## Cedarbrae Celebrations

Our Cedarbrae senior's coffee group has done it again with another great meal and celebration at the Community Centre. This time to welcome in the new year. Held on the afternoon of January 9 with a full complement of 30 attendees it was another huge success! There was a catered meal of ham, chicken, scalloped potatoes, veggies, and lots of sweets for dessert. After dinner everyone joined in some games and as ever, lively conversation and renewed friendships. These seniors' group meals at the Centre will continue and fill the Centre with laughter and fun!

## Cedarbrae Community League Association News

All of us are wishing all of you a very Happy Valentine's Day! Hope you all get to break up the winter weather with some romance, self-care, celebrations, or maybe just a little chocolate treat! Check out our upcoming gardening classes, soup making class, and of course the Spring Market. You can always find details and registration information on our website, come join the fun!

A dedicated group of volunteers has taken on the maintenance for our outdoor rink, making our winter season brighter. The rink can only function with the hard work and commitment of these volunteers and we are so thankful to all of them! We love to see so many people in the neighbourhood coming out to get their skates on! Come join us, get some exercise, meet some new friends and check out your Community Centre, everyone is welcome!

Pickleball classes have continued with a series of novice level sessions held last month. These classes are very popular, so if you're interested, please keep an eye on the upcoming events and Pickleball pages on our website. It's a great time to join our Pickleball program, you can learn quickly, and with the right commitment may be a competent player by summer! Get in touch with the Centre, we'd love to help you get started!

# All Hands On Deck

The Community Centre ice rink has been well used this winter, becoming a meeting space for young and old alike. It's a lot of work, taking care of the ice through all manner of weather that Calgary can throw at us. This winter, the City threw us an extra challenge with the harsh restrictions after the major water main break. Our small group of hard-working volunteers had to rethink and retool to keep the ice in usable condition without additional flooding. Beyond our dedicated group of rink volunteers, we saw some of you pitching in, shovelling and scraping to keep the ice as smooth and clear as possible, thank you!

This is how Cedarbrae works, we see what needs to be done, and we pitch in even in the most challenging times and circumstances. Every time we show up and do our part, we make our community a better place to be and we provide an example to our neighbours and our children. The volunteer group that keeps the rink open and running for the whole neighbourhood are a great example of the spirit that makes Cedarbrae work. Please consider joining our volunteer movement, everyone has a skill or experience they can share, and some time, even if it's just an hour. We are making Cedarbrae better and we need your help to keep it going, come join us!

## Volunteer Spotlight: Cathy Roczkowsky

### Bringing All the Right Vibes

This month's volunteer spotlight, Cathy Roczkowsky is one of those people who brings a great feeling with them whenever they enter a room. In Cathy's case it's a feeling of comfort, relief, and competence. It feels like releasing tension, a respite, like "Cathy's here, everything will be all right". Such an enviable ability to bring such good vibes in Cathy's case must come, in part from most of a lifetime spent volunteering, helping others, and giving back.

Cathy is not only Cedarbrae's current Board of Director's Secretary, she's one of our event coordinators, a previous member at large, and our go-to for graphic design for all things Cedarbrae. You'll find her at many of our community events providing that solid, calm support we all rely on. Besides her work here at Cedarbrae she's been volunteering for many years for many different organizations, most notable recently, is Cathy's work on BBQ on the Bow.

For those who don't know, Calgary's BBQ on the Bow has become a very big deal! A Kansas City BBQ Society sanctioned competition and festival, it's been around for decades and continues to grow. The competition promotes local pork, beef, and chicken producers, as well as the specific love of southern style BBQ. Cathy is deeply involved, previously holding several coordinator positions and currently serving as a member of their Board Executive. Cathy has hidden depths and talents indeed!

We all have different reasons for volunteering and getting involved. Cathy's choices to give of herself seem intuitive, purposeful, and natural. She sees the good that can be done and the potential in the Community Centre and in Cedarbrae, her home for many years. She has become a consistent leader in our neighbourhood, our calm in the storm, and an example to all those surrounding her. Cathy provides as a model for a truly dedicated volunteer, a life lived fully. You can tell she's making our world better by the warm feeling she naturally gives off! Thank you Cathy for all you do, and for making the experience better for all of us!

## Membership and Renewal

The Cedarbrae Community League Association is a volunteer non-profit organization run by and for the residents of Cedarbrae. Funds are raised through rentals at our community centre, fundraising events, and our yearly membership. All those funds are put right back into our community; through maintaining the centre, low-cost programming, hosting events, and community outreach. Join us in ensuring our neighbourhood remains the beating heart of southwest Calgary.

### Our Mission

The Cedarbrae Community League Association operates a volunteer-based vibrant, inclusive hub that fosters engagement and provides a wide variety of activities and programs for the community.

Want to make the world a better place? Why not start in your own backyard? Become a member, get active, and join in, attend an event, or volunteer. Your neighbours are amazing, come meet them!

Your Cedarbrae Community League Association membership helps to maintain a viable community

centre from which we can provide recreational and social opportunities for you and your family. Some programs and activities provided by the community centre will require you to hold memberships to participate, or in some cases you will receive special pricing for being a member of the Cedarbrae Community League Association in good standing.

Following the approval of the recent Cedarbrae Community League Association bylaw, we would like to inform you of an important update to the Cedarbrae Community League Association membership structure. Memberships are now issued per individual over the age of 18. This means that each adult in your household who wishes to be a member will need to hold their own membership.

Visit our website at <https://www.mycedarbrae.ca/> and buy your memberships today!

- Non-resident membership - \$12

# February Is Heart Month

by Alberta Health Services

Do you know the signs and symptoms of a heart attack and what to do if someone experiences these? Knowing may make the difference between life and death. Recognizing and responding immediately to the warning signs of a potential heart attack may significantly improve survival and recovery. February is Heart Month: take the time to be heart safe and learn how you can reduce your risk.

### Common Signs of a Heart Attack

(Any, or all, of these signs and symptoms may occur)

- Chest discomfort described as simply a mild pressure up to a 'crushing' pain; may also be 'squeezing' or a 'heavy' sensation.
- Discomfort may move to the shoulders, arm, neck, or jaw.
- May include shortness of breath, sweating, or nausea/vomiting.
- Signs may vary person to person and can differ between men, women, and the elderly.

### Heart Attack Risk Factors

- Obesity\*
- Sedentary lifestyle\*
- Smoking\*
- High cholesterol\*
- Age/Gender
- Family history

Speak with your doctor about how to treat your modifiable (\*) risk factors and learn to be heart safe.

### What To Do When Seconds Count

- Call 9-1-1, immediately. Early treatment can greatly reduce heart damage and be the difference between life and death.
- Treatment starts the moment EMS arrives. Paramedics can provide oxygen, start an intravenous, and perform an electrocardiogram (ECG).
- Paramedics can also administer important medication(s) in the early minutes of a heart attack to lessen heart damage.
- During transport, EMS will share information with the hospital so that definitive treatment can begin immediately upon arrival.
- Take a CPR/AED course. Training is widely available from many reputable organizations. It's easy and could make a significant difference in the outcome of someone experiencing a heart attack.
