YOUR CITY OF CALGARY

Use the Homeowner Water Guide Fall Checklist to Prepare Your Home and Yard for Winter

by the City of Calgary

Wondering how to prepare your home for winter? The Homeowner Water Guide Fall Checklist is a great place to start.

You'll find reminders and tips like:

- Check your toilets, taps, humidifier, hot water heater, water softener, and other water using devices for leaks.
- Turn off your outdoor water supply and winterize your irrigation system to avoid winter leaks.
- Check the Watering 101 Guides to find out when to stop watering plants, shrubs, trees, and lawns.
- Leave plant debris in plant beds over winter to provide habitat for pollinators.

When it comes to residential and household leaks, toilets, faucets, and outdoor irrigation are the most common culprits. Our library of Homeowner Water Guides provides step-by-step guidance to identify and repair leaks in our homes, ideas to improve water efficiency, and tips to prepare yards for winter.

Together, we can make every drop count.

To find everything you need, including the Fall Checklist, visit calgary.ca/waterguide.

Oakridge Community Garden (OCG)

We are nearing the end of our fifth growing season with another great harvest and flower displays despite the water rationing.

Thanks again in particular to our OCG volunteers: Dave for prefabricating the benches for our YC volunteers, Lou for many other carpentry jobs such as the new table in the gazebo and mulch hauling, Chris for fixing our damaged shed skylight and staining the picnic tables, and Ron, Suzanne, Katie, Darlene, and Mike for critical watering and weeding activities – as well as others for their continued presence. A really big thank you!

During September, we will have held an ice cream celebration on Saturday, September 14 together with a fundraising event for the Food Bank. On Saturday, September 21, Youth Central (YC) volunteers will again be assisting us with some weeding, edging, and mulch placement on our pathways through the perennial beds, as well as staining our new benches and table that will be in the gazebo for year-round activities including family skating during winter. Thanks again to all our young YC volunteers.

Our final activity in October will be pumpkin carving and competition on Saturday, October 25 in conjunction with the OCA and the Home Hunters' donation of pumpkins. Stay tuned to our OCA website and OCA Instagram posts for more information on this family event. Please let us know if you want to volunteer and assist with this activity.

Once again, we are planning ahead for 2025, our sixth growing season, to ensure a focus on long-term sustainment. We have five individuals on our waitlist for next year. Join our Level One this year, learn about us and volunteer which will give you early notice for renting a raised bed in 2025.

Come enjoy our fall plants, and if interested, volunteer and join the exciting garden group.

A Canadian Gem

October 23, 1976, is the birthday of one of Canada's biggest gems in the movie industry. He was born in the lovely city of Vancouver, British Columbia before moving to LA in the late 90s. A charismatic, goofy, fun-loving guy, Mr. Ryan Reynolds turns 48 this year! Looking good, Ryan!

Civic Affairs

We continue to look for new OCA board members who will focus on City planning activities and separately on local road safety as the current board members will be less involved than recently. Hopefully we managed to fill these at the OCA Annual General Meeting or shortly thereafter. We encourage Oakridge residents to actively participate as there are lots of changes planned in our local neighbourhood and city.

Local Oakridge Concerns

Road calming is now partially implemented at Palliser Dr and 29 St with relocation of the 'pedestrian crossing' signs expected shortly. Pedestrian crossing at 26 St has also been enhanced. As previously mentioned, other locations of concern to residents are assessed by the City as not warranting any upgrades. Please also use the City of Calgary 3-1-1 line or www.calgary.ca/311.html.

Thanks to residents who are considerate of their neighbours and drive safely, pick up after their dogs, and keep their back alleys tidy from overflowing bins and discarded rubbish and free of prohibited and noxious weeds. Please refer to www.alberta.ca/provincially-regulated-weeds.

Co-op Redevelopment

As evident to most residents and users, the Co-op construction is progressing well with most of the structural work complete, and they remain on track for a spring 2025 completion date. No further update available but see www.calgarycoop.com/locations/oakridge-2/ for more information.

RioCan Development at Glenmore Landing

Further to the deadline of July 22 on dmap.calgary.ca/?find=LOC2023-0130:

Several residents commented on the revised plans for the new Land Use. The City Development staff supported conditional approval at the Calgary Planning Commission meeting on September 5 at 1:00 pm. On September 10, we received a copy from the 'Chinook Park, Kelvin Grove, and Eagle Ridge (CKE) Community Association' changing their July 22 position from neutrality to now being in opposition due to the most recent information. This information can only be viewed at City Hall and cannot be copied.

We have a new request into RioCan that the TIA and related documents be made public but have still

not heard back. www.calgary.ca/planning/projects/glenmore-landing.html.

A different perspective on the development but similar concerns with traffic is available at www.stophetowers.ca/traffic-concerns.

District 32

Our next meeting (#26) with adjacent community associations will have occurred on Thursday, September 19 in the Boardroom at Woodcreek CA (1991 Woodview Drive SW). This meeting should have discussed many of the local planning issues. Derek Dallen is our new Oakridge representative.

Citywide Rezoning

Please refer to prior editions of the *Oakridge Echo* for sources of information and background. Citywide rezoning came into effect on August 6 ahead of any further administration analysis as directed by Council. Please see www.calgary.ca/planning/projects/rezoning-for-housing.html for the latest updates and information.
