Monthly MLCA Board Meeting

If you would like to address the Board, or simply attend one of these meetings, please contact president@mardaloop.com.

PRESIDENT'S MESSAGE

Dear MLCA Members, Neighbours, And Volunteers,

It is with mixed emotions that I am writing to share I will be stepping down as President of the Marda Loop Communities Association (MLCA), effective February 24, 2026. An incredible personal opportunity has opened for me that requires my immediate relocation to Edmonton, Alberta.

Serving as President has been one of the most meaningful volunteer roles of my life. I'm deeply grateful for the support, trust, and collaboration of our board, staff, committee leads, volunteers, local businesses, and residents. The strength of Marda Loop is its people—and I've had the privilege of seeing that firsthand through the passion you bring to making this community safer, more connected, and more vibrant.

Thank you to everyone who has contributed time, ideas, and energy, whether by attending meetings, volunteering at events, advocating for improvements, supporting local initiatives, or simply showing up for your neighbours. Every contribution matters, and together we continue to build a community we can be proud of.

While my next chapter requires me to step away from this role, my confidence in MLCA's future is strong. The association is powered by capable, committed people, and there is real momentum to keep moving forward.

An Invitation to Lead

MLCA is now seeking a new President (and engaged board members) to help guide the association's work. If you care about community-building, local improvement projects, small business vitality, safety, events, and advocacy—this is a meaningful way to serve. You do not need to "know everything" to contribute; you simply need to show up, listen, and lead with integrity. MLCA has a supportive board and a collaborative culture, and we welcome applicants from all backgrounds and experiences.

If you are interested in applying—or if you'd like to nominate someone you believe would be a strong fit—please contact volunteer@mardaloop.com.

Thank you again for the opportunity to serve. I will be cheering for Marda Loop and for the people who make it exceptional.

Warmly,

Jason Quilley

Outgoing President, Marda Loop Communities Association (MLCA)

"Xin Nian Kuai Le" - Seniors Celebrate Chinese Lunar New Year of the Fire Horse

On Monday, February 2 our Marda Loop Seniors enjoyed a vibrant presentation by Ronald Lee, a Canadian-born Chinese descendant who taught English in Calgary high schools for 40 years.

Ronald Lee was awarded the Queen Elizabeth Golden Jubilee Award for community service for his work with Alberta Student Debate Societies. He presented us with a fascinating story of the history of Canadian Chinese immigration. He related historical developments of Calgary's Chinatown and the upcoming Chinese Lunar New Year, the 'Year of the Fire Horse'.

Ronald's four trips to China enriched his own background of Chinese culture. He revealed to us that as early as 1788 in Canada, Captain John Meares brought Chinese labourers to BC and Nootka Sound, BC. Other venturers to North America from China arrived in San Francisco, California because of the Gold Rush in 1849. Canada, where the first of several waves of immigration arrived, was called Golden Mountain by newcomers.

After their Canadian Pacific Railway work, Chinese immigrants turned to agriculture and small business to flourish. Ronald displayed his family's primary documents, referencing the Chinese Head Tax, Exclusion Act or Chinese Immigration Act of 1923 which limited Chinese voting rights, family unification, and their freedom of movement. Despite hardship, Chinese family restaurants, dry cleaning, and corner stores were established in many Western Canadian small towns, adding to the culture of the west.

Before finding a permanent city of Calgary location near the Bow River on 4 Avenue southeast, early Chinatown residences and businesses were moved three times to avoid community conflict. In recent years, it has seen many efforts of revitalization including the building of the Calgary Chinese Cultural Centre, restaurants, and shopping malls on Centre Street East.

Having guided the first group tours of Calgary's Chinatown, our speaker invited us to experience the Dragon Dance during upcoming Lunar New Year festivities for the Year of the Horse at the Calgary Chinese Cultural Centre. This year, free family events including Lion Dances were offered in February.

Starting on February 17, the 'Year of the Fire Horse' lasts for 15 days of events. Gift-giving and red envelopes filled with money known as 'Hong Pao' in Mandarin are a cherished tradition in many parts of Asia. Red symbolizes good fortune and joy, a prominent feature of the Lunar New Year. From money received in 'Hong Pao', the famous red packet, payment is presented to dragon dance performers, employees, and friends representing the virtues of generosity and gratitude.

Family gatherings and banquets include the traditional Dragon, Lion, Snake, or 'Horse Dance', bringing good luck, high energy, and prosperity for all generations.

After our morning fitness with Megan, 60 guests enjoyed coffee, Chinese fortune cookies, and red 'Hong Pao' envelopes, followed by a draw for Chinese New Year.

Although the Cantonese New Year greeting "Kung Hei Fat Choi" means "Congratulations and may you be prosperous", the Mandarin term "Xin Nian Kuai Le" wishes "Happy New Year" to family and friends.

PLANNING AND MOBILITY CORNER

Notice the white boxes in public places around Marda Loop? Those were from the City asking for engagement on the future growth of our area. City Council passed the West Elbow Communities Local Area Plan in May 2025, and it includes all of Marda Loop's communities. The plan sets out the growth plans for the community and is the basis for development permits and land use redesignations (LOCs). To quote the West Elbow Plan engagement website, "West Elbow Communities Local Area Plan sets out a strategic framework to guide future development as the communities evolve over time"- https://www.calgary.ca/planning/local-area/completed-plans/west-elbow-communities.html.

When a Land Use Redesignation goes to a public hearing, anyone is welcome to participate and speak to City Council. There will be one on March 23, 2026, to discuss repealing the blanket rezoning for the City. https://www.calgary.ca/council/meetings/agenda-minutes.html#agendas.

To find out more about major developments in our neighbourhood, visit our website at https://mardaloop.com/community/planning-and-development/. You can also email us at development@mardaloop.com.
