality of life, fostering connections, and supporting the evolving needs of its residents. With the support of Brookfield Residential, SHOA is poised to navigate initial operational challenges and thrive as a cornerstone of community cohesion and enrichment.

For further information and updates, visit the SHOA website at www.seton-connect.com or contact info@setonhoa.ca.

Summer Fresh Strawberry and Avocado Salad

by Jennifer Puri

Avocado is a large berry with a single seed and has much more fat than other fruit. Grown mostly in Central America and Mexico avocado trees can live up to 400 years.

Avocados have yellow or green flesh, a nutty flavour and are very popular in vegetarian cuisine. They are considered “heart-friendly” as their fat is monounsaturated plus they are gluten and cholesterol free and contain vitamins B, E, K, omega three fats, and potassium.

Loaded with fibre, avocados can be added to smoothies, used as a substitute for meat in salads and sandwiches, and as a spread on tortillas or sushi.

The flesh of avocados can be prevented from browning by adding lime or lemon juice. Avocado slices can be added to hamburgers, soups or served with fresh strawberries and spinach leaves as shown in this recipe for Summer Fresh Strawberry and Avocado Salad.

Prep Time: 15 minutes

Servings: 3 to 4

Ingredients:

- 150 gm fresh spinach leaves
- 500 gm fresh strawberries cut in halves
- 2 avocados
- ½ small red onion, finely sliced
- ½ cup shredded almonds
- ½ cup olive oil
- 1 tbsp. grainy Dijon mustard
- 2 tbsps. maple syrup
- 1 tbsp. lemon juice
- ½ tsp. salt
- ¼ tsp. coarsely ground black pepper

- Place the washed spinach, strawberries, and sliced onion in a large bowl. Peel the avocados, remove the seeds, slice, and add to the salad mixture. Drizzle with the prepared dressing and gently toss until all the ingredients are combined. Garnish with shaved almonds and serve.
