## Adventures Before and After School Childcare

Are you looking for before and after school care in Haysboro?

We've partnered with Adventures Child Care, who many of you may know from their summer camp program at the HCA.

Together, we're working to bring a year-round before and after school care program for children in Grades 1 to 6, operating right out of the HCA (1204 89 Avenue SW). This program would serve Haysboro School, and if there's enough interest, we could look at extending it to Eugene Coste School as well!

We would love to open Adventures Care in January or September, but this can only happen if we reach 15 confirmed registrations. Without this minimum, we cannot move forward.

Once we have 15 families committed, we can begin the licensing process (which takes approximately three to six months), and then we can officially open the HCA as a licensed before and after school care facility.

Right now, we don't yet have enough registrations. If you are interested, whether for January or for September 2026, please register as soon as possible. Early commitment is essential; without it, Adventures will not be able to move ahead.

If you're interested, please contact Alexis at [acadia@adventureschildcare.ca](mailto:acadia@adventureschildcare.ca).

Thank you for helping us build more great opportunities for families in Haysboro!

## Kids Up Front

Did you know, if you are a member of the Haysboro Community Association, you can request free tickets for your family (with children) to enriching experiences like art, culture, and sporting events through Kids Up Front?

Kids Up Front is an organization dedicated to ensuring all kids have access to fun, enriching experiences. The HCA is a partner agency; that means we help get free tickets and experiences into the hands of local families.

Requested tickets could include (but aren't limited to) Storybook Theatre, Theatre Calgary, Stampede, Roughnecks, Hitmen, Wrangler, or Cavalry FC games. It's a wonderful opportunity for you to spend some quality time with your family taking in an experience you may not have had if you had to purchase it.

The HCA has already provided many Haysboro families with memorable experiences to date. Tickets are first come first served. Sign up for a Haysboro membership on our website! If you would like to join the HCA mailing list for Kids Up Front opportunities, please email [info@haysboro.org](mailto:info@haysboro.org).

## What Is Cart Contamination?

*by The City of Calgary, Waste and Recycling Services*

We talk a lot about putting the right items into your blue, black, and green carts to avoid contamination. But what exactly is contamination?

Contamination is when the wrong items are put in the wrong bins. Sorting your waste into the right carts ensures material ends up at the right facility to be turned into new products or to be disposed of properly.

Most people do a good job with their carts. But the consequences of contamination create real challenges that impact the waste facilities, the health and safety of workers, and increase program costs for Calgarians.

Working together, we can keep our facilities and staff safe while ensuring our waste programs run properly.
