The Willow Ridge Community Association (WRCA) Vision

To be an integrated community connecting partners, family, neighbours, and nature.

The WRCA Mission

To foster an integrated community by providing meaningful and inclusive programs and experiences, safe gathering spaces, and advocacy for the needs and interests of our residents.

GET WRCA NEWS IN YOUR INBOX – With your membership, receive e-newsletters to share up-to-the minute news and events. We think you'll find the information valuable, but you can unsubscribe at any time.

SOCIAL MEDIA

	@willowridgecommunity
	@mywillowridge

WRCA website
mywillowridge.ca

The My Willowridge.ca is the official newsletter of the Willow Ridge Community Association and is distributed monthly for free to all residents of Willow Ridge (approximately 3,050 households).

Monthly Board of Directors Meetings are normally held on the third Wednesday of each month, but please check with the office as these meeting dates may change. They commence at 7:00 pm in our WRCA Boardroom. If you would like to make a brief presentation to the WRCA Board, please notify the WRCA office at least three (3) days prior to the meeting date and state the topic you wish to address.

PRESIDENT'S MESSAGE

When you think about our community association, you might think about our ice rinks, tennis courts, gardens, soccer fields, events, and the programs and services found in our building. All of these things are important parts of our community association, but our CA also plays an important role in community advocacy and engagement.

Over the past year, you've probably noticed new cellphone towers, more traffic issues, and more development issues, all of which our CA has been actively involved in. Our community association has a unique ability to engage directly with the City of Calgary to discuss these matters and provide advocacy on behalf of our residents. The community association has several key ways to advocate on your behalf.

First, at our monthly board meetings, we have representation from our City Councillor, City Services, and the Calgary Police, which gives us an opportunity to bring issues and matters directly to key representatives from the City, which we then follow up on during future board meetings.

Secondly, we have the ability to collect feedback from our community to provide letters of opinion to the City, which can carry more weight than a letter from an individual alone, such as our recently submitted letter of recommendation on cellphone tower siting processes.

Third, we can partner with the City to enrich our neighbourhood, such as our recent partnership with the City of Calgary to install community benches. If you are interested in helping advocate on behalf of our community, or if you don't feel like you are being heard on important civic topics, our community association is here to help.

Jason Carling

President, Willow Ridge Community Association

TAKE ON WELLNESS

Load up on Legumes for Lunch

from Alberta Health Services

Have you thought of packing legumes in your lunch?

Legumes are plant-based proteins. Some of the most common legumes include chickpeas, kidney beans, black beans, black-eyed peas, cannellini beans, split peas, and mung beans.

Canada's Food Guide recommends eating plant-based protein. Legumes are a good example because they are easy to find and easy to pack, and they often cost less than meat, too.

In addition to being a source of protein, legumes are rich in vitamins and minerals such as folate, zinc, calcium, potassium, iron, and magnesium.

They are also high in fibre. They contain two types of fibre: soluble and insoluble. Both are important for our bodies to function.

If you are buying canned legumes, rinse them well under cold running water to remove extra salt. Canned legumes are already cooked so you can add them directly to your favourite dishes after rinsing.

Meal Ideas:

- Turn a side salad into a meal by adding canned beans.
- Use black beans as a topper on your chicken pizza.
- Add beans or lentils to a meat sauce.
- Try a white bean dip or hummus with raw vegetables.
- Switch from hamburgers to plant-based burgers by substituting cooked lentils for ground beef.

Or try making a chickpea salad:

1. Chop cucumbers, tomatoes, and carrots. Add them to rinsed, drained canned chickpeas.
2. Toss with a dressing made of vegetable oil, vinegar, or lemon juice.
3. Add a pinch of pepper to taste.

Legumes are a flavourful and low-cost food that give a good boost of nutrition. Consider adding some to your meal the next time you're in the kitchen.

Rent Our Space!

The Willow Ridge Community Association can accommodate a wide range of guests for activities or functions like wedding receptions, birthday parties, baby showers, workshops/seminars, art shows, fitness classes, and more!

Located outside are two private parking lots, crockicurl (in the winter), newly refinished pickleball/tennis courts, a lacrosse box/hockey rink, a baseball diamond, community gardens, and a large green space which we use for our WRCA Soccer League in the summer and a pleasure skating rink in the winter.

Our Newly Renovated, Air-Conditioned Building Has the Following Spaces Available for Rent!

