## PRESIDENT'S MESSAGE

It's back to school and back to business! I hope you all enjoyed the summer and enjoyed some time off for rest and relaxation.

We are back for general meetings on the third Wednesday of the month, so please feel welcome to join on September 20 from 7:00 to 9:00 pm in the Social Lounge.

This is a call out for help. We are looking for a casino coordinator. Our casino fundraiser night will take place in the first quarter of 2024 (January to March); exact dates are TBD. This volunteer will play a pivotal role in organizing shifts of volunteers to help at a specific casino location for approximately two nights. The funds raised are significant for the HCA and hall, often covering utility bills, and we all know how those costs have increased lately!

Please don't hesitate to get in touch if you are interested in the role.

Another note is about the RioCan development project for Glenmore Landing. The HCA board has limited contact with the developers, and the hall has served as a host location for their information sessions. I wanted to clarify that we are not highlighted as a stakeholder group, but we do have some opportunities to share feedback. Our planning committee is taking the lead on these discussions. As a board, we have not come up with a unified position regarding the project. There's more information to be gathered.

We are referring residents who wish to provide feedback about the project to submit directly to the City of Calgary or the Ward 11 office. If and when developers present at an HCA meeting, I will do my best to share that information in advance so that residents have an opportunity to attend.

While it may seem like a while ago, I wanted to do a shoutout to the amazing volunteers on Community Cleanup day. With an assortment of recycling/landfill stations, hundreds of carloads of unwanted items were dropped off. The parking lot outside the hall looked like an efficient assembly line operation. Well done to everyone who participated.

The Parade of Garage Sales was also a highlight. It was great to see neighbours gather, and it's great that many household items could find a new home for a small fee.

At the board, we continue to assist with project management and renovations at the hall. The skate shack flooring, upstairs flooring, electrical panels, and tennis courts have all been renewed this summer.

I encourage you to come to our September board meeting and check us out!

Sincerely,

*Stephanie Thomas*

President, Haysboro Community Association

### THE FIRST CANADIAN SATELLITE

On September 29, 1962, Canada became the third country (after the Soviet Union and U.S.) to launch a satellite into space. Named after a popular French song, *Alouette-1* was sent to study the ionosphere. It exceeded its expected lifespan of one year, remaining operational for 10 years, and sent millions of groundbreaking data back to Earth.

## Treaty 7 Land Acknowledgment

We acknowledge that the Haysboro Community Association is on Treaty 7 land—the traditional and ancestral territory of the Blackfoot Confederacy: Kainai, Piikani, and Siksika, as well as the Tsuu T'ina Nation and Stoney Nakoda First Nation. We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis Homeland. We acknowledge the many First Nations, Métis, and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.

The HCA has received grants from the City of Calgary and Province of Alberta to rebuild our beloved courts. This will happen sometime in late August or September (weather dependent.) All structures and surfaces will be brand new! That said, we are fundraising for upgraded benches, nets, bag hooks, and signage (etc) as they are not included in the grants. # Glenmore Landing High-Rise Residential Housing and Commercial Development Proposal

RioCan, the owner of Glenmore Landing, has applied to The City for a permit to redevelop Glenmore Landing. The application would see land that is currently area zoned as parkland become residential and commercial properties.

## The plan calls for:

- Six high-density housing towers, up to 115 metres or 34 to 36 stories high
- Increased pedestrian centric commercial development
- 15 years of construction – no timeline beyond phase 1 on 90 Avenue
- 1,248 residential units for approximately 2,744 residents
- Only one underground parking spot per residential unit
- The existing central parking to be eliminated/replaced with minimal surface short-term spots
- 300 anticipated additional employees
- Using only the current entrance and exit points, this will create:
  - Increased traffic delays and accidents
  - A substantial increase in on-street parking in our community
  - A severe impact on safety, particularly residents of the three adjacent seniors' residences
  - Greatly impeded access and longer wait times for emergency vehicles

## Please let the following people know how you feel about this project:

- Kourtney Penner, Councillor for Ward 11: kourtney.penner@calgary.ca
- Courtney Walcott, Councillor for Ward 8: courtney.walcott@calgary.ca
- Dan McLean, Councillor for Ward 13: dan.mclean@calgary.ca

Refer to proposed development LOC2023-0130. If you would like to learn more about the plans for this development, go to the project page on calgary.ca.

Please share this message with your neighbours and anyone you know who may be interested. We need to get this information to as many people as we can as soon as possible.

If you are interested in attending the Communities for the Preservation of Glenmore Landing, email alexiamminton@gmail.com.

## **Dedicate a Bench in Fish Creek and Leave a Lasting Legacy!**

You may have seen Friends' dedication benches throughout Fish Creek Provincial Park. These beautiful and sturdy benches present the perfect opportunity for you to show your support for Fish Creek Provincial Park while providing a comfortable place for park visitors to rest and appreciate nature. If you are interested in a bench, please complete the online dedication bench form. This will ensure that you are added to the waitlist for a bench so that we can contact you in the future when a bench becomes available. There are approximately 105 bench locations in the park and each year several benches become available. In 2024, there will most likely be some benches available in the west end of the park - Bebo Grove, Shannon Terrace, and Marshall Springs areas. Special thanks to Alberta Forestry and Parks and the Venturers Society of Calgary for supporting the Friends in the delivery of this very special program in Fish Creek. ## **Become a Fish Creek Provincial Park Protector Today!**

Fish Creek Provincial Park is a cherished natural green space that we are fortunate to have in the city. All the Friends' programs and activities are designed to help preserve biodiversity and ensure a sustainable park environment so that future generations can enjoy this area as much as we do. We rely on a variety of funding sources like grants, memberships, program fees, sponsorships, fundraising efforts, as well as corporate donations and personal donations from community members like you to support our conservation, stewardship, and engagement activities here in this park. We are inviting community members to become Park Protectors and help support the Friends and the park. Through the Park Protector program, a monthly donation will be effortlessly withdrawn from a credit card of your choosing, and you will receive a valuable tax receipt for your contribution. The Park Protector monthly donor program is the most convenient way to support Fish Creek Provincial Park everyday. For more information on becoming a Park Protector, please visit [www.friendsoffishcreek.org/park-protector-signup](http://www.friendsoffishcreek.org/park-protector-signup).
