Volunteers Needed for Our Participation in the Lilac Festival on Sunday, June 2

This year, the Lilac Festival is on Sunday, June 2. Cliff Bungalow – Mission Community Association was instrumental in getting Lilac Festival started in 1990. It is now a large event attracting upwards of 100,000 people.

Cliff Bungalow – Mission Community Association needs volunteers to help at the community booth at this year's Lilac Festival.

We need volunteers to:

- Set up our table and popup tent at 8:00 am (near Western Coffee Shop).
- Be at our table during the festival.

Minimum of two people per two-hour shift (10:00 am to 6:00 pm). First shift needs to be there at least 15 minutes prior to 10:00 am. There is some overlap of shifts for transition.

We will have information on the community association including activities, will sell memberships, and will sell our award-winning history book.

At 6:00 pm, we will need help taking down our tent and table contents and transporting them to the community centre. This is very important. Many hands make this easy.

Please contact Bob at cbmca.president@gmail.com if you can assist with this event.

What's Up with Mission Bridge?

by Robin Thompson

Buckle up: it's going to be a challenging time for Cliff Bungalow-Mission residents as Mission Bridge undergoes much-needed repairs over the next year.

The bridge was opened to traffic in 1915 and comprises four concrete arches spanning the Elbow River. It last underwent a major rehabilitation in 1987 and is now in need of upgrading to extend its service life and improve mobility and safety for pedestrians, cyclists, and motorists.

The project will include repairing bridge components such as the railing, approach slabs, piers, and abutments, and will mainly address the concrete deterioration across the structure. It will also redesign the bridge cross-section and make it safer for pedestrians and cyclists.

The rehabilitation work on the bridge structure will include:

- General concrete repairs.
- Construction of multi-use pathways on each side.
- Life-cycling the traffic signals at the north intersection.
- Redesigning the three traffic lanes and improving the connections at each end.
- Repairing the retaining wall and sidewalk northwest of the bridge along the Elbow River.
- Enhancing lighting to improve visibility and accessibility.
- Updating the aesthetics of the bridge's cross-section.

The project is set to stretch into 2025, so while it will be hugely inconvenient for those of us who use the bridge regularly, the project will greatly improve this critical link in Calgary's transportation network, not to mention the crumbling sidewalks and railings along Elbow Drive.

Here is the link to see a rendering of how the bridge will look and for more information about the project as it progresses: www.calgary.ca/planning/projects/mission-bridge.html.
