## Fall Traffic Safety Enforcement Focuses on Back to School

As children head back to school this fall, there will be an increase in pedestrian and vehicle traffic on our roads, especially near schools. In the Marda Loop Communities we have eight schools at the elementary, junior high, and high school level so a lot of traffic with vehicles, bikes, and pedestrians commuting to and from school.

Constable Art Szabo, the District 2 Community Resource Officer with Calgary Police reminds all drivers and pedestrians to stay safe and take your time. Here are some fines for traffic offences in playground zones.

## At a Glance: Fines for Traffic Offences in Playground Zones

- Passing in a playground zone: \$243
- U-turn in a school zone: \$162
- Fail to yield to a pedestrian in a crosswalk: \$810
- Parking within five metres of a crosswalk: \$81
- Jaywalking: \$81

## Quick Facts from The Government of Alberta:

- The penalty for failing to stop for a school bus with flashing red lights is \$567 and six demerit points.
- You are not permitted to pass or attempt to pass another vehicle travelling in the same direction within a playground zone, when the zone is in effect.
- The speed limit for both urban and rural school zones is 30 km/h unless otherwise posted.
- The vast majority (about 90 per cent) of collisions involving school buses occur in urban areas. (from Calgary Police).

For more information also check out the City of Calgary website: <https://www.calgary.ca/roads/safety/be-safe.html>.

If you have a traffic safety related issue, please fill out a 3-1-1 report with the City of Calgary and email us at [mobility@mardaloop.com](mailto:mobility@mardaloop.com).

## Development in Marda Loop Communities

Our community is undergoing a lot of construction from all the new projects.

You can find them all on development map on the City of Calgary website.

Marda Loop Communities has a development committee, and we review the larger development projects. Send us your comments and questions to [development@mardaloop.com](mailto:development@mardaloop.com).

## Main Streets Construction

Paving is taking place throughout September. To find out more on that go to <https://www.calgary.ca/planning/projects/marda-loop-main-street.html>.

## 34 Avenue SW Multiuse Pathway (MUP) Project

The project involves replacing the existing concrete sidewalk with a new multiuse pathway along 34 Avenue SW, between 17 Street and 14 Street. It will connect to the existing path on the south side of 34 Avenue, constructed as part of the Marda Loop Main Streets project. Contact us via the project email at [PathwayConstruction@calgary.ca](mailto:PathwayConstruction@calgary.ca).

### Seniors Find Out What Downton Abbey and Calgary Have in Common

If the MLCA Seniors' first gathering Monday, September 8 was any indication of delights to come, we are in for a great year!

Our friend Doug Coats (Yes! He's a friend now that he has enthralled three times) gave a wonderful oral and visual presentation of Calgary's as well as Canada's connections to the series *Downton Abbey*.

Street names, railways, survivors of the Titanic, ranchers who became royalty, and royalty who became ranchers. Who knew! Everyone came away wanting more. And indeed, Doug does have other presentations in his repertoire, so we hope to see him again soon.

The turnout was great, with some of the gals and guys dressing in outfits from that era. Over coffee, tea, and

treats supplied by the Edward, members had time to visit with old friends as well as meet and make some new ones.

Come join us in October!

*Carol Woolley*
