COME VISIT OUR NEW WEBSITE!

[www.mclawslaw.ca](http://www.mclawslaw.ca)

Welcome May! Of all the year's months, I enjoy May the most. Winter is behind us, days are longer, and our attention shifts to summer vacation planning, outdoor activities such as hiking and cycling, and the occasional beverage on a patio. After a long winter, it brings a renewed spirit for the year.

This is a great time to consider volunteering for your community. Please look at the "call for community volunteers" advertisement in this issue and consider joining us. We are looking for community members of all ages, professions, skills, and passions. There are a variety of grant and funding opportunities offered by the city, province, and other private and non-profit organizations that can be utilized. If you have an idea to better the community, perhaps we can work together to make it a reality. Also, if you enjoy project management, there are several building and lifecycle projects for the community hall that could use a dedicated project manager. Please consider attending our community association meetings, held at 7:00 pm, on the third Wednesday of every month, at the hall. For May, we'll be meeting on the 15th.

Looking ahead, please stay tuned for information regarding our annual general meeting that will take place in June. All community members can attend and vote on key items, including board membership.

On May 3, 4, and 5, The Federation of Calgary Communities is hosting a series of free community-led "Jane's Walks" across Calgary. These are the legacy of Jane Jacobs (1916-2006) who was an urbanist that championed walking through your city, observing and interacting with people, and creating a community with a strong sense of belonging. Either through your normal routines, or through a community Jane's Walk, I hope that you have a chance to foster that spirit. If you have community inspirations to share, please bring them forward.

Happy spring

Sincerely,

*Andrew*

Vice-President

## Pardee's Puns

Taking steps to overcome my hiking addiction, I'm not out of the woods yet.

Women's roofing expo this weekend. All the shingle ladies will be there!

## Window and Balcony Safety

from Alberta Health Services

With the return of warmer weather, Emergency Medical Services (EMS) would like to remind parents and caregivers of an often-overlooked hazard in the home – access to open windows. Every year, paramedics respond to emergencies where a child has fallen from an open window, often from the second floor. These can be avoided by following safety measures. Take the time to assess potential hazards in your home before a preventable fall occurs.

### Windows and Screens

- Prevent access to windows by moving furniture such as cribs, beds, stools, and change tables out from under them.
- Keep drapery cords out of children’s reach. Wrap excess cord around cleats, or tie-downs to avoid a choking hazard.
- Remember, screens are not safety devices. They are designed to keep bugs out, not children in.

### Balconies

- Do not underestimate a child’s ability to climb. Furniture and other items stored on balconies and decks can be used to climb resulting in falls over the railing.
- Ensure that your balcony railings are not more than 10 cm (4 inch) apart. This will eliminate access between the vertical bars of a balcony, or deck.

### Further Prevention Tips

- Toddlers and preschoolers are at highest risk of falling from a window, or balcony, but it may happen at any age.
- Direct supervision of children is the single most effective way to prevent falls from windows and balconies.
- Install safety devices which limit the distance in which a window can open to a maximum of 10 cm (4 inches).
- Ensure the safety device can be released quickly, so the window can be used for escape in case of emergency.
- Consider purchasing a portable air conditioner, which will enable windows to stay closed and secure.

EMS is proud to be a member of the Partners Promoting Window and Balcony Safety. Take time to assess your home for window and balcony hazards and eliminate the risks before a preventable fall occurs.

## Treaty 7 Land Acknowledgment

We acknowledge that the Haysboro Community Association is on Treaty 7 land—the traditional and ancestral territory of the Blackfoot Confederacy: Kainai, Piikani, and Siksika, as well as the Tsuu T'ina Nation and Stoney Nakoda First Nation. We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis Homeland. We acknowledge the many First Nations, Métis, and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.
