# Seed and Plant Swap and Community Garden Work Sessions – Thank You!

It was wonderful to see community members come out to our Seed and Plant Swap on May 2. A special thank you to Matt from Braeside for generously sharing extra seeds from their seed library. We still have some Lovage, Goldenrod, and Globe Thistle available at the office for anyone interested in adding a little green magic to their garden.

A huge thank you as well to Ted, his permaculture students, and our dedicated community volunteers for providing the muscle and momentum needed to install

the rainwater tanks and water basins for our future Rain Garden. These water basins will help keep water in the garden bed and, during heavy rains, create a beautiful mini waterfall effect as the water flows through the space. More garden and landscape work sessions will be taking place throughout the summer, so be sure to scan the QR code for upcoming dates and details.

A special thank you as well to Ryan for repairing the wheelbarrow tires, and to Anna and her kids for helping install the Gaga Pit. These projects are all helping us get the space ready for a fun and active summer season ahead.

Hello Calgary-Acadia!

Summer has finally arrived, and Calgary-Acadia is buzzing with activity and connection! This spring, we celebrated volunteers and community builders at local events and supported one another as we build stronger neighbourhoods. From Fairview to Canyon Meadows, what I see are people showing up for their neighbours, for local initiatives, and each other.

The spring session ended with the swift passage of legislation impacting key areas including healthcare, education, seniors' benefits, and electoral boundaries. We continue to hear from constituents about the real and immediate effects of these decisions. Concerns have been raised about proposed changes to electoral boundaries and the extent to which public input has been respected and reflected. The expansion of for-profit healthcare services funded with public dollars has also been a consistent point of concern. Your input is critical. Please continue to share your experiences and perspectives so I can advocate clearly and effectively on your behalf.

Summer offers ample opportunity to spend more time out in the community, connecting in meaningful and accessible ways. Whether it's meeting people where they are at a neighbourhood gathering, sitting down for a chat over coffee, or enjoying an ice cream on a sunny afternoon, these moments matter. They create space to listen, to learn, and to better understand the day-to-day experiences of those I represent.

These informal conversations often provide the most honest and helpful insight, and they play an important role in shaping the work I bring forward. Staying connected in this way ensures that the voices of Calgary Acadia are reflected clearly and consistently. If there are new opportunities to connect, let me know!

It is a privilege to represent a community that is so engaged, thoughtful, and committed to one another.

Cheers,

*Diana*
