PRESIDENT'S MESSAGE

by Lisa Burton

Join Us for Family-Friendly Fun on Friday, June 20!

In commemoration of the incredible outpouring of support and generosity of neighbours following the 2013 floods, the City of Calgary will celebrate its 12th annual Neighbour Day this year.

To mark the occasion, the community association invites you and your family to our celebration on Friday, June 20 from 4:30 to 7:00 pm. There will be food trucks, and free lawn games, face painting, pony rides, and more. Mark your calendar for a fun, family-friendly Friday evening, and a great way to meet your neighbours!

Limited Spots Available for Summer Day Camps!

After a year off due to the exterior renovation of the gymnasium, summer day camps are back for 2025! There are still a few spots available for select weeks. Choose from multi-sport camp or art and activity camp. Camps will start July 7 and run through to the week of August 25. Please note that participants can be registered in a maximum of two weeks in total.

These popular camps for kids aged six to 11 years old utilize the community centre gymnasium, green spaces, Glenmore reservoir pathways, and recreational facilities throughout North Glenmore Park including the Glenmore Aquatic Centre.

Best wishes for a safe and happy summer!

Before Shrek had his iconic Scottish accent, Mike Myers originally voiced the ogre with a thick Canadian accent! After recording all his lines, Myers changed his mind and re-recorded everything in a Scottish accent which he felt better countered Lord Farquaad's English accent. Talk about an ogre-achiever!

Backyard Play Safety

by Alberta Health Services, EMS

Emergency Medical Services (EMS) would like to encourage parents and caregivers to ensure their backyard play area(s) is made safe for children. Although direct supervision is the best method to reduce the chance of injury, always ensure play equipment in your yard is in good repair and is suited to the age and skill of the children using it. Check the equipment often; replace or repair any worn or broken parts.

Water Hazards

- Drowning contributes to unintentional injury-related death among young children.
- Children can drown in just a few centimetres of water if it covers their mouth and nose.
- Ensure all backyard swimming pools are fenced. The fence must be at least 1.8 metres* high and have a self-latching, self-closing, lockable gate. (*Alberta Building Code)

Lawn and Garden Tools

- Keep young children away from outdoor power equipment.
- Serious burns may result from touching hot engine surfaces.
- Ensure that all sharp tools, fuel, chemicals, and other hazardous substances are stored in a secure, locked area. A simple latch may not be sufficient.

Insect Bites and Stings

- Minimize the risk of attracting insects by not wearing strong perfumes or scented lotions.
- Avoid wearing brightly coloured clothing outdoors.

- Consider destroying or relocating hives and nests situated near your home.
- To avoid injury through inadvertently stepping on a stinging insect, always wear footwear outdoors.
- If your child has received an 'EpiPen, Junior' prescription from your physician (for anaphylactic reactions only) ensure they understand when and how to use it.
- If your child experiences a severe reaction to an insect sting, or other environmental cause, seek medical attention, or call 9-1-1.
