Phone: 403-255-1400  
 Email: [admin@kingslandcommunity.ca](mailto:admin@kingslandcommunity.ca)  
 Book your event early!

## PRESIDENT'S MESSAGE

Happy June Neighbours!

Summer is around the corner, and I am happy to see how well my flowers from our spring Flower Fundraiser are doing. Thank you to all who were able to support our fundraiser.

The Parade of Garage Sales is the weekend prior to Neighbour Day, Saturday, June 8, 2024, so get your saleable treasures ready and reach out to get onto the map for the big day.

Our Cleanup Day is Saturday, June 15, 2024. Cleanup will start in the morning, and we are planning kids' activities and a BBQ! Watch for updates on our social media and website. Seeking volunteers for assistance in making this a memorable day!

The Kingsland School site demolition should be completed by the end of this month. The City and our subcommittee have a few ideas in mind to activate the space for summer 2024 while we work together on a vision for the site.

For the first week of July we have engaged with the City of Calgary for a free kids' day camp on the KCA grounds

– keep an eye on our website and social media for updates as they arise.

To stay up to date on all things Kingsland Community, make sure to check out our website's homepage to see what's new in our neighbourhood and follow us on social media at @kingslandcommunityyc! We also have an email newsletter that goes out every month or two – subscribe to the eNewsletter using the purple button at the very bottom of our website.

We love input and ideas for events, activities, or community enrichment from our residents, connect with us!

If you have any interest in volunteering with us, please reach out by email through [admin@kingslandcommunity.ca](mailto:admin@kingslandcommunity.ca).

All the best,

*David Sanderson*

KCA President

*\*Note this message is written one month in advance*

The graphic features the Calgary logo on the left, followed by the title "Weekly Farm Stands" in a large, bold font. Below the title is an illustration of a farm stand scene with people, plants, and a sign that says "Support Local". At the bottom, the text "Support local" is followed by the URL "calgary.ca/localfood" in red.

# CRIME PREVENTION AND SAFETY

## What Do Motorcycles, Bicycles, and Pedestrians Have in Common in Kingsland?

At last, the sounds of summer have arrived! Coming out of a long, somewhat mild winter, Calgarians are ready to settle into the enjoyment of warm weather, flip-flops, and BBQs. For many, however, summer means trading the mode of transportation from four wheels to two - bicycles and motorcycles. These enthusiasts eagerly await the warmer months for the freedom their bikes bring them. Life is good!

### Please Slow Down!

Motorcycle and bicycle safety in our neighbourhoods is critical and requires the focused efforts of both riders and the communities they travel through. The busy and often congested streets of residential and construction areas, present challenges for both motorcyclists and bicyclists alike. For the past few years, Kingsland has seen an increase in construction in our residential areas as part of the City's Densification Project. Navigating through these construction areas on a bike or motorcycle presents a unique challenge that requires heightened awareness and skill as construction zones often have reduced speed limits, sudden lane changes, uneven surfaces, and unexpected obstacles, all of which demand the rider's full attention.

### Making the Point

Last year, Calgary experienced five fatal motorcycle collisions, three of which involved speed by the motorcyclist. Please slow down!

### For Those on Bicycles

A cyclist, much like their counterpart riding the motorcycle, bears a significant responsibility for maintaining safety on the roads as well. Following the

rules of the road is crucial, not only for the rider's safety but also for the safety of others sharing the road. Signaling turns, stopping at stop signs, and adhering to traffic signals make bicyclists' actions predictable to motorists, pedestrians, and other cyclists. This predictability is key in preventing accidents!

Whether riding a pedal or motorized bike, cyclists must always be mindful of their speed, especially in areas where children may be playing near the roadway. Kingsland has only two playgrounds and both are located on busy residential streets. The importance of adhering to safety protocols cannot be overstated. By following the rules and reducing the risk of accidents, we all stay safe.

### Talking to the Pedestrian

The responsibility for road safety is not solely borne by those with wheels. Pedestrians, too, are expected to exercise due care when navigating roadways as well. Staying alert, avoiding distractions like smartphones when crossing streets, and making eye contact with drivers at intersections can significantly reduce risks. Moreover, using designated crossing points and sidewalks where available is a simple yet effective way to decrease the likelihood of accidents.

