## PRESIDENT'S MESSAGE

Greetings,

I hope you are enjoying time off, vacations, and time with family through this summer season. Enjoy it! Before you know it, kids will be back to school and many of us back to the daily grind. This is a quick update since the board has taken the month of August off. We'll be back to regular meetings on September 18.

I do have an important update, however. We had a great turnout for the Annual General Meeting, and I'd like to thank those who attended. I would also like to thank those who have stepped up to join the board! I am pleased to report that we now have 12 board members for this year. I can't wait to kick off the new year in September with our new members.

I am also very grateful to have been elected to the role of President for the 2024-2025 year and look forward to serving the association. No doubt, there are big shoes to fill. However, we have a great team of board members and I know I'll be well supported through this inaugural term.

Many thanks,

*Andrew*

President

## **Declutter and Discover! Join Us for the Citywide Treasure Hunt: A Fun Event for All Ages!**

*by The City of Calgary, Waste and Recycling Services*

We are excited to announce the upcoming Curbside Treasure Hunt, taking place across Calgary on September 7 and 8. This is a fantastic community event where residents can set out items they no longer need, giving others a chance to find a hidden gem.

### Event Details:

- Dates: September 7 and 8
- Look through your home and gather any reusable items that you no longer need.
- Mark them with a “Free” label and place them at the curb on the designated event days.
- Treasure hunters rejoice! Anyone can come and pick up these items for their own use – it’s like a free garage sale right at your doorstep!
- If it’s still on the curb, let’s keep the community tidy and donate it!

The Treasure Hunt encourages Calgarians to explore their neighbourhoods, find unique items, and meet new people. It’s a wonderful opportunity to strengthen our community ties and supports our goal of reducing environmental impacts by reducing waste. Participants can place items they no longer need at the curb for others to pick up, fostering a spirit of sharing and community engagement.

## Treaty 7 Land Acknowledgment

We acknowledge that the Haysboro Community Association is on Treaty 7 land—the traditional and ancestral territory of the Blackfoot Confederacy: Kainai, Piikani, and Siksika, as well as the Tsuu T'ina Nation and Stoney Nakoda First Nation. We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis Homeland. We acknowledge the many First Nations, Métis, and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.

# DISCREET & CONVENIENT TEETH STRAIGHTENING

*“Your Oral Health  
Is Our Priority”*

#### COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

#### PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

#### INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

#### SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

#### REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

#### IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.