- **The Willow** – 1,924 sq ft North Hall (135 dining/200 seated) with large windows, built in audio/speakers, vaulted ceilings, wood sprung floor. Perfect for high-impact activities!
- **The Maple** – 1,200 sq ft South Hall (60 dining/135 seated) with large windows, separate sink/washing area, additional storage, vaulted ceilings, and a sound system.
- **The Herard Room** – 540 sq ft Board Room (30 people) with large windows, available TV and projector, conveniently situated off the Ridge Lounge. Perfect for small group yoga, art classes, meetings.

The Community Centre Has the Following Additional Features:

- The Ridge Lounge, an upstairs gathering area for members with view of the rinks/fields.
- Large floor to ceiling windows to allow for more natural light.
- Internal stairs to lower level and a rough elevator, coming soon!
- Four individual gender-neutral washrooms, two of which are wheelchair accessible.
- Wi-Fi throughout building.
- Large change area/washrooms with rubber flooring, accessible to rink users in the winter.

FRIENDS *of* Fish Creek

June in Fish Creek

WestJet Gift of Flight

From May to July, the Friends of Fish Creek are offering you The Gift of Flight from WestJet. Win a round trip flight for two to anywhere WestJet flies! Pick up your tickets today and enjoy this amazing opportunity to see a new part of the world or return to a favourite place. All funds raised will support the Friends and our conservation efforts here in Fish Creek. Fish Creek Provincial Park enhances the quality of life for countless community members each day, and we are committed to protecting and preserving its sensitive ecosystems and biodiversity so that future generations can enjoy this park long into the future. Enter to win one round trip flight for two guests to any regularly scheduled and marketed WestJet destination! No cash value. Fees, taxes, and surcharges are not included. Blackout dates and restrictions apply. Tickets are one for \$10, five for \$20, 25 for \$50, or go all in and get 100 tickets for \$100! Contest closes July 3, 2023. All tickets are sold electronically. All bookings and travel must be completed within one year from the date of the event. For more information, visit <https://friendsoffishcreek.org/programs/flight>.

Calgary Connect: Maintaining Ecological Connectivity

Thursday, June 8, 7:00 to 8:30 pm

Presented by Nicole Kahal, Conservation Analyst with the Miistakis Institute

What is ecological connectivity and why is it important? What are the challenges to maintaining ecological connectivity in our region? The City of Calgary, in partnership with Miistakis Institute, launched Calgary Captured in 2017, and through this program, Friends volunteers help with wildlife camera monitoring here in Fish Creek Provincial Park. This multi-year wildlife monitoring and citizen science-based program is intended to study urban wildlife populations, their movement and behaviour, and enable informed conservation and management decisions that support healthy wildlife populations in our city. Join Nicole Kahal, Conservation Analyst with the Miistakis Institute, to learn how Miistakis and partners are using wildlife camera-traps, spatial modeling, and municipal planning to understand how we can protect what's left of the natural connections in the Calgary metropolitan region. To register, visit <https://friendsoffishcreek.org/event/connect>.

Capture Nature Photo Contest 2023

Each year, the Friends of Fish Creek offers our Capture Nature photo contest as a fun and creative opportunity for park users to engage with their natural surroundings as they search and explore for the best images of the year. From beginning photographers to amateur professionals and youth, we invite you to submit your best park images for consideration. As a contest participant, you may see your images used on our website, program posters, and other media publications as they become part of our ever-growing library of beautiful, high-quality park images. The sale of photo submissions may also support our organizational fundraising efforts down the road. The themes for 2023 are Winter Wonderland, The Elements, and As Above So Below. All submissions must be images taken in Fish Creek Provincial Park.

Registration runs from May 1 to July 31, 2023. You can register at any point throughout the contest. The public will be able to vote for their favourite photos through our online gallery. Voting will be open until August 15 at midnight, and we will announce the contest winners on September 1.

To register and for more information, please visit <https://friendsoffishcreek.org/programs/capturenature>.

Step into the Bow Valley Ranch Visitor Centre

If you have been down to the Bow Valley Ranch in the past year or so, you may have noticed that the Visitor Information Centre is now open six days a week. The exhibit area here features cultural artifacts and a wealth of information about the history of the city and the park. Since the beginning of the Friends' Enhanced Partnership Project with Alberta Parks in 2020, we have trained over thirty volunteers in the new role of Fish Creek Ambassador to work in the centre. We invite you to stop into the Bow Valley Ranch Visitor Centre to pick up a park map or outreach material, learn about some of the unique history of this area, and chat with our friendly and knowledgeable Fish Creek ambassadors.

