Master Plan Update

We're excited to share that the Oh MY Oakridge Greenspace Master Plan has reached an important milestone.

In summer 2026, the Oakridge Community Association contracted a landscape architecture firm to lead the development of a comprehensive Greenspace Master Plan for our community. This plan will help create a long-term vision for Oakridge's parks and open spaces, ensuring they continue to meet the needs of residents today and into the future.

The next two phases of the project are park scans and community engagement. Throughout late summer and early fall, our team will be visiting Oakridge's parks to observe how residents are currently using these spaces. This information will help us better understand how our parks function today and identify opportunities for future improvements.

While you're out enjoying our parks, keep an eye out for Oh MY Oakridge signs with self-check-in QR codes. By scanning the code, you'll be able to tell us when and how you use the space, what you value most about it, and what you'd like to see there in the future. Beginning this fall, residents will also have opportunities to share their ideas through a community survey and a series of public engagement sessions.

This is a community-driven initiative, and we're looking for volunteers to help make it a success. Whether you'd like to assist with engagement events, help with park observations, or support the project in other ways, we'd love to hear from you.

To receive project updates, learn about upcoming surveys, and engagement opportunities, or volunteer with the project, please email ohmyoakridge@gmail.com and ask to be added to our project mailing list. Together, we can create a shared vision for the future of Oakridge's greenspaces.

Vote by Mail (Special Ballot) Now Open for Alberta's October 19 Referendum

Not everyone can get to a voting place on Election Day and that shouldn't mean missing your chance to have a say. For Alberta's October 19, 2026 Referendum, Elections Alberta has opened Vote by Mail (Special Ballot) applications, giving electors a flexible way to vote from home and on their own schedule.

This option can be especially helpful for people facing mobility challenges, those recovering from an injury or surgery, seniors who don't drive, or anyone for whom getting to a polling place is difficult. It's also a convenient choice if you'll be away from your electoral division during advance voting from October 13 to 17, or on Referendum Day, October 19. This includes students studying away from home.

According to Elections Alberta, Vote by Mail is available to all eligible Alberta electors, and you do not need to provide a reason to apply.

How to Request a Special Ballot:

Electors can apply online at specialballot.elections.ab.ca or request an application by emailing info@elections.ab.ca. Applications close October 9, 2026, but Elections Alberta encourages people to apply early to allow time for delivery and return.

Once your application is received, Elections Alberta will mail a Vote by Mail package to the address you provide, including a prepaid return envelope. Special ballot packages will begin mailing on September 1, 2026.

When you complete your package, you'll need to sign a declaration and include copies of accepted identification to prove your name and address (do not send original ID). Your completed package must be received by Elections Alberta by mail before 5:00 pm on October 16, 2026. Returning Offices will not accept special ballot packages.

If you think you may need Vote by Mail—especially if mobility or health could make voting in person tough—request your special ballot early so your vote is ready when it counts.

Oakridge Sage Gatherings

Where caring and wisdom meet community.

We can't believe it's September already, the summer has gone by way too fast! We have been walking new routes for the past two months and are loving the outings through the parks and over the dam and across the reservoir. The sailboats from the Sailing Club are a joy to watch on the Glenmore reservoir and if you haven't walked around the lake recently, you will love the changes that have been made to the landscape and water's edge.

The community of Oakridge has a large family population and almost 30% is 65 and older. We're excited to see new people joining our group every week and we're excited to keep growing. Please reach out and let us know what other things you would like to see in Oakridge.

Our weekly Coffee Meet Ups happen every Tuesday from 09:15 to 11:15 am on the second floor of the Oakridge Community Centre. Everyone is welcome to join in. We often have shorter presentations with our coffee, friendly conversations, and planning sessions for future events and we always welcome newcomers. If you are interested in attending, meeting new people, making a presentation yourself, or if you would like to be added to the weekly information email for things happening in the following weeks, please email Bruce Sutherland at oakridgesagegatherings@gmail.com. He always adds an interesting piece of trivia or history to his email. You don't want to miss it!

Our special presentation schedule resumes this month. Our presentations are held at 11:00 am on Tuesdays (after coffee) and for September we are happy to welcome Alberta Health Services to speak about Navigating Home Care and to help understand what is available through AHS.

We are always looking for speakers and topics, if there is something you are interested in hearing or learning more about, please reach out with your ideas to Bruce Sutherland, Sage Gatherings Lead at oakridgesagegatherings@gmail.com.

Our Upcoming Presentation Schedule

- September 22, 2026: Alberta Health Services— Navigating Home Care
- October 6, 2026: Dr. Duane Bratt, Professor International Relations and Public Policy Studies, Mount Royal University—Navigating the Referendum Questions
- November 10, 2026: LCOL Ret'd Bruce Sutherland—

Flying Fixed Wing Aircraft off of Canada's Aircraft Carrier—Canadian Top Gun Pilots

*We do suggest registering for these events as seating is limited; rsvp@sagegatherings.ca.

Please note, all speaker series presentations are by a donation of your choice and mostly held on the second floor of the Oakridge Community Centre.

Caring Committee News

Sage Gatherings' purpose is to reach out and support those in our neighbourhood in need. We want to ensure that those who need assistance are comfortably supported by the group.
