PRESIDENT'S MESSAGE

by Jennifer Ring McClure

Happy May!

Community Cleanup (Recycling Day) 2023: Many people are keen to do some spring cleaning at this time of year and in previous years, the Community Cleanup (Recycling Day) event has been a great way to clear out unwanted items with no recycling or landfill costs. Unfortunately, North Glenmore Park was not awarded a Community Cleanup event this year. These events are hosted by The City of Calgary and this year's demand for events exceeded the City's capacity; however, community cleanups are open to residents all over the city, so you can attend any cleanup event that you wish. Pick a location and date that works for you. You can find the full schedule of cleanups at <https://www.calgary.ca/communities/community-cleanups.html>.

Save the Date! The community association's annual Neighbour Day Celebration will be held on Saturday, June 17. This popular event is family-friendly fun with food trucks available and free entertainment. We will need volunteers to help make the event a success. Please consider this opportunity. Whether attending the event or volunteering, it's a great way to celebrate community and meet your neighbours! To learn more about volunteering at Neighbour Day, contact admin@ngpca.ca or call 403-246-4243.

Provincial Election Advance Vote – Location Information

Advance voting will be Tuesday, May 23 through Saturday, May 27, from 9:00 am to 8:00 pm each day. During the advance vote, voters can choose to vote anywhere. Although North Glenmore Park is no longer in Calgary Glenmore, voters in this area may find it convenient to cast their advance vote at the Lakeview Community Centre.

Sponsorships Available!

Are you looking to gain local exposure for your business while supporting the community association?

Consider sponsoring our summer day camps or Neighbour Day event. Various levels of sponsorship available, starting at \$250.

Data Privacy

from the Better Business Bureau

The possibility of a cyberattack by a foreign country has gone from being the stuff of science fiction to a common threat that is often reported in the news.

While it may seem like there is nothing an individual can do to stop a cyberattack, there are some best practices that consumers and businesses can do to help guard against losing important personal information to cyber thieves. When online, safeguard your information to help avoid scam fraud, and identity theft. Periodically, it is a good idea to review who has your information. The Better Business Bureau and the National Security Alliance offer the following tips to help secure the privacy of critical information.

- **Share with care.** Posts on social media last a long time. Consider who will see the post, how readers might perceive it, and what information it might reveal about the individual posting it.
- **Manage privacy settings.** Check the privacy and security settings on web services and apps and set them to your comfort level for information sharing. Each device, application, or browser used will have different features to limit how and with whom you share information.
- **Personal info is like money. Value it. Protect it.** Personal information, such as purchase history, IP address, or location, has tremendous value to businesses – just like money. Make informed decisions about whether or not to share data with certain businesses by considering the amount of personal information they are asking for and weighing it against the benefits you may receive in return.
- **Make your passwords long and strong.** Use long passwords with a combination of upper- and lower-case letters, numbers, and symbols – eight characters for most accounts and twelve characters for email and financial accounts. Don't use the same password for multiple accounts, especially email and financial. Keep a paper list of your passwords in a safe place, not on or near your computer. Consider using a password vault application. See BBB's tips for creating a strong password.

For more information go to BBB.org.
