Green Cart Collection Update

by the City of Calgary

Starting in November, green cart collection will shift to an every-other-week schedule. This seasonal change helps match service to the lower volumes of yard waste we typically see once colder weather arrives.

Weekly green cart collection will return in April 2026, just in time for spring clean-up season when yard waste begins to pick up again.

We understand Calgary's weather can be unpredictable, and to keep the Green Cart program reliable and cost-effective, we set the schedule using long-term trends. This means collection times are based on when green cart volumes usually decline and when snowier conditions are more likely. By planning well in advance, the City ensures the right number of trucks, drivers, and resources are in place to keep the program running smoothly.

There are a few easy ways to stay on top of your collection days and keep things simple:

- Visit calgary.ca/cartschedule to check your cart pickup schedule or sign up for free reminders.
- Download the Calgary Garbage Day app to get automatic notifications about collection days and seasonal changes.

Thank you for helping keep Calgary clean and green, no matter the season!

What do "The Persistence of Memory" and the Chupa Chups logo have in common? Well, they were both created by surrealist Salvador Dalí! Asked by founder Enric Bernat to improve the candy wrapper, Dalí sketched the now-iconic daisy-shaped logo in a café on a piece of newspaper.
