Treaty 7 Land Acknowledgment

We acknowledge that the Haysboro Community Association is on Treaty 7 land—the traditional and ancestral territory of the Blackfoot Confederacy: Kainai, Piikani, and Siksika, as well as the Tsuu T'ina Nation and Stoney Nakoda First Nation. We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis Homeland. We acknowledge the many First Nations, Métis, and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.

Haysboro Seniors' Social Group

The next meeting will be held on Thursday, September 28 from 1:30 to 3:30 pm at the Haysboro Community Hall (1204 - 89 Ave SW). All seniors and soon-to-be seniors are invited to attend. Tea, coffee, and cookies are served.

This meeting is going to focus on the future of the group and whether it is still fulfilling a need in the community. For the group to continue, it is essential that members step up to fill executive positions and to assist with planning and carrying out activities. This is your opportunity to make your wishes known and to get involved if you want to see the group continue.

We are hoping for a good turn out on September 28! For further information, call Denise Palmer at 403-252-6453 or Doris Bessie at 403-457-2893.

Woodman School will be opening its brand-new, teen-friendly playground in the north-east school field. Open to the entire community, this obstacle/fitness course encourages health and social interaction for parents, teens, and neighbours alike. Come check it out!

Pardee's Puns

Did you know that a raven has 17 rigid feathers called pinions, while a crow has only 16? The difference between a raven and a crow is just a matter of a pinion.

Studies show cows produce more milk when the farmer talks to them. It's a case of in one ear and out the udder.

PRESIDENT'S MESSAGE

Parent & Tot Time

All Welcome!

Bring your own
coffee and snacks

Moved to the Natural
Playground for the summer!

Mondays 9-11am

An informal get together of
local parents and kids.

Tot Time will be back in the
Main Hall in mid-September!

I hope everyone enjoyed The Calgary Stampede, Folk Festival, August Long weekend, and any other summer celebrations!

The Haysboro Community Association hosted its Annual General Meeting at the end of June, with some community guests in attendance.

The board is taking a bit of a summer break but will be holding a summer session to discuss the budget for the upcoming fiscal 2023/2024 year.

With grants from the City of Calgary and Province of Alberta, the HCA is re-doing the flooring in parts of the building, updating the electrical panels, and the beloved tennis court will be resurfaced. All these projects are set up throughout the summer and expected to be completed before the snow falls.

Personnel-wise, the board would like to thank some departing members: Mark Stephen who is retiring as Vice President after five years on the board. Miranda Bartman transitioned from her role as Treasurer in early 2023 and stayed on as director-at-large until our recent AGM. Talia Mimura sat on the Planning Committee and represented Haysboro well. I would like to thank all three of these individuals for their volunteer time and for the energy and insight they (continue to) bring to Haysboro!

Andrew Forsyth, who joined in 2022, will become the new Vice President of the Haysboro Community Association. Welcome aboard!

We could still grow our team. Perhaps you are interested in learning about area development projects and want to learn more about planning, or perhaps you would like to see more community events and have a knack for coordination, or we could certainly use bright minds to help our Facilities Committee with ongoing projects for the building. Please get in touch!

Our next general board meeting will be on the third Wednesday of the month, slated for September 20. Come in person or get in touch for a virtual link.

Have a great rest of your summer!

Stephanie

FRIENDS *of* Fish Creek

August in Fish Creek

Support Outdoor Education in Fish Creek and Your Donation Will Be Matched Up to 50 %

The Friends of Fish Creek are honoured that our Learning Naturally program has once again been chosen as one of over 270 local charities to participate in the Shaw Birdies for Kids presented by AltaLink program! Birdies for Kids, now in its eighth year, has a profound benefit for charitable organizations that support children's programming. This essential fundraiser runs until August 31 in conjunction with the Shaw Charity Classic Golf Tournament.

Through Learning Naturally, close to 3000 students between grades K to 6 from economically disadvantaged Calgary schools are provided a field trip to Fish Creek Provincial Park. Many of these students are new to Canada, and this unforgettable experience acts as not only their first visit to Fish Creek, but also their first real visit to a natural setting in this country. The lessons imparted on these students during their Learning Naturally field trip help to support a lifelong concern for conservation and environmental stewardship.

This essential program does not receive regular funding and its continuation is in jeopardy. It costs only \$10 to support one Learning Naturally field trip for one student, and through Birdies for Kids, your donation will be matched up to 50%! Please consider making a donation to Learning Naturally through Birdies for Kids and speak to your employer or co-workers about this amazing opportunity to support outdoor education in Fish Creek.

We would like to thank the Greenfield Foundation once again for supporting Learning Naturally this year with a very generous donation. Thank you to the Shaw Charity Classic Foundation, the Patron Group, Shaw Communications, Suncor, and Shaw Birdies for Kids presented by AltaLink for hosting this amazing program: <https://shawcharityclassic.com/charity/participating-charities/friends-of-fish-creek>.

Volunteers Needed in Fish Creek Provincial Park

Branch out and explore all the exciting chances to give back to Fish Creek Provincial Park through direct intervention in its wellbeing! The Friends of Fish Creek needs volunteers to help this summer with a variety of stewardship activities. Programs like invasive species control, poplar planting, tree wrapping, and nursery tending require the dedication of an amazing team. There is always a chance to be out in the field during the summer months and opportunities are available for people of every ability and availability. If you only have one day to volunteer, we offer many opportunities that require your presence for only a few hours, such as riparian restoration, invasive species control, tree wrapping, poplar planting, and willow staking. Planting trees is the activity most people probably have in mind when it comes to restoration. We provide the trees and supplies so that our volunteers can work to add trees to the aging poplar forests in the park. This summer, we are focusing on the beautiful Hull's Wood area. Newly planted trees ensure that in the years to come, wildlife habitat is maintained as older trees die off. Watering trees and other vegetation is one of the most important jobs that one can take on in the park, as the summers in Calgary are hot and dry. To help with poplar planting, restoration, or other programs, please sign up as a volunteer online at <https://friendsoffishcreek.org/volunteering-basics>.
