OUR MISSION STATEMENT: The HCA, as a volunteer run organization, thoughtfully and constructively shapes our neighbourhood. We are innovative. We provide social and recreational programming; encourage and develop unique projects; and foster open dialogue with residents and stakeholders.

OUR VISION STATEMENT: A friendly, safe, and vibrant community of active and engaged residents.

PRESIDENT'S MESSAGE

Hello Haysboro,

Days are getting shorter, and nights are getting longer. Winter is coming again but don't let that get you down. In coming weeks, we'll have the outdoor rink up and running! Also, we are hosting the 2024 Haysboro Winter Market on November 30. Be sure to stop by!

We are always looking for volunteers to manage the ice rink. In fact, we'd love to have a volunteer to champion this outdoor work. Please reach out if you are interested.

We've received some great feedback from the community this past month. Thank you to the parents who completed the Afterschool and Preschool Survey in September. With more families moving to Haysboro, we want to be sure we support the community through programming that meets the diverse needs of the community. Preschool has been a part of the HCA for many years, and we want to continue to support parents.

We also received some great feedback from those who used the tennis courts this summer. Many thanks for helping us improve this service. We look forward to next year!

Our Planning Committee has been working hard on engaging community members on development in the community as there is much activity on this front. You may have met some of us around the community and we've appreciated the conversations we've had. Feel free to get/stay involved.

Wishing you all an enjoyable November.

Andrew

HCA President

Community Association

Treaty 7 Land Acknowledgment

We acknowledge that the Haysboro Community Association is on Treaty 7 land—the traditional and ancestral territory of the Blackfoot Confederacy: Kainai, Piikani, and Siksika, as well as the Tsuu T’ina Nation and Stoney Nakoda First Nation. We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis Homeland. We acknowledge the many First Nations, Métis, and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.

DISCREET & CONVENIENT TEETH STRAIGHTENING

*“Your Oral Health
Is Our Priority”*

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.
