## Real-Life Fairy Tale

Did you know that the magical world of Disney extended beyond the screen for the voices of Mickey and Minnie Mouse? Wayne Allwine (Mickey from 1977 to 2009) and Russi Taylor (Minnie from 1986 to 2019), added a real-life fairy tale twist to their story. In 1991, they tied the knot, bringing the iconic mouse couple's love to life off-screen.

Happy Birthday to us! SECA is turning 30 this year. That's 30 years of events and advocacy and more recently programs in service of our residents. Hurrah! Were you involved in the early days or more recently? We'd love to hear from your stories and memories. Email us at [info@yourseca.ca](mailto:info@yourseca.ca) or regale us at a Campfire.

### City-Wide Rezoning

The City's in-person, online, and email engagement for the proposed rezoning has closed. The majority (60%) of neighbourhoods are currently zoned for single family homes. The new strategy will rezone established neighbourhoods to RC-G which allows single-detached, semi-detached, duplexes, secondary suites, and row housing. To learn more, go to [Calgary.ca/rezoningforhousing](http://Calgary.ca/rezoningforhousing). Love it or hate it, it will be impactful over time. Council will make the final decision on this rezoning strategy at a public hearing on April 22, 2024. Members of the public may attend the public hearing in person or submit written input. Learn more at [calgary.ca/publichearing](http://calgary.ca/publichearing).

### Transitional Housing

SECA continues to advocate on behalf of SECA residents for a quality and aesthetically pleasing building, in collaboration with Councillor McLean's office.

### Community Campfires

If you haven't attended one yet, give them a try. Who doesn't love gathering with neighbours to enjoy the low smoke campfires, live music, hotdogs, marshmallows, and our delicious hot chocolate. Join us on the last Saturday of the month from 4:00 to 6:00 pm.

**March 30** - In the park on Evergreen Drive SW

**April 27** - In the park on Evergreen Circle SW

Thanks to Servus Credit Union for sponsoring this season! Also, thanks to nearby Shoppers Drug Mart and Sobeys locations for their support. Remember to bring non-perishable food items for the Food Bank.

### Imagining our Public Spaces

If you liked the SECA Chairs project, we hope you'll participate in learning and experimenting with us as re-imagine our neighbourhood places together. Join the project mailing list at the QR Code to stay informed or to get involved in our placemaking work.

### Seniors Programs

This month we'll learn if we were awarded a federal New Horizons grant to fund seniors' programs. If we are successful, get ready for a wide variety of programs for the 55+ and seniors' crowd. Without a grant we'll offer a more modest slate. Get involved as a participant or volunteer as a SECA host/hostess at sessions or perhaps you'd like to join the committee. Contact: [ashley.oshiro.seca@gmail.com](mailto:ashley.oshiro.seca@gmail.com).

### Stampede Festival

This event has been a terrific success over the past two years thanks to our Events Committee, our wonderful crew of event day volunteers, as well as support from South Gate Church volunteers. Our date this year is June 22. Leadership volunteers are needed in the planning stage of this event. Please email [info@yourseca.ca](mailto:info@yourseca.ca) for more information about becoming a team lead for a section of the event.

## Live Healthier, Happier, and Longer

*from Calgary Foothills Primary Care Network*

Did you know there is a team of health professionals who work with your family doctor to provide personalized health support – for free.

From mental health counsellors to nurses who can help with things such as anxiety and diabetes, you can access a variety of health support through one of the Alberta Primary Care Networks. There are a number of Primary Care Networks across the province, offering services designed to best meet the needs of each community. Primary Care Networks are part of Alberta's public health care system and are funded by the provincial government – there is no cost to use any of their services.

### Access Free Health Support

Studies show that people who regularly see their family doctor are healthier, live longer, and have fewer hospital visits. You can find various health support through Primary Care Networks, including:

- Virtual and in-person workshops to support mental health, nutrition, diabetes, exercise, and to help you quit smoking.
- Access to a team of health professionals that could include nurses, mental health therapists, dietitians, pharmacists, and social workers who can provide you with specialized care.
- After-hours care to support you if you can't get in to see your family doctor.

## No matter how much you sweat, we can get the stink out!

We offer cleaning services for sports equipment and personal protective equipment, including helmets, shoulder and elbow pads, knee and shin pads, footwear, skates, or gloves – almost any equipment used by athletes or workers can be cleaned, disinfected, & refreshed.

### OUR OZONE PROCESS

Using ozone, our system breaks down and penetrates stains, mucus, blood, sweat, fungus, bacteria, and mould. Ozone effectively annihilates 99% of bacteria and viruses upon contact, encompassing both odor-causing bacteria and those responsible for various illnesses, such as staph infections.

# Wordy Woes

The fear of long words, Hippopotomonstrosesquippedaliophobia, coined by American poet Aimee Nezhukumatathil in 2000, traces back to Roman poet Horace's criticism of writers obsessed with lengthy words in the first century BCE. Irony alert: the term itself is quite a mouthful!
