PRESIDENT'S MESSAGE

I am pleased to introduce myself as the newly elected MLCA President, following the departure of the previous President Jason Quilley as he moves on to new opportunities. Thanks to Jason for his contributions.

I have a lot of listening and learning to do, but I'm excited and optimistic about the year to come. Marda Loop is a unique Calgary community, and we are actively working on several exciting initiatives and programs that will further strengthen and better connect the Marda Loop community. Expect to hear from me and other Board members in the months ahead as we share accomplishments and communicate activities.

As always, our progress depends on volunteers to bring our initiatives to life. We are currently seeking support for several key roles, including the Board Vice President and Volunteer Director, as well as subject area committees. Whether you have professional experience to share or are simply interested in contributing to your community, there is a place for you, and we would love to hear from you.

Thank you to those current volunteers who continue to invest time, energy, and leadership into our community.

Lee Willis

President, Marda Loop Communities Association

PRESCHOOL

Why I Love Preschool

by Jade

What do you like about preschool?
I like to play with my friends.

What did you do at school today?
I made a craft today at preschool and I'm going to finish it tomorrow.

What kind of craft did you make?
I don't want to tell you. Once it's finished, then I'm going to tell you. It's a surprise.

What's your favorite craft that you've made?
It's a rainbow. I cut out shapes and made a rainbow out of it.

What's your favorite game to play at preschool?
Umm... maybe I can tell you. It's an outside preschool game that I play after outside in the park beside preschool. It's called ice cream store! It's the thing we just played.

What's your favorite special activity at preschool?
I like it when Ms. Sonia comes.

What does Ms. Sonia teach you?
A lot of music! There's a song called let's make a pizza, me and you... let's make a pizza just for two...

SENIORS IN THE LOOP

MLCA Seniors visit the Roaring 20's!
For a handful of our members, the March get together was a nostalgic trip down Memory Lane. Canada's – and Calgary's - experience with the roaring twenties was a response to the devastation of World War I (1914 to 1918) and a desire to celebrate the return to greater public normalcy and economic prosperity.

Doug Coats, our guest speaker, shared with us his meticulously researched presentation on "Calgary and the Roaring 20s – Ain't We Got Fun!" As with his presentations to us on previous occasions, Doug kept us enthralled with his findings about this period of dramatic social, economic, and cultural change within our city.

The accompanying music and sound effects caused an impromptu singalong because there are songs such as "Yes Sir, that's my Baby", "Five Foot Two, Eyes of Blue", and "Sweet Georgia Brown", which are still played on the odd occasion. The temptation to get up and dance the Charleston was quickly replaced by the nasty reminder that our knees and stamina are not in the shape they used to be.

The presentation also portrayed the fashions of that era, which was a liberating period for women, providing them with more masculine clothing and hair styles including the illustrious "bob" haircut. Keep in mind that this was also the time of the women's suffragist movement.

Doug has a repertoire of 12 such presentations relating to the evolution of Calgary's infrastructure, culture, transportation, etc., so we will hopefully have the opportunity again in the future to delve into our city's past.

Heather Bhatty

Director of "Seniors in the Loop"

P.S. Just to clarify, none of our members are that old, but many of us remember the music and frivolity of those years!

Planning and Mobility Corner

City of Calgary's Planning Liaison Program: Marda Loop Communities Chose

The City of Calgary's Planning Liaison Program is now underway, and the Federation of Calgary Communities assisted our community in getting our own planning liaison.

Throughout December and January, the Federation of Calgary Communities supported with delivering surveys to 55 community associations within completed Local Area Plans, inquiring about the community association's interest in the Planning Liaison Program. To date, 39 community associations have expressed interest in participating in the Planning Liaison Program. Over the past few weeks, planning liaisons have spoken directly with 30 community associations to better understand local priorities and their needs. Based on those conversations, community growth data, and team capacity, a group of 20 community associations have been identified to begin working more closely with planning liaisons in the coming weeks.

The Planning Liaison Program is a pilot program through 2026. Its purpose is to help strengthen relationships, advance mutual understanding, and improve communication between community associations and The City on planning and development matters. Planning liaisons will provide support by sharing knowledge, improving access to information and expertise, and helping navigate The City's Planning and Development Services' processes.

Learn more about the Planning Liaison Program through the new webpage here: https://www.calgary.ca/planning/planning-liaison-program.html.

You can also find more about the Partners in Planning program where you can take classes to learn more about the planning process with the City of Calgary. More can be found at calgarycommunities.com/pip.
