HAYSBORO HALL HAPPENINGS

March is finally here! There is lots of buzz at the hall for spring and the Haysboro community has so much to offer. I encourage you to check out our website at haysboro.org and browse our multitude of programs. Sign up for a free membership and receive community information straight to your inbox. There are so many great opportunities to try something new with one of our local partners who operates out of the hall.

The Haysboro Community preschool has an open house on March 1. Online registration for the 2025/2026 season opens on March 8, 2025. Spots for our three-to-four-year-old classes often fill up fast so be sure to register early so you don't miss out on your choice time. It's a wonderful way for neighbourhood children (and caregivers) to get to know each other.

We will also be having a Jellybean Dance for kids and teens on March 16. Drop the kids off and socialize in the lounge with some snacks and drinks while the kids are dancing up a storm in the hall. It'll be a great time!

The preschool has also run multiple successful bottle drives and raised over \$1000 since September 2024. Hang onto your empties and keep your eyes out for signs around the neighbourhood. The next bottle drive will be on April 12th in the community hall parking lot.

Mark your calendars, we will be having our annual Easter Egg Hunt on April 19. Registration for specific times and ages will be available online.

PRESIDENT'S MESSAGE

Happy March!

It's been a very warm winter making management of the rink difficult, but our crews have managed to maintain a few great periods for skating. Many thanks to them for their hard work. Hope you all have a chance to get out and skate.

As an update, the board will be focusing on updating the business plan for the association over the next few months. It is a five-year plan that is required as part of our lease agreement with the City. It spells out our mission and goals for the next period and I'm looking forward to some great discussions with our board. All members are welcome to join. Please do so if you'd like to contribute to the direction of the HCA.

Just a short update this month. Please feel free to reach out to board members for any questions or concerns.

Regards,

Andrew Forsyth

What Goes Where?

by The City of Calgary

Sorting can be tricky, but every decision counts, and we're here to help you become a sorting pro.

Green bins are for food scraps and yard waste, and your blue bin is for acceptable household paper, cardboard, and container packaging.

Some old and broken household items don't always have to end up in the black bin, there are a range of programs and services to help divert waste from our landfills and give items a second life.

Together, we can make a big impact and become recycling and composting champions.

If you're unsure where an item belongs, visit calgary.ca/whatgoeswhere to find the 'Right Bin for the Win!'

Preschool Registration

Haysboro Preschool is an affordable program at the community hall, run by teachers with specialized Bachelor Degrees in Education.

We provide a safe learning environment for three and four-year-olds to practice appropriate social, emotional, motor, language, and intellectual skills through consistent activities. We partner with LEAD to provide early intervention services for children who may benefit from services like speech/language or occupational therapy (fine motor skills).

A typical class would involve circle time, singing and dancing, free play, craft, cleanup, snack time, and outdoor time.

Three-Year-Old Program:

Tuesday and Thursday mornings, 8:45 to 11:00 am

Four-Year-Old Program:

Monday, Wednesday, and Friday mornings, 8:45 to 11:00 am

Online registration for 2025/2026 preschool will open to Haysboro residents as of 9:00 am March 8. Public registration will open at 9:30 am.

Please note that you must have a valid Haysboro Household or Associate Membership to register.

For more information, please visit haysboro.org/preschool.

DISCREET & CONVENIENT TEETH STRAIGHTENING

“Your Oral Health Is Our Priority”

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.

Calgary.acadia@assembly.ab.ca

@dianabatten_ @DianaBatten_

Hello Calgary-Acadia,

This has been a roller-coaster of winter, both in the weather and in politics. The office has seen an increase in healthcare concerns with over 200 emails in the three months before this article was published. The restructuring, firing of health boards, non-scientific COVID report, removing funding for vital eye health checkups for seniors and children, and a general lack of planning for solving the primary care crisis have continued to concern Calgary-Acadians. I returned to the legislature at the end of February and with my colleagues in opposition, we continue to advocate for the health of all Albertans.

The Government has recently made changes to both the Child Care Subsidy and AISH without consultation or providing details. In my role as Shadow Minister, I am meeting with families and daycare providers affected by childcare funding changes. The announced changes will make childcare less affordable for some of our most vulnerable Albertans. This is cruel.

The constituency office received an overwhelming response to changes made to coal activity on the Eastern slopes. Many of you are concerned that Minister Jean's promise to uphold water and environmental standards is not a priority. This decision affects all of us and Calgary-Acadians made their voices heard. Thank you for this advocacy and continued engagement. Your voice is important.

I hosted a Healthcare town hall at the end of January with my neighbour in Calgary-Glenmore, MLA Nagwan Al-Guneid. Medical experts who are leaders in their profession answered many passionate questions from the audience and untangled some healthcare misinformation. The full event showed how engaged the folks in Calgary Acadia are. I will continue to find ways to engage with everyone in Calgary-Acadia whether in town-halls, Brews with Batten, or on your doorstep. Please let me know what you are concerned about.

Cheers,

Diana
