Carpal Whiskers

Did you know that cats have whiskers on the back of their front legs? These sensory organs, called "carpal vibrissae," are useful when it comes to capturing prey or holding a toy in their paws. Their carpal whiskers detect movement and the position of their toy/prey which then tells them whether they should readjust their grip or not.

PRESIDENT'S MESSAGE

Membership

Membership is our focus for this month. We appreciate those residents who keep their membership up to date. For others, please purchase a membership this month. The fee continues to be just \$20 for twelve months.

During COVID, we heard from residents that as the pandemic had cancelled our events and programs, the value proposition for membership was weak. The SECA board took that to heart, and since then, we have worked very, very hard to provide good value by delivering many programs and events, as well as supporting the community through advocacy. SECA has sought out grants, sponsorships, donations, and used casino funds to enable the programs and events to be offered at no charge. Participation has grown steadily and yet our membership numbers are lower than ever. As a member-based organization, SECA needs your support: your moral support and your financial support in the form of a membership purchase. Join today!

Stampede Festival – June 24 from 9:00 am to noon

If you thought that SECA's reimagined Stampede Festival was fabulous last year, you don't want to miss it this year. Hang onto your hats because we're bringing it back, bigger and better on June 24 from 9:00 am to noon. We're preparing breakfast for the first 800 guests but don't worry, if you come later, there's still lots of fun to be had. Onsite parking is limited. Walk or bike if you can.

Volunteering at an event of this size is a really fun way to experience the event. Email info@shawneeevergreen.ca to pick a role and a shift. Over 70 volunteers are needed.

We are so thankful to have received generous sponsorship for the Stampede Festival from these local businesses: Shield Exteriors, Cardel Homes, Telus, Maxwell Capital Realty, CARSTAR, and Tim Hortons (Bannister Rd).

Volunteer

Mark your calendars and contact us if you can volunteer for our:

- Monthly Children's Programs: See posters on our Little Free Libraries
- Party in the Park on Neighbour Day: Saturday, June 17 from 7:00 to 9:00 pm in the park on Shawnee Boulevard at Shawnee Street
- Stampede Festival: Saturday, June 24, 2023, from 9:00 am to noon
- Community Cleanup: Saturday, September 16, 2023
- Fundraising Casino: September 24 and 25, 2023

**The
Midnight
Sun**

Have you ever seen the sun at midnight? If you visit Iceland in June, you just might! This phenomenon occurs because of the tilt of Earth's axis which gives places north of the Arctic Circle 24 hours of sunlight. As a result, Reykjavik, Iceland's capital, experiences the longest summer solstice in the world!