### BTW - Did You Know?

Pedestrians have the right of way at a crosswalk unless a peace officer or traffic control device directs otherwise. This means that even if the crosswalk is unmarked, vehicles must stop and yield to pedestrians. Failing to yield to a pedestrian in a crosswalk can result in an \$810 fine and four demerit points. However, a pedestrian crossing a roadway outside a crosswalk must yield the right of way to vehicles.

Whether riding or walking, by staying vigilant, and having patience and respect for each other's right to use the road, we can all contribute to a safer and healthy community.

### Coming Back to the Question: What Do Motorcycles, Bicycles, and Pedestrians Have in Common in Kingsland? Answer: Construction Zones!

Residential construction zones are a common feature in Calgary and the north end of Kingsland is no exception. Construction zones bring with them unfamiliar sights and sounds, not to mention the inconvenience of detours. Whether your mode of transportation is two

Second Sunday of each month - St. Brigid Catholic Church

wheels or two legs, one of the biggest problems with these construction zones is the distractions they bring! Anytime you approach one of these areas, it's important to always keep in mind that distractions can make you invisible to others! Never presume you are seen! Staying vigilant whether riding a bike, a motorcycle or just walking, is paramount to staying safe.

And that's the point - let's all do our part, no matter where we are, to have a fun-filled summer!

## It's time to lock up. 9 p.m. Routine

- ✓ Remove valuables from car
- ✓ Lock your car
- ✓ Lock your house & windows
- ✓ Close & lock garage door
- ✓ Turn on exterior lights

## Psssttt...

### Crime Statistics

### Real Estate Statistics

## Backyard Play Safety

by Alberta Health Services, EMS

Emergency Medical Services (EMS) would like to encourage parents and caregivers to ensure their backyard play areas are made safe for children this summer. Although direct supervision is the best method to reduce the chance of injury, always ensure play equipment in your yard is in good repair and is suited to the age and skill of the children using it. Check the equipment often; replace or repair any worn or broken parts. It's also advised to set up play equipment on top of a nine-inch layer of shock-absorbing material which extends six feet out in all directions from the play area.

### Water Hazards

- Drowning contributes to unintentional injury-related death among children ages one to four.
- Children can drown in just a few centimetres of water if it covers their mouth and nose.
- Ensure all backyard swimming pools are fenced. The fence must be at least 1.8 metres high and have a self-latching, self-closing, lockable gate (\*Alberta Building Code).

### Lawn and Garden Tools

- Keep young children away from outdoor power equipment.
- Serious burns may result from touching hot engine surfaces.
- Ensure that all sharp tools, fuel, chemicals, and other hazardous substances are stored in a secure, locked area. A simple latch may not be sufficient.

### Insect Bites and Stings

- Minimize the risk of attracting insects by not wearing strong perfumes or scented lotions.
- Avoid wearing brightly coloured clothing outdoors.
- Consider destroying or relocating hives and nests situated near your home.
- To avoid injury through inadvertently stepping on a stinging insect, always wear footwear outdoors.
- If your child has received an 'EpiPen, Junior' prescription from your physician (for anaphylactic reactions only) ensure they understand when and how to use it.
- If your child experiences a severe reaction to an insect sting, or other environmental cause, seek medical attention, or call 911.

📱 dianabatten\_ 📧 @DianaBatten\_

Hello Calgary-Acadia!

By the time you read this, the 31st Legislature will have concluded, and I'll be back in the community. Connecting with folks on doorsteps, in coffee shops, at town halls, and everywhere else has been the highlight of my role. I've visited schools, engaged with community leaders, celebrated new businesses, and continue to enjoy what makes Calgary-Acadia such a great place to live and work.

Our office has been busy handling close to 300 cases over the last three months. Most of these concerns were concentrated on healthcare, LGBTQ2S issues, affordability, and environmental concerns. My colleagues and I are committed to ensuring that the government remains focused on addressing the needs and concerns of Albertans. Whether it is ensuring healthcare is accessible and available for everyone, protecting the vulnerable, finding ways to make our lives more affordable, or advocating to protect Alberta's beautiful parks and wild areas, we are committed to keeping the government focused on what matters most to you.

Calgary has witnessed the highest increase in rent across the country, affecting many Calgary-Acadia constituents directly. If you have questions regarding your rights as a tenant, please don't hesitate to reach out to our office. We can connect you with the resources that are available.

I am excited to see many of you at community Neighbour Days, Stampede Breakfasts, while walking your dogs, and all the other fantastic summer activities happening in Calgary-Acadia and throughout the city.

Wishing you a summer filled with sunshine and fun!
