MESSAGE FROM THE BOARD

Hello Neighbours!

With January in the rearview mirror, 2025 is well under way. The ACA has a lot in store for the community, and we are excited to share it all with our members. February marks the first ACA event of the year, and we hope you are all as excited as we are to join in with the Winter Carnival.

Annual Winter Carnival

This year's annual Winter Carnival will be held on Saturday, February 8 at the ARC. You won't want to miss out on our biggest and longest standing event! There will be carnival games with prizes, raffles, a snowperson building contest, bake sale, horse drawn carriage rides, and so much more! Entry is free for ACA members, and \$5 for non-members. We hope to see you there with the whole family for some outdoor winter fun!

Grassroots Soccer Program

Registrations for our spring soccer program are open now! Sign your kids up to make new friends, learn new skills, and have lots of fun! The program is for ages 3 to 12 and it runs from April to June. We are also seeking more individuals to get involved by helping coach the teams and run the program. To learn more about Grassroots Soccer, how your child can participate, and how to get involved, visit our website at www.acadia.community/soccer.

New Soccer Program Coordinator Needed!

Our wonderful soccer coordinator, Trudy, is retiring and we are in need of someone to take on this very important and rewarding role! Please reach out to volunteer@acadiaca.com if you would like to learn more about this opportunity.

Volunteer With The ACA

Our incredible and dedicated volunteers are what make the ACA and all of its programs and events possible. We are always looking for more people who want to give back to the community, and there are a bunch of ways to participate. Take part in your community through awesome events like the annual Winter Carnival or consider joining the board of directors. Volunteering opportunities are always available within the Acadia community as well. The current vacant roles are listed on page 11, or you can check out our website www.acadia.community/volunteer for more details.

DISCREET & CONVENIENT TEETH STRAIGHTENING

*"Your Oral Health
Is Our Priority"*

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.
