Support Victoria Fortuna and Her Family After a Tragic Highway Accident

In the early evening of February 8, 2026, the Fortuna family's life was forever altered by a devastating and senseless accident.

Victoria, a 21-year-old student at MacEwan University, and her father, Paul Fortuna, 53 years old, were the innocent victims of a horrific and tragic vehicle accident that occurred in Edmonton, Alberta. Sadly, her father, Paul, succumbed to his injuries at the scene, and Victoria has been left with catastrophic, life-threatening, and life-altering injuries. She is currently fighting for her life and receiving critical medical care at the University Hospital in Edmonton.

Donate to this GoFundMe by scanning the QR code to help ease the inconceivable financial hardship the Fortuna family is facing. The family is deeply grateful for the kindness, prayers, and support they have already received. Your generosity, through a donation or by sharing this GoFundMe, will allow them to focus on supporting their beloved Victoria through her long recovery journey. It takes a village and every donation counts.

Thank you for standing with them during this unimaginably difficult time.

Book your event early!

July 30 is National Cheesecake Day!

Try baking one of your own to celebrate!

Ingredients

- 2 cups of graham crumbs
- 1/2 cup of butter or margarine, melted
- 1/4 cup of white granulated sugar
- 2 tsp of nutmeg (optional, make it whatever flavour you would like)
- 2 blocks of cream cheese (6oz)
- 1/2 cup sour cream
- 3/4 cups of white granulated sugar
- 2 eggs
- 1 tbsp vanilla extract, or vanilla bean paste

Instructions

1. Preheat oven to 325° F. The lower temperature will help the centre cook without burning the exterior.
2. In your 9' spring pan or baking dish, pour in your graham crumb, 1/4 cup of sugar and melted butter. Using your hands gently combine everything until it becomes equally incorporated. It should feel like wet sand. If mix seems too dry you can add a little more butter to help it stick.
3. Spread the mixture evenly across the base of the pan and firmly press down into an even layer. Feel free to use a heavy glass or another pan to help pack it down.
4. Set aside while preparing the filling.
5. In a large bowl add your cream cheese blocks, sour cream, nutmeg, and sugar.
6. Beat the two ingredients together either with a hand mixer on speed 2, or by hand if you prefer. We are looking for the mixture to be smooth and fluffy.
7. Add the eggs and vanilla and continue mixing. At the end you should have a smooth, thick batter that coats the blades of your mixer.
8. You've made it! This is the easy part. Simply pour your batter overtop of the prepared base, smooth out the top to make it as even as possible, and place it in the oven. Let it bake for 45 minutes to an hour. If you're feeling fancy, you can spray some water into the oven around the halfway point. This steams the oven and can give the cheesecake a more even tone. You know it is done when you gently shake the pan and there is little to no movement in the centre
9. Remove from the oven, rest at room temperature until completely cooled, and enjoy your delicious cheesecake.

PRESIDENT'S MESSAGE

Happy Canada Day and Happy Stampede, Neighbours!

First, a big thank you to all the volunteers and residents who supported our June KCA events: the Together We Thrive Market, Community Cleanup Day, and Neighbour BBQ. It was wonderful to see so many members of our community out and connecting with one another. A special thank you to Trico LivingWell for their food donation, which helped make the BBQ possible.

Annual memberships for the Kingsland Community Association were processed in June. If you haven't already purchased your membership, you can still sign up online. Memberships are affordable and help support programs, events, and advocacy efforts in our community:

- Individuals and families: \$20 per year
- Seniors (65+): by donation
- Businesses and associate members: \$25 per year

Are you interested in helping shape the future of Kingsland? We are currently looking for community members to join our Planning Committee. If you'd like to get involved, please reach out to admin@kingslandcommunity.ca.

To stay up to date on everything happening in Kingsland, visit our website and follow us on Instagram [@kingslandcommunityyc](https://www.instagram.com/kingslandcommunityyc). You can also subscribe to our eNewsletter using the purple button at the bottom of our website to receive updates every month or two.

We always welcome ideas and feedback from residents regarding events, activities, and ways to strengthen our community. If you're interested in getting more involved, please visit our website to learn about open board positions or email president@kingslandcommunity.ca to discuss joining the board.

Yeehaw!

Finding the Right Therapist: How to Search for the Help You're Actually Looking For

by Nancy Bergeron, R.Psych | info@nancybergeron.ca

Searching for a therapist can feel overwhelming. A quick online search can bring up hundreds of profiles, all using different titles, specialties, and approaches. If you're already struggling with anxiety, depression, relationship issues, trauma, or another challenge, figuring out where to start can feel like another burden.

Start With the Problem You Want Help With

Many people begin their search by simply typing "therapist near me" into Google. While this can generate a list of providers, it's often more effective to search based on the specific issue you're experiencing.

For example:

- Depression counselling
- Couples counselling
- Trauma therapist
- ADHD therapist
- Grief counsellor
- Intimate betrayal trauma therapist
- Addiction therapist

Look Beyond the Therapist's Credentials

A therapist's designation tells you they have completed certain educational and licensing requirements. However, it doesn't tell you what they actually spend their time helping clients with.

