Membership and Renewal

The Cedarbrae Community League Association is a volunteer non-profit organization run by and for the residents of Cedarbrae. Funds are raised through rentals at our community centre, fundraising events, and our yearly membership. All those funds are put right back into our community; through maintaining the centre, low-cost programming, hosting events, and community outreach. Join us in ensuring our neighbourhood remains the beating heart of southwest Calgary.

Our Mission

The Cedarbrae Community League Association operates a volunteer-based, vibrant, inclusive hub that fosters engagement and provides a wide variety of activities and programs for the community.

Want to make the world a better place? Why not start in your own backyard? Become a member, get active, and join in, attend an event, or volunteer. Your neighbours are amazing, come meet them!

Your Cedarbrae Community League Association membership helps to maintain a viable community centre from which we can provide recreational and social opportunities for you and your family. Some programs and activities provided by the community centre will require you to hold either an individual or family membership to participate, or in some cases you will receive special pricing for being a member of the Cedarbrae Community League Association in good standing.

Annual memberships run from May 1 to their expiration on April 30 the following year.

Memberships Options:

- **Household Membership - \$30:** A maximum of two adults over the age of 18 and any children under the age of 18 living at the same residential address.
- **Individual Membership - \$15:** A maximum of one adult over the age of 18.
- **Seniors - \$15:** A maximum of two adults over the age of 55 living at the same address.

Please pay for your memberships online at www.mycedarbrae.ca, or you can stop by the community centre to fill out a membership form in person.

Our members have found the heart and soul of Cedarbrae. Meeting new friends, learning new skills, getting involved in community decision making, and having a real impact on the lives of others.
