OUR MISSION STATEMENT: The HCA, as a volunteer run organization, thoughtfully and constructively shapes our neighbourhood. We are innovative. We provide social and recreational programming; encourage and develop unique projects; and foster open dialogue with residents and stakeholders.

OUR VISION STATEMENT: A friendly, safe, and vibrant community of active and engaged residents.

EDITOR'S NOTE

Haysboro has many places to enjoy – It has about seven playgrounds, a walking path, and an off-leash dog park. It is very close to Glenmore Park and Fish Creek Park. It has five schools, and an arena and swimming pool nearby. Fast food and slow food restaurants – even a new Turkish coffee shop! We feel very fortunate to live in Haysboro and to be a part of the community. The HCA Annual General Meeting is on Wednesday, June 28 and I really hope you will come and support the volunteers (and staff) who work hard to find and provide programming, maintain and rent out the facilities, and build community spirit.

Another place that you might drive by and not really see is the RCL. There is lots to do there too! Did you know 'Meat Draws' are a real thing? –one time we bought some tickets and went home with a bag of meat! Garry left with \$100, and we met new people and had some fun!

The HCA is always looking for great people to help out. Do you have a skill that you could share with your community? If yes, and I know you do, come out and support the HCA. This summer as you walk or cycle around Haysboro, notice old and new things, opportunities, and experiences.

Haysboro has a lot to offer – how can you give back?

FRIENDS *of* Fish Creek

June in Fish Creek

WestJet Gift of Flight

From May to July, the Friends of Fish Creek are offering you The Gift of Flight from WestJet. Win a round trip flight for two to anywhere WestJet flies! Pick up your tickets today and enjoy this amazing opportunity to see a new part of the world or return to a favourite place. All funds raised will support the Friends and our conservation efforts here in Fish Creek. Fish Creek Provincial Park enhances the quality of life for countless community members each day, and we are committed to protecting and preserving its sensitive ecosystems and biodiversity so that future generations can enjoy this park long into the future. Enter to win one round trip flight for two guests to any regularly scheduled and marketed WestJet destination! No cash value. Fees, taxes, and surcharges are not included. Blackout dates and restrictions apply. Tickets are one for \$10, five for \$20, 25 for \$50, or go all in and get 100 tickets for \$100! Contest closes July 3, 2023. All tickets are sold electronically. All bookings and travel must be completed within one year from the date of the event. For more information, visit <https://friendsoffishcreek.org/programs/flight>.

Calgary Connect: Maintaining Ecological Connectivity

Thursday, June 8, 7:00 to 8:30 pm

Presented by Nicole Kahal, Conservation Analyst with the Miistakis Institute

What is ecological connectivity and why is it important? What are the challenges to maintaining ecological connectivity in our region? The City of Calgary, in partnership with Miistakis Institute, launched Calgary Captured in 2017, and through this program, Friends volunteers help with wildlife camera monitoring here in Fish Creek Provincial Park. This multi-year wildlife monitoring and citizen science-based program is intended to study urban wildlife populations, their movement and behaviour, and enable informed conservation and management decisions that support healthy wildlife populations in our city. Join Nicole Kahal, Conservation Analyst with the Miistakis Institute, to learn how Miistakis and partners are using wildlife camera-traps, spatial modeling, and municipal planning to understand how we can protect what's left of the natural connections in the Calgary metropolitan region. To register, visit <https://friendsoffishcreek.org/event/connect>.

Capture Nature Photo Contest 2023

Each year, the Friends of Fish Creek offers our Capture Nature photo contest as a fun and creative opportunity for park users to engage with their natural surroundings as they search and explore for the best images of the year. From beginning photographers to amateur professionals and youth, we invite you to submit your best park images for consideration. As a contest participant, you may see your images used on our website, program posters, and other media publications as they become part of our ever-growing library of beautiful, high-quality park images. The sale of photo submissions may also support our organizational fundraising efforts down the road. The themes for 2023 are Winter Wonderland, The Elements, and As Above So Below. All submissions must be images taken in Fish Creek Provincial Park.

Registration runs from May 1 to July 31, 2023. You can register at any point throughout the contest. The public will be able to vote for their favourite photos through our online gallery. Voting will be open until August 15 at midnight, and we will announce the contest winners on September 1.

To register and for more information, please visit <https://friendsoffishcreek.org/programs/capturenature>.

Stop into the Bow Valley Ranch Visitor Centre

If you have been down to the Bow Valley Ranch in the past year or so, you may have noticed that the Visitor Information Centre is now open six days a week. The exhibit area here features cultural artifacts and a wealth of information about the history of the city and the park. Since the beginning of the Friends' Enhanced Partnership Project with Alberta Parks in 2020, we have trained over thirty volunteers in the new role of Fish Creek Ambassador to work in the centre. We invite you to stop into the Bow Valley Ranch Visitor Centre to pick up a park map or outreach material, learn about some of the unique history of this area, and chat with our friendly and knowledgeable Fish Creek ambassadors.

Treaty 7 Land Acknowledgment

We acknowledge that the Haysboro Community Association is on Treaty 7 land—the traditional and ancestral territory of the Blackfoot Confederacy: Kainai, Piikani, and Siksika, as well as the Tsuu T'ina Nation and Stoney Nakoda First Nation. We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis Homeland. We acknowledge the many First Nations, Métis, and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.

Haysboro Senior Social Club

The Haysboro Senior Social Club meets on the fourth Thursday of the month from 1:30 to 3:30 pm, excluding July, August, and December at the Haysboro Community Centre. Also, this year there will not be a meeting in June. The next one will be September 28.

Everyone is welcome. There are no age or residency requirements. Programs vary - sometimes there is a speaker, sometimes an entertainer. Always lots of time for socializing. Tea, coffee, and goodies are available for your enjoyment.

If we have your contact information, you will be notified by email or phone about upcoming programs. For further information, you can call Denise Palmer at 403-252-0453 or Doris Bessie at 403-457-2893.

Wishing everyone a safe and pleasant summer. We hope to see you on September 28.

PRESIDENT'S MESSAGE

We can welcome the summer in short order! Although I do think we had really warm, sunny days quite early, they also brought summer-like thunderstorms. Certainly, our hearts are with central and northern Alberta that battled wildfires beginning very early in the wildfire season.

The changing season is just another transition period we face as a province. By the time this letter is in the newsletter in your mailbox, Alberta's provincial government will be carrying out a new mandate. The Haysboro Community Association is of course not a political organization, but I bring this up as an observation. The lawn signs have been collected. And we as a community carry forward.

At the hall, our Facilities Committee is working through a number of projects, funded by grants. I can share more as the weeks progress, but work is underway. I'm delighted the board continues to discuss and oversee numerous projects for upkeep.

A reminder that the community members who may not be sitting board members are indeed welcome to join and share feedback about some of these projects on the Facilities Committee which communicates largely through email.

Feel free to get in touch with me or another board member for more information.

We hope you enjoyed the events in May and early June, including the Community Cleanup at the hall!

Now attention can turn to the summer camps to be offered through the summer. Details are likely on another page.

Another note that our preschool continues to be open for registration! A reminder that there are subsidies available! Amazing, dedicated teachers and our lovely facility are all part of the preschool experience.

Welcome to summer and the end of the academic year!

Sincerely,

Stephanie Thomas
