Green Calgary

ENMAX

YOUR CITY OF CALGARY

Green Cart Collection Update

by the City of Calgary

Starting in November, green cart collection will shift to an every-other-week schedule. This seasonal change helps match service to the lower volumes of yard waste we typically see once colder weather arrives.

Weekly green cart collection will return in April 2026, just in time for spring clean-up season when yard waste begins to pick up again.

We understand Calgary's weather can be unpredictable, and to keep the Green Cart program reliable and cost-effective, we set the schedule using long-term trends. This means collection times are based on when green cart volumes usually decline and when snowier conditions are more likely. By planning well in advance, the City ensures the right number of trucks, drivers, and resources are in place to keep the program running smoothly.

There are a few easy ways to stay on top of your collection days and keep things simple:

- Visit calgary.ca/cartschedule to check your cart pickup schedule or sign up for free reminders.
- Download the Calgary Garbage Day app to get automatic notifications about collection days and seasonal changes.

Thank you for helping keep Calgary clean and green, no matter the season!

Yielding to Emergency Vehicles

by Alberta Health Services

For everyone's safety, it is important motorists understand how to correctly yield right-of-way to emergency vehicles when their lights and sirens are activated. You can help all first responders navigate roads quickly and safely by following these basic rules.

When an emergency vehicle approaches with lights and siren activated:

- If you're in the middle of an intersection when an emergency vehicle approaches with lights and siren activated, safely clear the intersection; be prepared to pull over.
- On a one- or two-lane road, motorists should move to the right side of the road, slow down, and then stop, remaining parallel with the road. Remember to signal.
- On one-way streets move to the nearest curb, either the right or left.
- On a road with three or more lanes, motorists should move to the nearest side of the road and stop. If driving in the centre lane, move to the right side of the road and stop. Remember to signal.
- Come to a complete stop and wait for the emergency vehicle to pass. Shoulder check for more emergency vehicles before re-entering traffic flow. Remember to signal.
- Emergency vehicles might use any available road space to maneuver. This could include shoulders or turning lanes, etc., in order to safely pass other traffic.

When operating a vehicle:

- Reduce speed to 60 km/h or the posted speed, whichever is lower, when passing any stopped roadside vehicle with flashing lights activated (emergency vehicles, tow trucks, maintenance trucks, etc.). This law applies to the lane immediately next to the stopped vehicles. If you're not in the lane next to the stopped vehicles, it is recommended to reduce speed and leave lots of space between yourself and emergency personnel.
- Do not break the rules of the road in order to give right of way to an emergency vehicle. This could include proceeding through a red light or making an illegal turn. Actions such as these jeopardize all motorists in the area.

- Drivers must place their full attention on the road and the safe operation of their vehicle at all times. The fine for distracted driving in Alberta is \$300 and three demerit points.
- Do not drive within 150 meters of an emergency vehicle with its siren and/or flashing lights on. For reference, 150 m is nearly 1.5 times the length of a football field.

Adventures Before and After School Childcare

Are you looking for before and after school care in Haysboro?

We've partnered with Adventures Child Care, who many of you may know from their summer camp program at the HCA.

Together, we're working to bring a year-round before and after school care program for children in Grades 1 to 6, operating right out of the HCA (1204 89 Avenue SW). This program would serve Haysboro School, and if there's enough interest, we could look at extending it to Eugene Coste School as well!

We would love to open Adventures Care in January or September, but this can only happen if we reach 15 confirmed registrations. Without this minimum, we cannot move forward.

Once we have 15 families committed, we can begin the licensing process (which takes approximately three to six months), and then we can officially open the HCA as a licensed before and after school care facility.

Right now, we don't yet have enough registrations. If you are interested, whether for January or for September 2026, please register as soon as possible. Early commitment is essential; without it, Adventures will not be able to move ahead.

If you're interested, please contact Alexis at acadia@adventureschildcare.ca.

Thank you for helping us build more great opportunities for families in Haysboro!

The event will take place on November 8 from 11:00 am to 3:00 pm at the HCA (1204 89 Avenue SW).

Participants must drop off toys beforehand at the location sent in the email once you are registered. Drop off dates will be between October 8 to November 7.

We look forward to seeing you at the toy exchange! Thank you for your generosity!

The HCA is looking for teen shovelers to join our Seniors' Snow Care Program! If you're ready to help your neighbours and earn some extra cash this winter, we want to hear from you!

Seniors who'd like a hand with snow removal this season can also sign up for our Snow Care services.

What do "The Persistence of Memory" and the Chupa Chups logo have in common? Well, they were both created by surrealist Salvador Dalí! Asked by founder Enric Bernat to improve the candy wrapper, Dalí sketched the now-iconic daisy-shaped logo in a café on a piece of newspaper.