Willow Ridge Pickleball Spring Tournament

The first Willow Ridge Spring Pickleball Tournament was held April 29 and 30. The spring weather cooperated, and it was perfect for both days. There were 124 participants and multiple volunteers. The tournament was organized by Brett, Trudy, and Francine, with additional support from the WRCA office.

There were 10 divisions run over the two days. It was a tremendous success with many accolades received from the participants. It could not have been done without our spectacular volunteers: Roger, Alison, Marg, Christy, and Susan.

The division winners are as follows:

Division	Medal	Winners
Men's Novice	Gold	Don/Leon
	Silver	Patrick/Mark
	Bronze	Glen/John
Ladies' Novice	Gold	Charlotte/Deborah
	Silver	Janet/Lynn
	Bronze	Cora/Connie
Men's Intermediate	Gold	Albert/Brian
	Silver	Gary/Dean
	Bronze	David/Brent
Ladies' Intermediate A	Gold	June/Joan
	Silver	Tracy/Young
	Bronze	Chanelle/Doris
Ladies' Intermediate B	Gold	Diane/Dyan
	Silver	Tamara/Teena
	Bronze	Patricia/Christy
Men's Advance	Gold	Vern/Michel
	Silver	Gordon/Harry
	Bronze	David/Barry
Mixed Novice	Gold	Charlotte/Neil
	Silver	Helen/Robert
	Bronze	Debbie/Albert
Mixed Intermediate A	Gold	Tracy/Robert
	Silver	Young/David
	Bronze	Dina/Gord
Mixed Intermediate B	Gold	Diane/Milt
	Silver	Cindy/Gary
	Bronze	Bobby/Wayne
Mixed Advance	Gold	Tiffany/Arturo
	Silver	Allison/David
	Bronze	Sefrah/Jordan

Lemon Chicken Salad

by Jennifer Puri

Nothing says fresh like lemons.

Believed to have originated about eight million years ago, lemons are a hybrid between a bitter orange and a citron. The lemon's ancestors are the mandarin orange, pomelo, and citron, but the lemon is the most used of the citrus fruits.

Lemons start small and green but turn yellow as they grow and ripen. A lemon tree, properly cared for, can live up to a hundred years and can produce six hundred pounds of lemons per year. Lemons play an important economic and cultural role in our world. They are used to make medicines, beauty products, candles, cleansers, preservatives, and even invisible ink.

Regarded as one of the world's healthiest foods, lemons are rich in Vitamin C and fiber and are an important ingredient in the preparation of food such as tarts, meringues, liqueurs, the flavouring and seasoning of poultry, fish, and of course lemonade.

The acidity of lemons is perfect for salad dressings as shown in this lemon chicken salad recipe.

Prep Time: 25 minutes

Cook Time: 35 minutes

Marinade Time: 6 to 24 hours

Servings: 3 to 4

Ingredients:

- 3 boneless, skinless chicken breasts
- 1/3 cup fresh lemon juice
- 2 garlic cloves, finely chopped
- 1 tbsp. Dijon mustard
- 1 tsp. Worcestershire sauce
- 3/4 tsp. salt
- 1/2 tsp. coarse black pepper
- 3/4 cup extra virgin olive oil
- 2 tbsp. honey
- 1 large head of organic romaine lettuce
- 1/2 pint of cherry tomatoes
- 1 cup seedless black olives
- 2 cups seasoned croutons
- 1 cup grated parmesan cheese

Directions:

- Prepare lemon dressing by combining lemon juice, garlic, Dijon mustard, Worcestershire sauce, salt, pepper, honey, and olive oil in a small bowl. Stir well or pour dressing into a small blender and blend for about one minute. Transfer dressing into a Mason jar for easy storage.
- Place chicken breasts on a cutting board and pat dry with a paper towel. Use a mallet to flatten any parts of the breasts that are more than 3/4 inch thick. Transfer chicken breasts to a bowl and add 3 to 4 tablespoons of lemon dressing. Cover and refrigerate for a minimum of six hours or a maximum of 24 hours. Refrigerate remaining lemon dressing.
- Pre-heat oven to 400 degrees Fahrenheit.
- Remove chicken from marinade and place in a large non-stick frying pan. Allow the breasts to brown or caramelize, approximately two minutes on each side.
- Place browned chicken breasts on a baking sheet lined with foil. Bake uncovered until cooked, about 25 minutes or until a meat thermometer placed in the thickest part of the breast reads 165 to 170 degrees Fahrenheit. Remove from oven, cover, and let sit for about 10 minutes.
- In a large bowl, prepare salad by tearing romaine lettuce into bite size pieces. Add cherry tomatoes, olives, croutons, and lemon dressing to taste. Portion salad on four plates and add sliced chicken breasts topped with a little lemon dressing to each one. Sprinkle with parmesan cheese, garnish with lemon slices, and serve.

