Guess The Drink!

1. On August 28, 1898, Caleb Bradham invented this sweet, carbonated drink originally called "Brad's Drink" which was used to relieve dyspepsia (indigestion).
2. In 1969, Walter Chell invented this drink in Calgary which is typically made from Clamato juice, Worcestershire sauce, spices, and vodka.
3. This non-alcoholic drink is named after an iconic 1930s Hollywood child actress.
4. This drink has been around for thousands of years. Legend has it that in 2737 BC, Chinese emperor Shen Nung discovered it while sitting underneath a tree with boiling water.
5. This sparkling wine is named after the region from which it is produced.

Musings

Hello Rutland Park,

As this goes to print, we are well into summer 2024, but it will not be long until we hear the school bells ring, and our students will be back to explore new adventures.

June was a fabulous month, as we gathered for our annual Neighbour Day event. Many thanks to Danny Greene and his committee for hosting this event. This year well over 175 attended, and from my observation, a good time was enjoyed by all. I was very pleased to see quite a few members from Sarcee Meadows there.

Over summer our soccer fields were well used by the Grassroots soccer program, and the skate building remained a hub of activity for the martial arts groups.

Just a reminder, that now is the time of year to renew your community membership for yet another year. If you are new to our area, please consider purchasing your card for 2024/25. The information is printed in *The Post*, and our membership director will assist you. As always, many thanks for your continued support.

Well, friends this is all the news for now. Stay safe and do remember to smell the roses.

Happy trails to all,

Isabell

The Mountains are Calling.

YOUR CITY OF CALGARY

Declutter and Discover! Join Us for the Citywide Treasure Hunt: A Fun Event for All Ages!

by *The City of Calgary, Waste and Recycling Services*

We are excited to announce the upcoming Curbside Treasure Hunt, taking place across Calgary on September 7 and 8. This is a fantastic community event where residents can set out items they no longer need, giving others a chance to find a hidden gem.

Event Details:

- Dates: September 7 and 8
- Look through your home and gather any reusable items that you no longer need.
- Mark them with a “Free” label and place them at the curb on the designated event days.
- Treasure hunters rejoice! Anyone can come and pick up these items for their own use – it’s like a free garage sale right at your doorstep!
- If it’s still on the curb, let’s keep the community tidy and donate it!

The Treasure Hunt encourages Calgarians to explore their neighbourhoods, find unique items, and meet new people. It’s a wonderful opportunity to strengthen our community ties and supports our goal of reducing environmental impacts by reducing waste. Participants can place items they no longer need at the curb for others to pick up, fostering a spirit of sharing and community engagement.

DEVELOPMENT AND TRAFFIC REPORT

I would just like to highlight what has been happening/going on behind the scenes this past month, in no particular order:

We are pleased to welcome Lisa L. to the board as our new Treasurer. Thank you for volunteering with us! Thank you as well to Chantal O. for taking on the Secretary position as a permanent role!

Special shout out to Danny Greene and Chantal O. for organizing another great Neighbour Day! Thank you as well to all of the volunteers who chipped in to make it a huge success!

Just a reminder that our Community Cleanup will be on September 29. Thank you, Sue H. and Chantal O. for organizing this event again this year! Please reach out to Sue H. at gsleach@telusplanet.net if you are able to volunteer for this event.

We hope you took the opportunity to provide feedback on Sarina's proposed development on the Richmond Green Regional Park baseball diamonds. We identified several concerns. The City indicated the site would allow for approximately 284 units, whereas the developer is seeking 400 units. This would have serious traffic implications, especially when considering the proposed Viscount Bennett development which will bring traffic to the same intersection. In addition, a six-storey structure across the entire east side of the site will create significant massing and overshadowing concerns, especially since the site is significantly higher than the remaining park space. There will be additional opportunities to provide feedback on the proposed development, so do watch for updates.

We have resubmitted our Proof of Loss for the hall floor collapse. Our insurer rejected the City's estimate for the repairs because it was not specific enough. In order to get a more specific estimate, another \$32,000 of engineering would be required and the City is not prepared to take this on without any guarantee of coverage. Escalating this through several complaint channels, the insurer may finally be getting their own estimate. This has been an extremely stressful and time-consuming process. Hopefully, we will have some good news to report next month. Thank you for your patience.

We hope you are having a safe and wonderful summer! Board meetings will resume in September, but we are still checking emails if you need to reach us.

If you have not already signed up for our email updates, please do so at our website, www.rutlandparkcommunity.com. The City often gives us very short notice for upcoming events, and this is the quickest way for us to reach you. Please also join us on our Facebook page—Rutland Park Community Association.

Thank you for your ongoing support.

Silent Pride: *The Wordless Anthems of the World!*

While watching the Paris Olympics this year, you might notice some athletes not singing along to their national anthems. Well, athletes from Spain, Kosovo, San Marino, and Bosnia and Herzegovina (yes, that is one country) can be excused because their national anthems have no words!

Rutland Park Community Cleanup

Sunday, September 29
9:00 am to 1:30 pm

Many volunteers are needed for this event, especially those that can do some heavy lifting to help at the city trucks and the metal/wood bins. It is lots of fun, you get a wee bit dirty, and you will meet some great community folks.

Good Neighbours Service is a free pick-up service for seniors or those in need that can't do the heavy lifting anymore. A volunteer truck will come to your residence and bring your items for disposal or recycling to the community site.

Contact Sue Helland at gsleach@telusplanet.net to volunteer or sign up for our Good Neighbour service.

Confirmed services on site include:

- City of Calgary Packer trucks for disposal (anything that won't fit in your black cart).
- Metal and wood recycling bins thanks to Performance Waste.
- E-Cycle - thanks to Shanked Computer Recycling. The community will earn money for items brought in. Last year we made \$388 so please save all of your electronics.
- Drop-In Centre to support their Move Out Program.
- OK Tire Richmond - accepting tires on and off rims.
- Free Store.

Unable to Accept:

Paint, glass, batteries, household chemicals, refrigerant, propane tanks, railways, sod, or soil.
