What Determines “Value” of Real Estate?

“It is not a surprise to see a pullback in sales given the uncertainty,” said Ann-Marie Lurie, Chief Economist at CREB®. “However, it is important to note that sales still remain stronger than anything reported throughout 2015 to 2020, where our economy faced significant economic challenges and job loss. Nonetheless, easing demand has been met with gains in new listings and rising inventories, helping our market shift back toward balanced conditions, following four consecutive years where the market favoured the seller.” (CREB)

We will help you to maximize the value of your real estate. Call us now or email your questions.
We will also be here for you monthly with more facts! We love real estate. We know real estate.

DISCREET & CONVENIENT TEETH STRAIGHTENING

*"Your Oral Health
Is Our Priority"*

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.
