Don't invite bears for a midnight snack.

Here are some tips to prevent attracting bears to your carts:

- Don't put carts out overnight.
- Set your carts out no earlier than 5 a.m., and no later than 7 a.m. on collection day.
- Put your carts away after collection, no later than 7 p.m.
- Store your carts inside a garage or other secure enclosure.

Let's keep your neighbours
and any visiting bears safe.

Use Your Water Meter to Check Your Home for Leaks

by the City of Calgary

Together, we can make every drop count during this drought. Using your water meter to check for leaks, inside and outside the home, is one way you can do your part to use water wisely.

Using your meter to check your home for leaks is easy:

1. Turn off all taps and water-using appliances – inside and outside your home.
2. Watch the flow register on the face of the meter. The register could look like a gear or a needle depending on the model of meter you have.
3. If it keeps turning, you have a leak somewhere in your house.
4. Check all water devices, such as your toilet, taps, humidifier, hot water heater, and water softener.

To learn more about common sources of household water leaks, including some helpful repair tips, visit calgary.ca/waterguide.

Available at the Cedarbrae Community Centre

The Cedarbrae Community Centre is excited that we are now able to resume offering space for events, activities, classes, and more.

Our community centre has spaces of varying sizes to meet the needs of your upcoming event, whether it's a birthday party, sporting event, wedding, or business meeting.

We have various rental options including hourly, daily, or long-term contracts.

Rental spaces are available to both individuals and businesses.

If you are planning an upcoming event and would like to know more about our space or schedule a viewing, please call 403-251-2101.

Cedarbrae Community League Association

Community Association Membership

Join your neighbours in making Cedarbrae a better place to live, learn, work, and play. Become a member today!

Membership and Renewal

The Cedarbrae Community League Association is a volunteer non-profit organization run by and for the residents of Cedarbrae. Funds are raised through rentals at our community centre, fundraising events, and our yearly membership. All those funds are put right back into our community; through maintaining the centre, low-cost programming, hosting events, and community outreach. Join us in ensuring our neighbourhood remains the beating heart of southwest Calgary.

Our Mission

The Cedarbrae Community League Association operates a volunteer-based, vibrant, inclusive hub that fosters engagement and provides a wide variety of activities and programs for the community.

Want to make the world a better place? Why not start in your own backyard? Become a member, get active, and join in, attend an event, or volunteer. Your neighbours are amazing, come meet them!

Your Cedarbrae Community League Association membership helps to maintain a viable community centre from which we can provide recreational and social opportunities for you and your family. Some programs and activities provided by the community centre will require you to hold either an individual or family membership to participate, or in some cases you will receive special pricing for being a member of the Cedarbrae Community League Association in good standing.

Annual memberships run from May 1 to their expiration on April 30 the following year.

Memberships Options:

- **Household Membership - \$30:** A maximum of two adults over the age of 18 and any children under the age of 18 living at the same residential address.
- **Individual Membership - \$15:** A maximum of one adult over the age of 18.
- **Seniors - \$15:** A maximum of two adults over the age of 55 living at the same address.

Please pay for your memberships online at www.mycedarbrae.ca, or you can stop by the community centre to fill out a membership form in person.

Our members have found the heart and soul of Cedarbrae. Meeting new friends, learning new skills, getting involved in community decision making, and having a real impact on the lives of others.

Huge Flakes!

Although some are skeptical of the record, according to the Guinness World Records, the largest snowflake ever recorded came down in Missoula, Montana. In 1887, this city measured a single snowflake that was 15 inches in diameter! That's about the height of a bowling pin!

Window and Balcony Safety

from Alberta Health Services

With the return of warmer weather, Emergency Medical Services (EMS) would like to remind parents and caregivers of an often-overlooked hazard in the home – access to open windows. Every year, paramedics respond to emergencies where a child has fallen from an open window, often from the second floor. These can be avoided by following safety measures. Take the time to assess potential hazards in your home before a preventable fall occurs.

Windows and Screens

- Prevent access to windows by moving furniture such as cribs, beds, stools, and change tables out from under them.
- Keep drapery cords out of children's reach. Wrap excess cord around cleats, or tie-downs to avoid a choking hazard.
- Remember, screens are not safety devices. They are designed to keep bugs out, not children in.

Balconies

- Do not underestimate a child's ability to climb. Furniture and other items stored on balconies and decks can be used to climb resulting in falls over the railing.
- Ensure that your balcony railings are not more than 10 cm (4 inch) apart. This will eliminate access between the vertical bars of a balcony, or deck.

Further Prevention Tips

- Toddlers and preschoolers are at highest risk of falling from a window, or balcony, but it may happen at any age.
- Direct supervision of children is the single most effective way to prevent falls from windows and balconies.
- Install safety devices which limit the distance in which a window can open to a maximum of 10 cm (4 inches).
- Ensure the safety device can be released quickly, so the window can be used for escape in case of emergency.
- Consider purchasing a portable air conditioner, which will enable windows to stay closed and secure.

EMS is proud to be a member of the Partners Promoting Window and Balcony Safety. Take time to assess your home for window and balcony hazards and eliminate the risks before a preventable fall occurs.