Bon Appétit!

Backyard Play Safety

from Alberta Health Services

Emergency Medical Services (EMS) would like to encourage parents and caregivers to ensure their backyard play areas are made safe for children this summer. Although direct supervision is the best method to reduce the chance of injury, always ensure play equipment in your yard is in good repair and is suited to the age and skill of the children using it. Check the equipment often; replace or repair any worn or broken parts. It's also advised to set up play equipment on top of a nine-inch layer of shock-absorbing material which extends six feet out in all directions from the play area.

Water Hazards

- Drowning contributes to unintentional injury-related death among children ages one to four
- Children can drown in just a few centimetres of water if it covers their mouth and nose
- Ensure all backyard swimming pools are fenced. The fence must be at least 1.8 metres high and have a self-latching, self-closing, lockable gate. (*Alberta Building Code)

Lawn and Garden Tools

- Keep young children away from outdoor power equipment
- Serious burns may result from touching hot engine surfaces
- Ensure that all sharp tools, fuel, chemicals, and other hazardous substances are stored in a secure, locked area. A simple latch may not be sufficient.

Insect Bites and Stings

- Minimize the risk of attracting insects by not wearing strong perfumes or scented lotions
- Avoid wearing brightly coloured clothing outdoors
- Consider destroying or relocating hives and nests situated near your home
- To avoid injury through inadvertently stepping on a stinging insect, always wear footwear outdoors
- If your child has received an 'EpiPen, Junior' prescription from your physician (for anaphylactic reactions only) ensure they understand when and how to use it
- If your child experiences a severe reaction to an insect sting, or other environmental cause, seek medical attention, or call 911.

Pet of the Month

Hi neighbours, I'm Daisy! I love people, dogs, cheese, and eating sticks. My favourite things are exploring everywhere I go with my amazing sniffer and shopping with my parents (they take me to the good stores that give me duck treats at the till).

I hope to meet you on a walk one of these days.

XO Daisy

RESIDENT PERSPECTIVES

Stargazing with Pat J: Why Don't We Have a Supermoon Every Month?

by Patricia Jeffery © 2023, Calgary Centre of the Royal Astronomical Society of Canada

The Moon's orbit around Earth is oval shaped with the Earth offset slightly to one side.

Because of this, our distance from the Moon varies from about 360,000 kms when it is closest to Earth (perigee) and 400,000 kms when it is furthest away (apogee).

A full Moon takes place when the Earth is directly between the Moon and the sun.

If it occurs when the Moon is at 100% perigee (absolute closest point to Earth), this is a true Supermoon and can make the Moon appear 14% larger and 30% brighter than if it were to happen when the Moon was at apogee.

Unfortunately, a true Supermoon is a very rare event. The last one took place on January 15, 1930, and won't happen again until December 6, 2052.

In 1979, an astrologer named Richard Nolle felt 122 years was just too long to wait, so he put forward the idea that whenever a full Moon occurs at 90% perigee or greater, that too should count as a Supermoon. Why Richard chose 90% as his cut off, is unclear.

2023 will have four of these 90% Supermoons, occurring on July 3, August 1, August 31, and September 29.

Incidentally, 2023 has 13 full Moons instead of 12, something that only occurs every two to three years. That extra full Moon, which falls on August 31, is called a 'Blue Moon.'

Traditionally speaking, a 'Blue Moon' is the third full Moon of an astronomical season containing four full Moons. No, it won't be blue.

Because they will not be as close to Earth as the genuine article, the 2023 Supermoons will appear only 7 to 10% larger than a regular full Moon.

O Brave New World!

You might think Aldous Huxley's 1932 novel, *Brave New World*, could have nothing to do with a 400-year-old play. However, the name for Huxley's novel comes from a line in Shakespeare's *The Tempest*. An island-dwelling girl named Miranda exclaims "O brave new world" when a group of shipwrecked men wash up on the shore of her secluded island.
