OUR MISSION STATEMENT: The HCA, as a volunteer run organization, thoughtfully and constructively shapes our neighbourhood. We are innovative. We provide social and recreational programming; encourage and develop unique projects; and foster open dialogue with residents and stakeholders.

OUR VISION STATEMENT:
A friendly, safe, and vibrant community of active and engaged residents.

HAYSBORO HALL HAPPENINGS

We had an amazing time at the Neighbour Day Haysboro Picnic in the Park! Thank you to everyone who came out to celebrate community, friendship, and all the things that make Haysboro such a special place to call home. The Racquet Club Kick-Off Party was also a huge success! A special thank you to the volunteers who helped organize and run both the events—we couldn't have done it without you. Here's to a fantastic summer in Haysboro!

Haysboro Racquet Courts

Let's work together to keep the courts clean and enjoyable for everyone. Please take a moment before and after play to use the court broom to sweep the surface, especially around benches and high-traffic areas where debris can build up. All garbage should be properly disposed of in the bins provided—this helps maintain a safe, welcoming, and well-kept space for all users.

A friendly reminder that Racquet Club memberships must be renewed each season. If you haven't signed up yet this year, please take a moment to purchase your 2026 membership at haysboro.org so you can continue enjoying access to the courts.

Summer Camps

Summer camp registrations are open for programs run out of the HCA. Currently, we have Adventures Child Care, Engineering for Kids, Calgary Sewing School Sewing Camp, Rainbow's School of Fairy Magic with The Harp Fairy & Miss Karebear, and Mini Titans Camp—each bringing a unique and engaging experience for campers. A full list of summer camps taking place at the HCA is available at haysboro.org/summercamps. Please note that registration is done directly through each camp provider.

Seniors Lunch and Learn

Our Seniors Lunch and Learn series has now come to a close for the summer. We're so grateful for the wonderful turnout and engagement we've had throughout the program. A special thank you to Iris Spurrel from Carya for sharing her knowledge and guiding us through practical and valuable financial wellness tips in such a welcoming and comfortable setting over lunch.

It's been a fantastic season of learning, conversation, and connection, and we appreciate everyone who

joined us to take part. We look forward to welcoming you back when the series returns in fall 2026 for another great season of Lunch and Learns.

Tot Time

Tot Time has now wrapped up for the summer season, and we hope to see it return again in the fall. Thank you to everyone who participated and helped make it such a fun and welcoming program for our little ones.

We are currently looking for a volunteer to help run Tot Time on Monday mornings from 9:00 to 11:00 am. This is a great opportunity to support community programming and connect with local families. If you are interested in volunteering, please contact info@haysboro.org. A current police check is required for this role.

We will be moving to summer office hours starting in July. The office will be open on Thursdays from 10:00 am to 2:00 pm. For faster responses, email info@haysboro.org or rentals@haysboro.org.

Give Your Child the Best Start at Haysboro Community Preschool

The preschool years are filled with incredible growth, curiosity, and discovery. At Haysboro Community Preschool, we provide a nurturing, play-based environment where children build confidence, independence, friendships, and a love of learning that will support them well beyond kindergarten.

For nearly 30 years, local families have trusted our preschool to help their children take those important first steps into a classroom setting. Our experienced teachers create a warm and welcoming space where every child is known, valued, and encouraged to explore, create, and grow at their own pace.

Why Families Love Haysboro Community Preschool

- Small class sizes that allow every child to receive individualized attention.
- Experienced, university-educated teachers who are passionate about early childhood education.
- Play-based learning that develops social, emotional, cognitive, and physical skills.
- A caring community where children build meaningful friendships and a sense of belonging.

- Affordable tuition that makes quality early learning accessible to families.
- A strong focus on kindergarten readiness through hands-on learning and exploration.

At Haysboro Community Preschool, children don't just learn their ABCs and numbers—they learn how to make friends, solve problems, gain confidence, express themselves, and develop the independence they'll need for future success.

HCA Gardening Committee

A huge thank you to our dedicated HCA Gardening Committee for the time, care, and hard work they put into keeping Haysboro's parks, gardens, and green spaces looking beautiful throughout the season!

Despite the rainy weather, we had a fantastic turnout at our June 7 Plant Swap and Sale. Thank you to everyone who attended, donated plants, shared gardening tips, and helped make the event such a success. It was wonderful to see neighbours connecting, exchanging ideas, and finding inspiration for their gardens.

Do you enjoy gardening and want to help enhance the beauty of our community?

We're looking for "Garden Angels" to help care for four of our community gardens this summer. If you have a day or two to spare, we'd love your help checking on a garden—watering plants and perhaps pulling a few weeds when needed.

To learn more, please email garden@haysboro.org, and we'll send you information about which gardens need a Garden Angel, along with available sign-up dates.

Any help you can provide is greatly appreciated!

Heat-Related Illness

by Alberta Health Services

ALTA Paramedic Health would like to remind everyone to stay safe in the heat and sun this season. While children, older adults, and individuals with underlying health conditions may be more susceptible to the effects of heat and sun, everyone should take basic preventive measures to avoid heat-related illness during periods of hot, humid weather. Text HEAT to 88111 to receive tips on heat safety.

Heat Exhaustion

- Heat exhaustion can occur due to excessive fluid loss during prolonged sweating in a hot and/or humid environment (indoors or outdoors).
- Symptoms may include headache, weakness, fatigue, nausea/vomiting, thirst, chills, and profuse sweating.
- The person is often cool and damp to the touch, and the skin may appear pale or dusky grey.

Heat Stroke

- Heat stroke is a medical emergency and, without prompt treatment, can be fatal.
- It occurs when the body is unable to regulate its temperature (e.g., through sweating), causing body temperature to rise to dangerous levels.
- Due to severe dehydration and failure of the cooling system, the skin may appear hot, dry, and flushed.

First Aid

- First aid for all heat-related illness begins with removing or sheltering the person from the hot environment.
- Remove excess or tight-fitting clothing and allow the person to rest in a cool environment.
- If the person is conscious and alert, provide suitable fluids such as water, juice, or a sports drink.
- If you are concerned, seek medical attention.

Prevention

- Stay well hydrated by drinking water regularly.
- Be aware that excessive alcohol and caffeine consumption may contribute to dehydration.
- Wear a broad-brimmed hat to protect your face and neck from the sun.
- Apply (and reapply) water-resistant sunscreen with a minimum SPF of 30+, especially for children.
- The sun's UV rays peak between 11:00 am and 3:00 pm, even on cloudy days.

Green Bins Are for Food Scraps and Yard Waste

by The City of Calgary, Waste and Recycling Services

Food scraps belong in the green cart, but packaging does not. Plastic does not compost and can break into small pieces during processing, which can contaminate the finished compost. All food scraps must be separated from packaging before composting, even if the packaging says it is biodegradable or compostable.

A few simple habits can make a big difference:

- Remove all plastic before putting food scraps in the green bin.
- Empty and clean plastic, glass, and metal containers go in the blue cart.
- Plastic wraps, foam, and other non-compostable packaging belong in the black cart.

Putting food scraps in the green cart and packaging in the right bin helps keep compost clean. If you are not sure where an item goes, visit <https://www.calgary.ca/waste/what-goes-where/default.html>.
