OUR MISSION STATEMENT: The HCA, as a volunteer run organization, thoughtfully and constructively shapes our neighbourhood. We are innovative. We provide social and recreational programming; encourage and develop unique projects; and foster open dialogue with residents and stakeholders.

OUR VISION STATEMENT: A friendly, safe, and vibrant community of active and engaged residents.

PRESIDENT'S MESSAGE

Happy New Year, Haysboro!

I trust everyone had a great holiday season and an opportunity to bring in the new year in style. As always, the outdoor rinks were busy. This is always a welcome sight over the holidays.

I must say, I am happy that 2024 is behind us. It was a busy year as the Board worked hard to engage members on key matters affecting the association and community such as afterschool care and pre-school, large developments in the area such as Glenmore Landing, an updated Local Area Plan, a noise barrier, and a bicycle and pedestrian pathway project being undertaken by the City. It has been rewarding to hear your voices and perspectives.

For me personally, our engagement revealed the importance of dialogue and striving for common ground. Our community is evolving; we have more people moving in and a strong community of folks who have been here since the beginning of Haysboro. Through this evolution, our community will be shaped by how well we maintain a welcoming dialogue. With this thought, I think it fitting to share the HCA mission statement. It reads "The Haysboro Community Association, as a volunteer run organization, thoughtfully and constructively shapes our neighbourhood. We are innovative. We provide social and recreational programming; encourage and develop unique projects; and foster open dialogue with residents and stakeholders".

Please feel free to join the conversation. If you have suggestions as to how we can achieve our mission, we'd love to hear from you. Our board meetings are held at the Social Lounge of the Hall every third Wednesday of the month (7:00 to 9:00 pm). We hope to see you.

Regards,

Andrew Forsyth

HCA President

Treaty 7 Land Acknowledgment

We acknowledge that the Haysboro Community Association is on Treaty 7 land—the traditional and ancestral territory of the Blackfoot Confederacy: Kainai, Piikani, and Siksika, as well as the Tsuu T’ina Nation and Stoney Nakoda First Nation. We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis Homeland. We acknowledge the many First Nations, Métis, and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.

DISCREET & CONVENIENT TEETH STRAIGHTENING

*“Your Oral Health
Is Our Priority”*

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.

Sledding Safety

by Alberta Health Services

Emergency Medical Services (EMS) would like to remind parents and children about a few toboggan/sledding safety tips. Injuries may result from collisions with stationary objects on the hill, such as trees, poles, rocks, or even collisions with other people. Unprotected falls can also result in more serious injury if you lose control at high speeds. However, everyone can be safe and have fun on the toboggan hill by following these reminders.

Equipment

- Always ensure your toboggan, or sledding device, is in good repair. Inspect it for any damaged or missing parts before each use.
- Be certain the operator is fully capable of staying in control of the sled at all times.
- Wear a ski helmet, designed for use in cold weather and high speeds.

Hazards

- Avoid hills that are too steep or too icy.
- Choose hills free of all obstacles such as trees, rocks, utility poles, benches, or fences.
- Beware of loose scarves, or clothing containing drawstrings, which could present a strangulation hazard if they become caught or snagged.
- Look out for others. Move quickly to the side after finishing a run and stay to the side of the sliding path when walking up the hill.
- Children should be supervised by an adult; never toboggan alone.
- Sledding at night is not advised.

Plan Ahead

- Anticipate weather changes and plan accordingly.
- Wear warm, insulating layers closer to the body, and wind/waterproof layers on the outside.
- Consider bringing extra sets of gloves and toques to exchange wet garments for dry ones.
- Take breaks out of the cold to warm up.
- Even when properly protected from the elements, the fingertips, toes, ears, the tip of the nose, and other high points on the face such as the forehead and cheek bones can be affected by frostbite; therefore, attempt to cover up any exposed skin.

- If frostbite has occurred, treat it by first getting out of the cold environment, or at least sheltered from any wind chill.
- Gently warm the affected skin by placing a warm hand over it, or by placing the affected part in warm - not hot - water until re-warmed.

Haysboro Winter Market 2024 Recap

The Haysboro Winter Market, which ran at the hall on November 30, 2024, was a great success this year!

Despite low temperatures, the market was bustling from start to finish with eager shoppers visiting over 30 local vendors.

From ceramics to pottery, handmade arts to skincare, there was something for everyone. We heard from many customers, who enjoyed the high quality and beautiful items from our vendors. Many vendors were familiar faces right from our very own neighbourhood.

There are so many pieces that have to come together to make for a successful event. Thank you to Kaitie Brodeur (Sourdough Susan) and Mary Miller for their generous donations of cookies and coffee. Thank you to Cheryl for running her infamous book sale. Last but not least, we'd like to thank all our volunteers and our market organizers for helping to make such a wonderful day for our community.

Until next year, we hope you have a wonderful holiday season!