When reading therapist profiles, pay attention to:

- Their areas of specialization
- Their experience treating your concerns
- Additional training or certifications
- Whether their approach resonates with you

Understand That Not All Therapy Is the Same

Some therapists focus on helping you understand patterns from your past. Others teach practical skills for managing symptoms in the present. Some specialize in relationship dynamics, while others focus on trauma recovery or behavioural change.

You don't need to become an expert in therapeutic modalities, but it can be helpful to ask questions such as:

- What does treatment usually look like?
- What can I expect in the first few sessions?
- Do you have experience helping people with situations similar to mine?

Read the Therapist's Website

A therapist's website often tells you much more than a directory profile.

As you read, ask yourself:

- Do I feel understood?
- Does this therapist seem knowledgeable about my concerns?
- Do they explain things clearly?

Sometimes a therapist's personality and communication style are just as important as their credentials.

Don't Ignore the Importance of Fit

Research consistently shows that the relationship between therapist and client is one of the strongest predictors of successful therapy.

After a consultation or first session, consider:

- Did I feel heard?
- Did I feel comfortable enough to be honest?
- Did this therapist seem to understand what I'm going through?

Ask Questions Before Booking

Many therapists offer a brief consultation. Use this opportunity to ask questions such as:

- Have you worked with concerns similar to mine?
- What is your experience with this issue?
- What does therapy usually look like?
- How often do clients typically attend sessions?
- Do you offer virtual or in-person appointments?

You are interviewing the therapist just as much as they are assessing whether they can help you.

Trust Your Gut

Credentials, experience, and training are important, but so is the feeling that you're sitting across from someone who genuinely understands you and knows how to help.

The right therapist won't have all the answers immediately. They won't promise quick fixes. What they will offer is a safe, supportive relationship, a clear path forward, and the expertise to help you navigate whatever challenges brought you to therapy in the first place.

Heat-Related Illness

by Alberta Health Services

ALTA Paramedic Health would like to remind everyone to stay safe in the heat and sun this season. While children, older adults, and individuals with underlying health conditions may be more susceptible to the effects of heat and sun, everyone should take basic preventive measures to avoid heat-related illness during periods of hot, humid weather. Text HEAT to 88111 to receive tips on heat safety.

Heat Exhaustion

- Heat exhaustion can occur due to excessive fluid loss during prolonged sweating in a hot and/or humid environment (indoors or outdoors).
- Symptoms may include headache, weakness, fatigue, nausea/vomiting, thirst, chills, and profuse sweating.
- The person is often cool and damp to the touch, and the skin may appear pale or dusky grey.

Heat Stroke

- Heat stroke is a medical emergency and, without prompt treatment, can be fatal.
- It occurs when the body is unable to regulate its temperature (e.g., through sweating), causing body

temperature to rise to dangerous levels.

- Due to severe dehydration and failure of the cooling system, the skin may appear hot, dry, and flushed.

First Aid

- First aid for all heat-related illness begins with removing or sheltering the person from the hot environment.
- Remove excess or tight-fitting clothing and allow the person to rest in a cool environment.
- If the person is conscious and alert, provide suitable fluids such as water, juice, or a sports drink.
- If you are concerned, seek medical attention.

Prevention

- Stay well hydrated by drinking water regularly.
- Be aware that excessive alcohol and caffeine consumption may contribute to dehydration.
- Wear a broad-brimmed hat to protect your face and neck from the sun.
- Apply (and reapply) water-resistant sunscreen with a minimum SPF of 30+, especially for children.
- The sun's UV rays peak between 11:00 am and 3:00 pm, even on cloudy days.

July's Reflection

by Michelle Macdonald, Letter Writing and Mail Club Enthusiast.

If you were given a travel pass, but could only visit fictional places (think myths, fairytales, movies, or books), where would you go, and how would you pass the time?

Dear reader,

When I considered this delightful question, one place instantly captured my imagination: Hobbiton from *Lord of the Rings*. The thought of stepping into that beautiful, safe, cozy world evokes a powerful sense of nostalgia and longing for a pastoral life. Since watching that movie decades ago, I have thought about how idyllic life would be in Hobbiton. The soft, rolling hills, lush green grass, and livestock in the paddocks create such a romantic setting.

Hobbiton represents an escape from the chaos and harsh realities of the world. Life in Hobbiton is quiet and simple, offering a refreshing break from our busy modern life.

In this charming world, I would spend my days in the paddocks, tending to my flock of sheep. Every seed I plant would thrive and grow enormous, plump, and absolutely delicious fruit and vegetables. I would also enjoy gathering wildflowers and decorating my home with them, brightening up the enclosed hobbit home with colour and life. In this fantasy, they wouldn't make me sneeze, and I wouldn't be allergic to them!

A life in Hobbiton would force me to be present and grateful for the beauty of everyday life, which is something I could use more of. However, knowing my restless nature, I may eventually grow bored with the monotony and seek out some excitement. Good thing wizards come to visit, and Middle Earth is close by.

Happy writing,

Michelle
